Do you want to be a YouTube star? Do you dream of sharing your life and passion with the world on YouTube, but don't know where to start? If you want to be a vlogger, live streamer, or any type of content creator, my book is for you! In my book, YOU can be a YouTube Star, I will teach you exactly how to start, run, and grow a successful YouTube channel. Being a YouTube content creator can be a great opportunity for earning a side income or making it your full-time job. The first step in the journey is buying this book! These things take hard work. Behind all of those fancy and happy YouTubers you see on-screen are hours and hours spent poring over guidelines, rules, algorithms, SEOs, and technical stuff that the viewers don't really see when a video goes up. A lot of hard work goes into content before and after hitting that Upload button, so while I'm here to help you create your own YouTube channel and be a star yourself, I hope that knowing all of these challenges makes you develop a better appreciation and newfound respect for what other YouTubers do out there. My book covers all aspects of starting a YouTube channel from account creation, to branding, to marketing, promotion, and subscriber growth. The first section of the book will teach you all about the traits of a successful YouTube channel. Next, I will show you step by step just how to go about setting up your YouTube channel. Then, we'll discuss branding. Deciding on your brand and how that is received by viewers is probably THE most important thing to get correct when taking on this venture. We will talk about thumbnails, color choices, your target market, and everything about the look and feel of your channel and what that conveys. But - before you can make money, we'll talk about picking and using the right technology for your purposes. We will talk about cameras, editing software, and how to upload a video. You'll have to get viewers and subscribers before you can even begin to profit from your videos. I will show you what the YouTube algorithm is all about and how to use keywords and metadata to your advantage. Finally, last but not least, I will give you some final tips and tricks to enhance your YouTube career. In the end, I would say, create something that you can be proud of. Share yourself, your passion, your creativity with the world. You might be surprised at the result! If you're serious about becoming a YouTuber, you will want to add this title to your reading list. Be sure to click "Buy Now," so you can start on your content creation dream!

Whether you're looking to make a career out of flipping homes or see it as a part-time venture, you can make fast money legitimately. Before you get started, you need to know the right way to flip, regardless of local market conditions and current economic trends. There's more to flipping than redoing a kitchen or staging a property. Every deal is different, and each investor must have a clear business strategy. Expert investors William Bronchick and Robert Dahlstrom have learned how to be successful in all types of markets—and now they share their secrets with you. From the bestselling authors of Flipping Properties, which brought the term "flipping" to American households, The Business of Flipping Homes is an A-to-Z guide for both new and seasoned investors. The book explains what flipping is and isn't, goes beyond the investment of a basic single-family home, and demonstrates how to find, renovate, and sell properties using proven methods. With more than 40 years combined experience in buying and selling investment properties, Bronchick and Dahlstrom explain how to avoid many of the pitfalls and issues that could drain your funds and come back to haunt you. They give systematic approaches on long-term planning, including how to find and work with partners, structure a business, and utilize your specific talents, resources, and aspirations in realistic ways. You'll learn how to figure out timelines, work with real-estate agents, understand the paperwork, analyze the numbers, utilize technology, and,
