

Lyles Laws

The Reporter and the Law is an insider's view of how the legal system and the press work together. Lyle Denniston begins from the premise that the law and its institutions are the public's business and that the journalist's responsibility is to appreciate, understand, and evaluate the legal process and to convey that reasoned comprehension to the public. To facilitate this task, Denniston dispels the cloud of mystery that surrounds legalese, defines the jargon of both the legal and the journalistic professions, and explains how each discipline depends on the other to perform its task properly. The first part of The Reporter and the Law explains the framework of the legal process, describes various methods a legal reporter may use to develop sources, and suggests how a reporter can live productively within the system of jurisprudence. The remainder of the book is a detailed "how to" manual which is beneficial to both the journalism student and the experienced reporter. Denniston carefully describes the best ways for a journalist to cover a trial and he analyzes each structural element of the trial for its optimum news potential.

Contents. -- Minor's Reports v.I. -- Stewart's Reports v. 1-3. -- Stewart and Porter's Reports v. 1-5. -- Porter's Reports v. 1-9. -- Alabama Reports v. 1-80.

Lyle's Laws Reflections on Ethics, Engineering, and Everything Else

Relied upon by students for over 25 years, this book continues to bring an

innovative, practical focus to modern land law, guiding the reader through real-life situations to illustrate rules and highlight problem areas. Clear diagrams, sample documents and further reading help students understand the law in context. Vols. for 1902- include decisions of the District of Columbia Court of Appeals and various other courts of the District of Columbia.

The opening chapters of this encyclopedic treatment deal with the Newberry County's formation, early settlers, soldiers, notable citizens, government institutions, and social and economic development, while later chapters are given over to biographies, cemetery inscriptions, family reminiscences and folklore. At the heart of the book is a long section devoted to genealogies of pioneer families of Newberry County.

See what is there, not what you wish for. • If you do things for the right reasons, you will probably do the right things. • Who you are is revealed by what you do when you are absolutely certain that no one will ever know you have done it.

These are just a few of the life principles explored with humor and humanity in the pages of Lyle's Laws. Drawn from decades spent in academia and industry, each of the 40 concise chapters offers insight into another aspect of life and work. The author brings a very personal dimension to his commentary by sharing anecdotes about growing up on a farm, parenting three children, and traveling the world. Without preaching, he offers ideas on—and acknowledges the

challenges of—conducting oneself appropriately, making good decisions, and navigating tough times. Educators and students will find Lyle’s Laws to be a useful guide for courses on professional ethics and career preparation. Less dry and formal than a conventional textbook, but with sufficient structure and focus to form a program of study, the book will resonate particularly strongly with those in the engineering and design professions, and managers in any field. The casual reader from any walk of life will find it thought-provoking and entertaining—and will be likely to pass it on to a friend.

Reproduction of the original: Jasper Lyle by Harriet Ward

Interesting, clear, and applied, BUSINESS LAW TODAY: THE ESSENTIALS is your concise guide to the law and what it means in the business world--from contracts and secured transactions to warranties and government regulations.
