Selling on eBay seems simple enough You post a few items for sale, wait for the bids to start rolling in, collect the cash, and mail out the items you sold. Sounds easy enough, doesn't it? Unfortunately, things get a bit more complicated when you start eBay-ing in real life. Writing good listings that make buyers want to pull the trigger on your items isn't easy. Taking good pictures that show your items in the best light can be harder than you think. Pricing your item to sell can seem a bit like rolling the dice. Selling on eBay is serious business. If you want to be successful, you need a plan going into each and every listing. You need to research every item before you list it for sale. You need to know what it costs to sell each item, and how you're going to ship it. And finally, you need to understand which listing format is right for each item you list. That's what List, Sell, Profit is all about. It puts the easy back into eBay by giving you the help and advice you need to get over the speed bumps that can block your road to success.

The book starts out a little bit like an Amway presentation. Blakely introduces the book by telling you how easy his system is and how anyone can do it. Then he gets you to start thinking about the money you can make and all the things you can do with that money, to get you excited about actually following his advice and going out to make money by 'garage sailing.' I think Amway calls that building the dream. After he has you excited about the money you are going to make, Blakely gets into the nuts and bolts of his system. Blakely has a system of going out on Saturdays and shopping as many garage sales and yard sales as he can to buy items at very low prices. Then he resells the items online for a profit. It's a pretty simple concept, but there are a lot of details that are important if you want to be successful at it, and Blakely covers them very well in this book. It's an easy read, full of very useful information. If you want to try buying and selling for profit, then this is a great book for you and I highly recommend it.

Reviews "Robert, WOW! You've done it again! eBay Selling Tips is the mother lode: an A-Z book that packs a punch for anyone with stuff to sell and not much time to sell it! Written for dummies or advanced, you've included everything - it's the bible for writing compelling ads. If anyone wants to make a wad of cash on eBay, they need to keep a copy close by!" Mari Smith Infopreneur and Success Coach www.marismith.com ..".a masterpiece deserving special place in the market among the various books about eBay. Why? Because this book is of tremendous practical help to eBay sellers. The author makes the point in his introduction that there are major challenges with marketing and making money on eBay and now he helps others easily overcome the hurdles that limit their cash flow and profits. As always, Robert Boduch over-delivers. He shows how eBay sellers can become super-sellers, securing bigger profits through their successful listings relying on super ads. Attached to the golden, practical ideas and approaches generously offered are 'before and after' benefits -- which make this book unique. The author also paints a clear picture of the eBay reality, explaining why eBay it is a world leader in Internet selling. This kind of knowledge is crucial for approaching eBay in the most effective way. As a side benefit, readers not only learn eBay Selling Tips, but what makes advertising effective in general. Buyers will obtain the knowledge which allows them also to start creating irresistibly responsive ads in other fields of marketing. The writing style provides a smooth, easy flow that makes reading enjoyable. It's a short, 160-page volume, but readers will discover many tips and strategies available to everyone to open the gate to maximum profits on eBay." Stefan Pecho, PhD.

Bratislava, Slovak Republic Anyone can sell on eBay... and everyone should. But take the time to learn the basics first. Did you know that the single most important factor to success on eBay is WHAT you have to offer? That's right. Sell what other people really want and you've given yourself a huge advantage. It used to be that you could list anything here and it would fetch good -- sometime outrageously good money. But for most of us, those days are gone. Offer what people want and present it with a compelling description. That's how you attract lots of bids and eager buyers --- driving your selling prices and profits higher. And that's exactly what eBay Selling Tips is all about. In this book, you'll learn: * A simple, 2-minute solution to uncovering all the product information you need to write a dynamite eBay description - on the spot! (I guarantee you this: anyone struggling to write a 5-minute listing simply missed this crucial first step) * REVEALED! The 2 most important things every potential buyer MUST know about you before placing a bid... and how to address both issues quickly and decisively * The one secret of communication you must use to capture your prospect's attention... keep 'em interested... and motivate these qualified potential buyers to take the action they need to take to get what they want * Secrets top publications like the Wall Street Journal use to keep readers reading and how you can apply these simple - but extremely effective - techniques instantly * How to build your own audience of enthusiastic customers who can't wait to hear what you have to offer next.(It's the secret to getting 10 times as many visitors and creating tons of excitement!) * Why first impressions mean everything to your results. (Here's how to create an attention-grabbing eBay listing that stops prospects cold - and then warmly pulls them inside.) * 5 "no-brainer" ways to write a small eBay listing that makes a BIG impression! * and much MORE!

There are many books out there that can help you sell on eBay. But they are not for everyone, nor are they easy to understand. Do you sell the odd item here and there on eBay? Want to sell a whole lot more and bring in the cash? This book has been written in plain and simple talk by two Aussies that make money on eBay. Good money. And we have fun while doing it. Learn how we started out with a small eBay income and increased it tenfold in a matter of months. We discuss every step of our eBay process, how we do it, and why we do it. #1 Amazon Best Seller: The Secrets To Easily Making Thousands of Dollars A Month on eBay Right From Home! Do you want to be able to work from home, create your own hours, do what you want when you want to? Sure, sounds too good to be true right? The only people that make this kind of money is VPs and CEOs, right? Are you under the impression that the only way to make money in this world is to work a 9-5 job just as you've been told? That you must constantly work harder and harder in hopes of someday finally getting ahead? Grasping onto a belief that if you work hard enough and long enough that you'll be able to create freedom for yourself and finally live the life you have always wanted? Listen, I realize that this type of mentality and set of beliefs is easy to buy into and that it is really hard to break free from - believe me, I used to think the same thing myself. I believed that all of these alternative methods of making money were scams, that they were too good to be true. Luckily, I decided to give these new methods of making money a try, first stocks and then e-commerce and I've never looked back. What you need to understand is that The World We Live In Is Not The World Of Our Parents, It Is Not The World Of Strict Careers Nor Is It A World Where You Are Restricted To Having A Job That Only Brings You A Paycheck And Nothing More. We live in a new age with so many opportunities for making a living at our fingertips - one being the internet. The advent of the internet and sites such as eBay that allow sellers to reach a worldwide marketplace with the click of the mouse is something that would have been unfathomable 25 years ago. From my home computer, I sell items to people all over the world, all day long while I sit back and collect the checks. I'm not a computer genius, I don't have my MBA, and I don't make my own products. I'm simply a believer of the system and a disciplined, driven person. I'll be honest with you, I can't promise you that you'll make a million dollars over night with eBay. But I can promise you that if you follow my guidance, follow my step-by-step formula for making money on eBay, that you will easily make enough money that your life will be changed dramatically for the better. Once I show you just how easy it is to build an eBay business from the ground up and Start Making Real \$\$\$\$ Fast you'll be mad you didn't start sooner. Please, break free of this foolish mindset that your current life is the only way and take my hand in the realm of e-commerce. I promise, you won't ever look back.
