Buy a new version of this Connected Casebook and receive access to the online e-book, practice questions from your favorite study aids, and an outline tool on CasebookConnect, the all in one learning solution for law school students. CasebookConnect offers you what you need most to be successful in your law school classes - portability, meaningful feedback, and greater efficiency. Jesse Dukeminier's trademark wit, passion, and human interest perspective has made Property, now in its Ninth Edition, one of the best--and best loved--casebooks of all time. A unique blend of authority and good humor, you'll find a rich visual design, compelling cases, and timely coverage of contemporary issues. In the Ninth Edition, the authors have created a thoughtful and thorough revision, true to the spirit of the classic Property text. Key Benefits: A new chapter on the Intellectual Property/Property relationship, that gives students a taste of patent law, copyright law, trademark law, and trade secrets law. The chapter highlights

the differences and similarities among the legal treatment of real, chattel, and intellectual property. A dynamic, two-color designed casebook that encompasses cases, text, questions, problems, examples and numerous photographs and diagrams. Extended coverage of major recent Supreme Court decisions, including *Murr v. Wisconsin*, *Horne v. Department of Agriculture*, and *Marvin M. Brandt Revocable Trust v. United States*. CasebookConnect features: ONLINE E-BOOK Law school comes with a lot of reading, so access your enhanced e-book anytime, anywhere to keep up with your coursework. Highlight, take notes in the margins, and search the full text to quickly find coverage of legal topics.

PRACTICE QUESTIONS Quiz yourself before class and prep for your exam in the Study Center. Practice questions from Examples & Explanations, Emanuel Law Outlines, Emanuel Law in a Flash flashcards, and other best-selling study aid series help you study for exams while tracking your strengths and weaknesses to help optimize your study time. **OUTLINE TOOL** Most professors will tell you that starting your outline early is key to being successful in your law school classes. The Outline Tool automatically populates your notes and highlights from the e-book into an editable format to accelerate your outline creation and increase study time later in the semester.

For over twenty-five years, *The Best American Sports Writing* has been a

showcase for the most exceptional sports journalism of the previous year, selected by an acclaimed guest editor. Represented in this year's collection are giants in the field as well as up-and-coming writers to watch--the only shared traits among the diverse styles and voices are the extraordinarily high caliber of writing and the pure passion they tap into.

Listings for Prop Houses and Costume Rental Houses are shortened to one or two lines to save space. Their full contact information is located within the Prop House and Costume Rental Houses categories only.

This book aims to explain social variation in language, otherwise the meaning and motivation of language change in its social aspect. It is the expanded and improved 2nd edition of the author's self-published volume with the same title, based on revised and adapted posts on the author's Languagelore blog. Each vignette calls attention to points of grammar and style in contemporary American English, especially cases where

language is changing due to innovative usage. In every case where an analysis contains technical or recondite vocabulary, a Glossary precedes the body of the essay, and readers can also consult the Master Glossary which contains all items glossed in the text. The unique form of the book's presentation is aimed at readers who are alert to the peculiarities of present-day American English as they pertain to pronunciation, grammar, and style, without "dumbing down" or compromising the language in which the explanations are couched.

"Praise for the First Edition "Michael Shapiro is one of the great thinkers in the realm of linguistics and language use, and his integrated understanding of language and speech in its semantic and pragmatic structure, grammatical and historical grounding, and colloquial to literary stylistic variants is perhaps unmatched today. This book is a treasure to be shared." Robert S. Hatten, The University of Texas at Austin "Jewel of a book. . . a gift to us all from Michael Shapiro. Like a Medieval Chapbook it can be a kind of companion whose vignettes on language use can be randomly and profitably consulted at any moment. Some may consider these vignettes opinionated. That would be to ignore how deeply anchored each vignette is in Shapiro's long and rare polyglot experience with language. It could well serve as a night table book, taken up each night to read and reflect upon—to ponder—both in the twilight mind and in the deeper reaches of associative somnolence. There is nothing else like it that I know of." James W. Fernandez, The University of Chicago

This book is an essential resource for anyone who wants to understand race in America, drawing on research from a variety of fields to answer frequently asked questions regarding race relations, systemic racism, and racial inequality. This work is part of a series that uses evidence-based documentation to examine the veracity of claims and beliefs about high-profile issues in American culture and politics. This particular volume examines the true state of race relations and racial inequality in the United States, drawing on empirical research in the hard sciences and social sciences to answer frequently asked questions regarding race and inequality. The book refutes falsehoods, misunderstandings, and exaggerations surrounding these topics and confirms the validity of other assertions. Assembling this empirical research into one accessible place allows readers to better understand the scholarly evidence on such high-interest topics as white privilege, racial bias in criminal justice, media bias, housing segregation, educational inequality, disparities in employment, racial stereotypes, and personal attitudes about race and ethnicity in America. The authors draw from scholarly research in biology, genetics, medicine, sociology, psychology, anthropology, and economics (among many other fields) to answer these questions, and in doing so they provide readers with the information to enter any conversation about American race relations in the 21st century as informed citizens. Addresses beliefs and claims regarding race and ethnicity in America in an easy-to-navigate question-and-answer format Draws from empirical research in a variety of scholarly fields and presents those

findings in a single, lay-friendly location to aid understanding of complex issues
Provides readers with leads to conduct further research in extensive Further Reading sections for each entry Examines claims made by individuals and groups of all political backgrounds and ideologies

Obituaries in the Performing Arts, 2017 McFarland

Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.

? The entertainment world lost many notable talents in 2017, including iconic character actor Harry Dean Stanton, comedians Jerry Lewis and Dick Gregory, country singer Glen Campbell, playwright Sam Shepard and actor-singer Jim Nabors. Obituaries of actors, filmmakers, musicians, producers, dancers, composers, writers, animals and others associated with the performing arts who died in 2017 are included. Date, place and cause of death are provided for each, along with a career recap and a photograph. Filmographies are given for film and television performers. Books in this annual series are available dating to 1994—a subscription is available for future volumes.

List for Fiction * Longlisted for the National Book Award for Fiction * Named a Best Book of 2017 by NPR, The Guardian, Vogue, Esquire, Kirkus Reviews, Philadelphia Inquirer, BookPage, Bustle, Southern Living, and St. Louis Post-Dispatch “Immensely satisfying...an old-fashioned page-turner, tweaked by this witty and sophisticated writer...Egan is masterly at displaying mastery...she works a formidable kind of magic.” —Dwight Garner, The New York Times The daring and magnificent novel from the Pulitzer Prize–winning author of *A Visit from the Goon Squad*. Anna Kerrigan, nearly twelve years old, accompanies her father to visit Dexter Styles, a man who, she gleans, is crucial to the survival of her father and her family. She is mesmerized by the sea beyond the house and by some charged mystery between the two men. ?Years later, her father has disappeared and the country is at war. Anna works at the Brooklyn Naval Yard, where women are allowed to hold jobs that once belonged to men, now soldiers abroad. She becomes the first female diver, the most dangerous and exclusive of occupations, repairing the ships that will help America win the war. One evening at a nightclub, she meets Dexter Styles again, and begins to understand the complexity of her father’s life, the reasons he might have vanished. “A magnificent achievement, at once a suspenseful noir intrigue and a transporting work of lyrical beauty and emotional heft” (The Boston Globe), “Egan’s first foray into historical fiction makes you forget you’re reading historical fiction at all” (Elle). *Manhattan Beach* takes us into a world populated by gangsters, sailors, divers, bankers, and union men in a dazzling, propulsive exploration of a transformative moment in the lives and identities of women and men, of America and the world.

American Lit Remixed argues that literary texts use music to combat the artifice and alienation of the digital age. Works by well known authors and less familiar ones draw from mixtapes, remixes, vinyl records, and cassettes to reinvent identity and community, as well as literary form.

Indexes are arranged by geographic area, activities, personal name, and consulting firm name. “An excellent overview on the huge cultural influence Hawaii actually had and still has.”—popcultureshelf.com “At last, someone takes Hawai’i seriously, combining a scholar’s eye and a fanatic’s devotion to showing how small islands in the middle of nowhere changed our world, making it a richer and better place.”—Jerry Hopkins, author, *The Hula, Romancing the East* and *No One Here Gets Out Alive* How did Hawaiian and Polynesian culture come to dramatically alter American music, fashion and decor, as well as ideas about race, in less than a century? It began with mainland hula and musical performances in the late 19th century, rose
