Iva Sturtevant, a soprano of some repute in provincial European opera houses, has returned to her childhood home to tend to her ailing parents. Leo Sturtevant, who has never left Josephine, Illinois, has recently been dismissed from his social service job, suspected of inappropriate behavior. Now, awaiting the inevitable disappearance of the oldest generation, Iva entertains Leo with tales from her obscure romantic operas, and Leo entices his big sister to read an old 1960s paperback about the world's last heterosexual, a novel dear to him for its mirror image of his own plight in a tiny rural town.

What if Jesus were not a supernatural being conceived by a virgin, but a real human being who had experienced the awakening of consciousness known as “enlightenment” in the East? This extraordinary line-by-line commentary on selected Gospels from Matthew and John tests the hypothesis that Jesus was a mystic, not a miracle worker of supernatural origin. Osho convincingly makes the case that the stories of Jesus' life were never meant to be a factual record of history, but rather are teaching parables designed to provide ongoing spiritual guidance for generations to come. I Say Unto You introduces us to a dynamic, compassionate, intelligent, loving Jesus, who speaks in a plain and simple way that everyone can understand. This is not the long-faced, sad and tortured man often depicted down the centuries. Osho looks with a crystal-clear perception at Jesus' work, inviting us to see the parables and miracles as metaphors of the inner world. He gives insight into Jesus' own search, and his journeys to the ancient mystery schools of Egypt, Kashmir, and Tibet that transformed him into one of the most evolved masters of the paths of love and meditation, with insights that are still relevant for today's world.

Sis, do you want to WIN? Like most women, Lebo desired/yearned to WIN in love. She had a deep zeal to have a life full of achieved dreams and success. Somewhere in between her desires, she made a mistake. A mistake that she hid and was chained by for years. For the very first time, Lebo is vulnerable and honest about her mistake, and the things that held her back from the love & life of her dreams. As chained and held back as she was, she could have given up on life & love, but she didn't let the things life threw at her dictate her destiny. She kept her faith even when it felt like her faith was failing her and kept pushing until she aligned with destiny, and finally got the WIN that she always wanted. A WIN she believes, she would not have had, had it not been for the Lord. The same God that she once forget about once. Lebo's story is one of hope for the hopeless, freedom for the captive and victory for the underdogs. It is also a reminder to us of God's unconditional love and that nothing bad anyone of us has done in the past, disqualifies us from taking hold of everything destined for us. "This book did not come about because I was always perfect or that my life or love life right now is that perfect or better than anyone. Rather, it is the result of a mistake I made that God turned into a message. A message of hope for the hopeless, freedom for the captive and victory for the underdogs. Through this book and drawing from my own story, I want to bring more women to the WINNING side of life & love regardless of how bad they have been in the past; the number of times they have failed or have had to come out last; their bad love track records and the things holding them back from the life they want..." ,says Lebogang She is an overcomer has ignited a movement across the world, helping women break free from the chains of their mistakes, practice self-love and WIN in love & life. "When I was 12, I didn't think I would get past ninth grade. When I was 14, I didn't think I would live to my twentieth birthday. For me to be here today is a dream beyond my comprehension." Set against the backdrop of the Vietnam War's aftermath, this memoir tells the story of Trinh Do, a boy fighting for survival in newly unified communist Vietnam. Trinh Do was born in Saigon in 1964. His father, a soldier in the South Vietnam Army, was taken to a re-education camp after the communist victory in 1975. His family was thrown out of their home, and Do took care of his mother and younger brothers. He struggled to stay in school; because of his father, Do faced constant prejudice from the communist administration. He was expelled for refusing to betray his classmates in 1978; soon after, his mother arranged for him to escape Vietnam in a fishing boat. After a perilous journey, he landed in Malaysia, where he spent six months in a refugee camp, and then made his way to the United States. His parents attempted a similar escape four years later and were lost to the South China Sea. This memoir tells the story of Do's generation coming of age in a brutal period of Vietnam's history and is illustrated with family photographs. Framed within a complex historical setting, it reveals the cruelty inflicted upon the populace by the Vietnamese communists for the purpose of "internal security." An intimate portrait of daily life

under communist rule and an examination of the political and military situation, Do's memoir describes the propaganda and repression through the words of a Vietnamese schoolboy.

What is the significance of the Father in psychoanalysis today? This book constructs a much needed framework to allow psychoanalysts to consider the difficulties of a generation without a solid anchor in the Father. *The Dead Father: A Psychoanalytic Inquiry* provides a necessary addition to decades of work on the role of the mother in development. The editors bring together world renowned scholars to discuss current observations in their fields, in terms of the Father's changing but essential functions, both in the lives of the individual and collective. Divided into four parts, chapters focus on: *The Lost Father* *The Father Embodied* *The Father in Theory* *Father Culture*. Exploring the role of the father in individual psychology, everyday interpersonal and social experience and cultural phenomena writ large, this book will be essential reading for psychoanalysts, as well as psychologists, social workers and scholars in the humanities.

This condensed anthology reproduces close to a dozen plays from Xiaomei Chen's well-received original collection, *The Columbia Anthology of Modern Chinese Drama*, along with her critical introduction to the historical, cultural, and aesthetic evolution of twentieth-century Chinese spoken drama. Comprising representative works from the Republican era to postsocialist China, the book encapsulates the revolutionary rethinking of Chinese theater and performance that began in the late Qing dynasty and vividly portrays the uncertainty and anxiety brought on by modernism, socialism, political conflict, and war. Chosen works from 1919 to 1990 also highlight the formation of national and gender identities during a period of tremendous social, cultural, and political change in China and the genesis of contemporary attitudes toward the West. PRC theater tracks the rise of communism, juxtaposing ideals of Chinese socialism against the sacrifices made for a new society. Post-Mao drama addresses the nation's socialist legacy, its attempt to reexamine its cultural roots, and postsocialist reflections on critical issues such as nation, class, gender, and collective memories. An essential, portable guide for easy reference and classroom use, this abridgment provides a concise yet well-rounded survey of China's theatricality and representation of political life. The original work not only established a canon of modern Chinese drama in the West but also made it available for the first time in English in a single volume.
