Larger Print Edition! The number one complaint about the Interlinear Hebrew Greek English Bibles by Jay P. Green, Sr. has been the size of the type. This new printing is in a larger type size, much more readable for long hours of study without the eye strain. This has all of the content of the 4 Volume Interlinear Bible Set that has been published since 1985 and all the content of the 2000 Interlinear New Testament. The only complete interlinear Bible available in English-and it's keyed to Strong's Exhaustive Concordance! Thousands of pastors, students, and laypeople have found The Interlinear Bible to be a time-saving tool for researching the subtle nuances and layers of meaning within the original biblical languages. Featuring the complete Hebrew and Greek texts with a direct English rendering below each word, it also includes The Literal Translation of the Bible in the outside column. But what truly sets this resource apart are the Strong's numbers printed directly above the Hebrew and Greek words. Strong's numbers enable even those with no prior knowledge of Greek or Hebrew to easily access a wealth of language reference works keyed to Strong's-Greek/Hebrew dictionaries, analytical lexicons, concordances, word studies, and more. The Hebrew is based on the Masoretic Text and the Greek is from the Textus Receptus. The sources of the texts are documented in the preface, and are essentially the same (with some minor variations) to the Hebrew and Greek texts used by the KJV translators. Only a small minority of Bible students ever achieve the ability to read the original biblical languages. This resource offers a non-threatening tool for those lacking language training to begin exploring the languages of Scripture. . Offering a concise, literal translation of each Greek and Hebrew word, it's a great jumping off point for in-depth Bible study and text analysis. This Bible displays all the Hebrew, Aramaic, and Greek words of the Bible in the Masoretic Hebrew Text and the Received Greek Text, with literal, accurate English meanings placed directly under each original word in interlinear form, with Strong's Concordance numbers over each original word, enabling the Bible student (whether knowing the original languages or not) to refer to all lexicons and concordances that have also been coded with Strong's numbers. 2,936 pages, bound in a bonded leather over boards hardback edition. This new edition has been much improved by a new typesetting of the New Testament (Volume IV), with larger print, the left marginal column containing a newly revised Literal Translation of the Bible (2000), and a right marginal column containing the Authorized/King James Version (1769). The three volume Old Testament is an exact reprint of the 1985 Hendrickson Publishers Edition but in larger print. The Old Testament does not yet have the 1769 King James Version. The only complete Interlinear Bible is now fully keyed to Strong's Concordance numbers. The Strong's numbering above each Hebrew and Greek word - along with the Interlinear text and marginal literal English Translation and the 1769 Authorized King James Version - opens a treasure house of Bible study possibilities for those who wish to understand the Scripture better. It's use will allow the novice student to read the original text without losing valuable time to look up the meaning of the Hebrew & Greek words in the Hebrew & Greek lexicons. There is no substitute for a first hand knowledge of the original text. However since only a small minority of Bible students retain an easy reading comprehension of the original text, the Interlinear Bible is a welcome aid to Bible students, laymen, and pastors who wish to continue working with the original languages.

- Já encontrou o seu Deus? A pergunta da enfermeira, quando lhe tirava sangue para análises, deixou Eric Weiner em pânico. Estaria às portas da morte? Na sala das urgências, enquanto esperava que o médico voltasse, o escritor começou a pôr tudo em causa. Felizmente, tudo não passara de um susto, porém, a pergunta recusou-se a abandoná-lo: Já encontrou o seu Deus? Eric tinha mais dúvidas do que certezas. Se nem conseguia escolher um par de meias, como poderia saber se Deus existia ou não? Obcecado pelas respostas, o autor de A Geografia da Felicidade decidiu fazer-se novamente à estrada. Começa aqui a nova aventura do jornalista, que o leva da Turquia (onde
