systems or programming is assumed. Programmable Logic Controllers continues to provide an up-to-date introduction to all aspects of PLC programming, installation, and maintaining procedures. Improvements have been made to every chapter. The content, applied programming examples, instructor/student resources (including lesson PowerPoint presentations with simulated PLC program videos), test generator, LogixPro lab manual, and activities manual. With this edition, students and instructors also have access to McGraw-Hill Education's digital products - Connect and SmartBook, for the first time! McGraw-Hill Education's Connect, is also available as an optional, add on item. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, how they need it, so that class time is more effective. Connect allows the professor to assign homework, quizzes, and tests easily and automatically grades and records the scores of the student's work. Problems are randomized to prevent sharing of answers and may also have a "multi-step solution" which helps move the students' learning along if they experience difficulty.

The fifth edition of Programmable Logic Controllers continues to provide an up to date introduction to all aspects of PLC programming, installation, and maintaining procedures. Improvements have been made to every chapter. The content, applied programming examples, available instructor and student resources including lesson PowerPoint presentations (with simulated PLC program videos), Test Generator, LogixPro Lab Manual and Activities Manual leaves little to be desired by the student or instructor. With the fifth

edition, students and instructors have access to McGraw's digital products Connect and SmartBook for the first time. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, how they need it, so that your class time is more engaging and effective.
