Mohandas Gandhi was one of the world's great leaders who used nonviolent resistance to protest against the caste system. Readers will learn all about his life, Hinduism, and the amazing things he accomplished in this inspiring, Spanish-translated nonfiction biographical title. Children will be fascinated and enlivened through interesting facts, vivid images, a helpful timeline, and a glossary that assists in improving vocabulary.

During his campaign against racism in South Africa, and his involvement in the Congress-led nationalist struggle against British colonial rule in India, Mahatma Gandhi developed a new form of political struggle based on the idea of satyagraha, or non-violent protest. He ushered in a new era of nationalism in India by articulating the nationalist protest in the language of non-violence, or ahimsa, that galvanized the masses into action. Focusing on the principles of satyagraha and non-violence, and their evolution in the context of anti-imperial

movements organized by Gandhi, this fascinating book looks at how these precepts underwent changes reflecting the ideological beliefs of the participants. Assessing Gandhi and his ideology, the text centres on the ways in which Gandhi took into account the views of other leading personalities of the era whilst articulating his theory of action. Concentrating on Gandhi's writings in Harijan, the weekly newspaper he founded, this volume provides a unique contextualized study of an iconic man's social and political ideas.

Born in Germany in 1929, Anne Frank was a teenager during World War II.

Because Anne was Jewish, she and her family were forced to escape the terror of the Holocaust that swept the continent. Beginning in 1942, Anne kept a diary of the difficult journey of her family. See how Anne's family tried to escape the horror of the war, and how her diary became her best friend.

?This is the heroic story of the man whose non-violent movement transformed his native India both spiritually and politically as it impelled the nation along the road to independence. With consummate skill, in a narration that never flags in vividness and drama, Robert Payne re-creates Mahatma Gandhi both as a spiritual and historical force and as a living personality. When in January, 1948, Gandhi was assassinated in Delhi by a fanatic, his death sent shock waves around the world. For two generations he had been the conscience of his country and the world. Planting the idea of non-violence firmly in men's minds, he had not only conquered India but also changed the landscape of the human heart. In the tradition of his best-selling biographies of Lenin and Schweitzer, Robert Payne's life brings Gandhi alive as a rounded personality. Beginning with the moving story of a shy, awkward boy from a provincial Indian city who married at Thirteen, then was separated from his bride for years while he read law in

Acces PDF Mahatma Gandhi Facts And Surprising Unknown Stories India History Gandhis Biography Summary And Short Inspirational Stories Indian History

London, the book describes Gandhi's life as a successful barrister in South Africa who turned his back on wealth to defend Indian settlers against discrimination and persecution. Robert Payne superbly describes Gandhi's daring marches to aid the oppressed; his fasts and imprisonments; his historic achievements at international congresses and conferences in India and England where, clad only in shawl and loincloth, he met with prime ministers and viceroys and won their respect as he fought for the dignity and freedom of his people. "I would place Robert Payne's book on the level of a great novel by Tolstoy, swiftly moving, panoramic, writ on the canvas of destiny and of close historical characterization," writes Dr. Amiya Chakravarty, former private secretary of Rabindranath Tagore, who knew Gandhi personally and worked with him. "It is one of the great biographies. No finer account of Gandhi's life and death has been written."

"Mohandas Karamchand Gandhi was born at a time when his home country was choked under the oppression of British rule. Many thought that violence was the only way to fight back, but Gandhi disagreed. Instead, he successfully used his teachings of non-violence and civil disobedience to win his country's freedom, and to promote his philosophy of peace and equality. In this biography for kids ages 8-12, see how Gandhi--called Mahatma, or 'great soul,' by his many followers--changed the world through his words and deeds"--Publisher marketing.

God first. "Get the FACTS gives practical ways to build a biblically based relationship and show couples how to begin as friends. This book can be used as a manual for small groups or for a Bible study." —Chaplain Milton S. Herring, author, Mobilizing the Army of God

Rabindranath Tagore, an icon of humanism and universalism who always privileged India's argumentative traditions, remains a source of inspiration for humanity. However, Tagore's social and political ideas appear to have received inadequate attention presumably because of the hegemonic influence of derivative Western ideas and thoughts. This is where Tagore stands out, not only as a poet but also a visionary who charted a course of action in tune with human betterment, cutting across all kinds of man-made barriers and customary restrictive social, economic and political practices. Socio-political Thought of Rabindranath Tagore presents a comprehensive and detailed analysis of the socio-political, socio-economic and ideological preference of Tagore, with emphasis on nationalistic, inclusive and gender development ideas. It shows that Tagore's socio-political ideas continue to remain relevant not merely as a package for intellectual rejuvenation but also as a meaningful device for socio-economic transformation for the world.

subsequent evolution of his philosophy and theory of nonviolent civil disobedience. The author traces Gandhi's maturation from a tongue-tied novice to a competent professional, from civil rights lawyer to freedom fighter, finally integrating his principles of morality and spirituality into his political life"--Provided by publisher.

Gandhi (1869-1948) was one of the few men in history to fight simultaneously on moral, religious, political, social, economic, and cultural fronts. During his time as a lawyer in South Africa he developed his strategy of non-violence: the idea of opposing unjust laws by non-violent protest, which he made the basis of his successful struggle against British rule in India. In this Very Short Introduction to Gandhi's life and thought, Bhikhu Parekh outlines both Gandhi's major philosophical insights and the limitations of his thought. He looks at Gandhi's cosmocentric anthropology, his spiritual view of politics, his unique form of liberal communitarianism, and his theories of oppression, non-violent action, and active citizenship. He also considers how the success of Gandhi's principles was limited by his lack of coherent theories of evil, and of state and power, and how his hostility to modern civilization impeded his appreciation of its complexity. Gandhi's life and thought has had an enormous impact both within and outside India, and he continues to be widely revered, as one of the greatest moral and political leaders of the twentieth century. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. They will think about these words, write what is most interesting about them, and apply the words to their own life in jail/prison. This book also has another forty pages focused on anger, with questions like: What stupid things have you done while angry? What words should you never say in jail/prison when you are angry? What are the consequences of hitting someone in jail/prison when you are angry? Where can you go in jail/prison when you're angry and need to calm down? Did your anger get you into jail/prison? Where does your anger come from? Is it okay to blame someone else for "making you angry"? Are there safe ways to empty your angry feelings while in jail/prison? Is anger a good or bad emotion? Is it okay to be angry with a guy in another cell? Why might you be angry with yourself? How can you stop being angry in jail/prison? And more. And there are forty more pages personalizing things: What words and action led up to that angry moment? What words did they say or actions they do after they felt the anger? How did their reaction make the situation better or worse? This is the most important section of this book, helping your loved one analyze what they do when they are angry and whether it has the effect they are hoping for. Kapur Commission Report deals with the Conspiracy to Murder of Mahatma Gandhi who was shot dead point-blank range by Nathuram Vinayak Godse in Birla House Prayer Gardens on 30th January 1948. Three among the eight accused i.e. Madanlal, Karkare, and Gopal Godse were released on 12th October 1964 after completion of their life-sentence and honoured on November 12, 1964 in Pune at a private function presided by Dr. G.V. Ketkar. In that function, Delhi and Bombay Civil and Police administration were strongly condemned for their laxity and dereliction of duty which ultimately resulted in the murder of Mahatma Gandhi. The Indian Express dated November 14, 1964 commented adversely about this function. There was a furore in Bombay Legislative Assembly and Indian Parliament which led the institution of Kapur Inquiry Commission. The Commission's report was made public in 1970s. This digitised Report in two parts is an indispensable one for Judicial Officers & Police Officials, Lawyers & Students of Legal Studies, Historians & Human Right Activists, and above all for Indian Politicians & Bureaucrats in discharging their official duties without any commission or omission and comprehending the social responsibility that is to be shouldered as and when required in times of crisis. By S. PADMAVATHI and D.G. HARIPRASATH.

"The literature on Gandhi and Martin Luther King is vast, and scholars often

speak of the two leaders when discussing theories of non-violence. Yet, no attempt has yet been made to understand the way in which Gandhi and King's socio-political ideas converge in terms of their origins, development and application. In Confluence of Thought, Bidyut Chakrabarty argues that there is a confluence of thought between Gandhi and King's concerns for humanity and advocacy of non-violence, despite their different historical and socio-economic contexts. He says that these two figures are perhaps the best modern historical examples of individuals who combined religion with the political to produce a dynamic social ideology. Gandhi saw service to humanity as the path to 'self-actualization' and thus spiritually most fulfilling; similarly, King pursued religion-driven social action. Chakrabarty looks particularly at the way in which each deployed religious and political language to draw the widest possible membership to their social movements. While Chakrabarty points out that neither thinker was able to fulfill his chosen mission, both suffering death by assassination, he positions the two as the premier modern influences on theories of non-violence today"--
