"After her mother dies, Lina travels to Italy where she discovers her mother's journal and sets off on an adventure to unearth her mother's secrets"--

From a writer whose work has been called “breathtaking and dazzling” by Roxane Gay, this moving, illuminating, and multifaceted memoir explores, in a series of essays, the emotional scars we carry when dealing with mental and physical illnesses—reminiscent of *The Collected Schizophrenias* and *An Unquiet Mind*. In this stunning debut, Laura Lee weaves unforgettable and eye-opening essays on a variety of taboo topics. In “History of Scars” and “Aluminum’s Erosions,” Laura dives head-first into heavier themes revolving around intimacy, sexuality, trauma, mental illness, and the passage of time. In “Poetry of the World,” Laura shifts and addresses the grief she feels by being geographically distant from her mother whom, after being diagnosed with early onset Alzheimer’s, is relocated to a nursing home in Korea. Through the vivid imagery of mountain climbing, cooking, studying writing, and growing up Korean American, Lee explores the legacy of trauma on a young queer child of immigrants as she reconciles the disparate pieces of existence that make her whole. By tapping into her own personal, emotional, and psychological struggles in these powerful and relatable essays, Lee encourages all of us to not be afraid to face our own hardships and inner truths.

In fact, the more she pretends to be the luckiest woman alive, the more it feels like she might be. With Christina Lauren's “uniquely hilarious and touching voice” (Entertainment Weekly), *The Unhoneymooners* is a romance for anyone who has ever felt unlucky in love.

A modern classic for readers of THE BORROWERS - about eleven-year-old Edie Winter and her magical box of winged people that only children can see. When eleven-year-old Edie Winter finds a mysterious shoebox on the London Underground she's amazed to discover that it's home to a family of Flits - tiny winged people. But Impy, Speckle and Nid need Edie's help. Not only do they need supplies (rice crispies, sugar sprinkles, digestive biscuits and raisins) and someone to look after them, but their brother Jot has run away and they need Edie's help to find him. Set against the backdrop of London and its Underground network, EDIE WINTER AND THE BOX OF FLITS is a story about friendship, family and noticing the little things in life. With stunning black and white artwork throughout.
