

Loopholes Of Real Estate Secrets Of Successful Real Estate Investing Rich Dad Advisors

Twelve years ago, a predator terrorized Detective Denise Davidson's community. In the space of a few months, three young women vanished, and the case remains infuriatingly unsolved. Years of intensive police investigations have yielded no information, no hope—and no killer brought to justice. Although fear gripped the community just after the killings, time has healed some wounds. Many residents have moved on with their lives, and the names and faces of the lost women are fading into memory. But Davidson refuses to let complacency triumph over justice. She's not about to let go of her quest for answers. One evening, she takes note of a man sitting alone, watching women entering a popular night spot. His actions intrigue Davidson, and intrigue quickly evolves into suspicion. What is this man hiding? As her understanding of this man and his motives improves, she forms a dangerous bond with him. But even she cannot predict how that bond will lead to one horrific, fearful night when her world will be ripped apart at the seams. She then learns that he has a secret—one he's held close for twelve years. Together, they will plunge into the murky world of horror, lies, and sex. Now these unusual collaborators must unravel the mystery of the dramatic and terrible results of years of sexual deceptions. Are they clever enough to solve the riddle?

If you're interested in real estate investing, you may have noticed the lack of coverage it gets in mainstream financial media, while stocks, bonds, and mutual funds are consistently touted as the safest and most profitable ways to invest. According to real estate guru Ken McElroy, that's because financial publications, tv and radio programs make the bulk of their money from advertising paid for by the very companies who provide such mainstream financial services. On the other hand, real estate investment is something you can do on your own--without a large amount of money up front. Picking up where he left off in the bestselling ABC's of Real Estate Investing, McElroy reveals the next essential lessons and information that no serious investor can afford to miss. Building on the foundation of real estate investment 101, McElroy tells readers: How to think--and operate--like a real estate mogul How to identify and close expert deals Why multifamily housing is the best real estate investment out there How to surround yourself with a team that will help maximize your money How to avoid paying thousands in taxes by structuring property sales wisely Important projections about the future of real estate investment

Not only a real estate investor's handbook but also a real estate operator's manual and bible. Covering practically all real estate investing topics, from conceptualized investing strategies to implementing buying tactics from creating financing to effective property management, this book shares much of the author's real life knowledge, experience, pain, and ecstasy in real estate investing.

As home prices in the U.S. hit record highs, Mexico has emerged as a solid contender for people who are considering either buying second homes or investing in a holiday home or future retirement properties. The U.S. State Department estimates that there are 385,000 Americans permanently liv-ing in Mexico. This book details precisely what to look for in real estate investments and buy-ing prospects, as well as how to find the best opportunities, buy with little or no money down, decide where to purchase, and how to choose and hire a realtor. You also will become knowledgeable about negotiating and financing, budgets, home-buying timelines, the process of building a house, homeowners' insur-ance, creative financing, closing and settlement inspections, legal contracts, what you can afford, and which government agencies can help. This book is a must-have for the investor considering a second home below the border. Two of the nation's leading real estate investment experts offer step-by-step guidance for anyone who wants to build a profitable real estate investing business, including information on how to use leverage, find deal after deal, safely evaluate any real estate prospect, negotiate for more money, and avoid the ten contract pitfalls that trip up most investors. Original.

Buying and Selling a Business reveals key strategies used to sell and acquire business investments. Garrett Sutton, Esq. is a best selling author of numerous law for the layman books, and he guides the reader clearly through all of the obstacles to be faced before completing a winning transaction. “Buying and Selling a Business” uses real life stories to illustrate how to prepare your business for sale, analyze acquisition candidates and assemble the right team of experts. A biographical and bibliographical guide to current writers in all fields including poetry, fiction and nonfiction, journalism, drama, television and movies. Information is provided by the authors themselves or drawn from published interviews, feature stories, book reviews and other materials provided by the authors/publishers.

Investing in commercial real estate can provide excellent risk-return opportunities for both the large and small investor. Unlike equity securities, commercial real estate often generates a substantial and predictable cash flow over time--and the compounding effect of this cash flow can significantly enhance the performance of most investment portfolios. Filled with in-depth insight and practical advice, The Real Estate Investment Handbook is an essential tool for current and aspiring commercial real estate investors looking to develop and evaluate commercial real estate properties. Throughout the book, experts G. Timothy Haight and Daniel D. Singer offer careful examinations of the various types of commercial real estate available, the measures within the markets used to evaluate their performance, and the intricacies of the markets in which they are traded. The discussions of breakeven analysis, present value, financial leverage, loan packaging, and practical real-life situations found in The Real Estate Investment Handbook will help you make better-informed decisions when investing in properties such as: * Apartments, condominiums, and time-shares * Single-family homes * Self-storage facilities * Office buildings * Industrial properties * Parking lots * Shopping centers * Hotels and motels Successful real estate investing is not just about net income or cash flow; it's about the fit between an investor and an investment. With The Real Estate Investment Handbook as your guide, you'll learn how to choose properties that make sense--and money--for you.

We live in a highly litigious world. As you live your life you must keep your guard up. As you grow your wealth you must protect it. For those who don't predators await, and their attorneys will use every trick in the toolbox to get at - whether large or small--your unprotected assets. Start Your Own Corporation educates you on an action plan to protect your life's gains. Corporate attorney and best selling author Garrett Sutton clearly explains the all too common risks of failing to protect yourself and the strategies for limiting your liability going forward. The information is timely, accessible and applicable to every citizen in every situation. Garrett Sutton has spent the last thirty years protecting clients' assets and implementing corporate structures to limit liability. This significant experience shines through in a very readable book on the why to's and how to's for achieving asset protection. Start Your Own Corporation teaches how to select between corporations and LLCs and how to use Nevada and Wyoming entities to your maximum advantage. This non-technical and easy to understand book also educates on the importance of following corporate formalities, using business tax deductions and building business credit. Rich Dad Poor Dad author Robert Kiyosaki says, "Start Your Own Corporation is a must read for anyone with any assets to protect."

Top advice from one of television's most well-known Realtors. Buying a home for the first time can be a daunting and stressful endeavor. The myriad questions and issues that arise can be overwhelming, resulting in an experience completely different from what first-time buyers were expecting. Sandra Rinomato, the host of the hit HGTV show Property Virgins, delivers a "realty check" by pointing buyers to homes that fit their budget, satisfy their needs, and most importantly, achieve their goal of home ownership. Realty Check covers such topics as: How to finance your home purchase without going broke. How to look past home staging and focus on the crucial elements of a potential property. Home inspection and exactly what it entails. Tips for condominium buyers. How to find and work with a good Realtor. Mortgage fraud and other legal issues. Buying a first property is a major commitment, but readers of this book will be well-prepared to take the leap into home-ownership, with their eyes wide open.

The book begins by addressing many of the challenges stock market investors face today and the various ways many investors use the stock market to achieve their goals. A valuable discussion of where paper assets fit (and do not fit) in the context of Rich Dad principles and its place among the other assets classes such as real estate business and commodities. The bulk of the book educates investors on "Andy's 4 pillars of stock market income" and effectively simplifies the four concepts to help investors begin to harness their power. The book concludes with ideas for an individual action plan suited to the goals of the reader
