In 1939, 21-year-old Kenjiro Takeda is on his way to the United States from Japan. His parents preceded him years earlier and are finally able to send for him. After his arrival, the progressive young man sees 18-year-old Patricia Middleton, a young black woman, and one look is enough. The two develop a very unlikely friendship that leads to an even more unlikely romance. This interracial romance novel follows their relationship as it is affected by racism in both families and society as a whole. The Second World War plays a major part in their lives, with Kenjiro being sent to Manzanar War Relocation Center, an interment camp for Japanese Americans, leaving Patricia behind to deal with an unplanned pregnancy. Book one of this historic series ends with the horrific bombings of Hiroshima and Nagasaki.

This is book 2 of the Evelina series. Things get even hot. Raised stakes and a matter of life or death. Mankind's existence rest on the shoulders of one woman. The Omega. The first woman has become the last woman. The only true seal. What if it was all planned before this world was created? To save all humanity, mankind must find the only true key; the Omega. On the other hand, to restore the lost kingdom of darkness, the devil must find the most wanted catalyst; The Omega. When everyone's fate is in your hands what are the risks to yourself? It is a dash against time as total obliteration of the losing team is imminent and inevitable. It is a story of courage, steadfast and honor in the face of death. When loyalty is tested to breaking points. When the person you are to protect is the same person you must kill to save humanity from extinction? Some choices are meant for gods as humans are too weak and unequipped to handle such traumatic experiences. One man's quest to solve God's Dilemma, but at what cost? One lady's quest to clear her name and enjoy life like every woman out there, but with what is at stake will the evil regime turn a blind eye? And at what expense? On the edge of the seat from the word go. A MUST READ.

LOVE YOU FOREVER is one of many personalized children's books by Live Well Media. God has been revealing to me that writing is an effective way for me to share my heart with Him; I feel encouraged to use it as a way to share his love and my faith in him with you. I have spent the majority of my life searching desperately for the missing piece to complete my life puzzle. The discovery of my life has been made....Jesus. From the bottom of my heart to the top of the highest mountain, I would like to proclaim to everyone who is alive, ?God loves you! God wants to be close to you! You are created for HIM! He his waiting with open arms and unending love for you! God forgives you! We can approach God with confidence in our Lord and Savior Jesus Christ. The idea of this book grew from a seed planted in my heart on November 9, 2012. While reading II Kings, God revealed to me an important role in my Christian life. God tells of King Hezekiah, who was aware of God's presence in past events, had a personal relationship with God via a powerful prayer life, and trusted in God's help for current events in his life. One thing he lacked was his concern for future generations. God convicted my heart that I was lacking this as well. Not sure what to do, I prayed that God would show me. A book. Since I will not be around forever to share my faith with future generations, I can share my faith through a book. This is the first and possibly the only book I will write; I will leave that up to God. This is a collection of prayers and writings regarding some truths God has revealed to me. An invitation to you...to draw near, speak to God about what is on your heart, then be still, and know that He is God. This is the sacrifice God wants from us. He wants us to share our heart with him and trust him and his word to guide our lives. Talk to God about anything you would a family member, best friend, co-worker, etc. God wants us to come to Him first.

A young woman holds her newborn son and sings to him. This is the story of how that little boy goes through life and becomes a man and how his mother's love never wavers. It will strike a chord with parents and children alike - to reassure a child of love in this picture book.
