Reports for 1863-90 include accession lists for the year. Beginning with 1893, the appendixes consist of the various bulletins issued by the Library (Additions; Bibliography; History; Legislation; Library school; Public libraries)

This book is a collection of recipes from the Marx Family in North Dakota. It was written as a gift to the family on behalf of Donna Bolan.

Even a short list of Bette Davis's most famous films -- Of Human Bondage; Jezebel; Dark Victory; The Private Lives of Elizabeth and Essex; Now, Voyager; All About Eve; What Ever Happened to Baby Jane? -- reveals instantly what a major force she was in Hollywood. Her distinctive voice, her remarkable eyes, her astonishing range and depth of characterization -- all these qualities combined to make Bette Davis one of the finest performers in film history. Drawing on extensive conversations with Bette Davis during the last decade of her life, Charlotte Chandler gives us a biography in which the great actress speaks for herself. (It was she who suggested that Chandler write this book.) Chandler also spoke with directors, actors, and others who knew and worked with Davis. As a result Davis comes to life in these pages -- a dynamic, forceful presence once again, just as she was on the screen. Though she owed everything to her mother, Ruthie, Bette Davis remained fascinated all her life by her hard-to-please father, who walked out on his family. She remembered the disappointment -- which never left -- over her father's lack of interest in her, and she believed that her resentment of him was probably a major factor in her four failed marriages: she kept putting her men in a position where they would eventually disappoint her. She spoke happily of her love affairs with

Howard Hughes and William Wyler; she recalled her leading men, favorite co-stars, and unloved rivals; and she took great care to refute the persistent Hollywood legend that she was difficult to work with. Alone and ill, she faced her last days with bravery and dignity. *The Girl Who Walked Home Alone* is a brilliant portrait of an enduring icon from Hollywood's golden age and an unforgettable biography of the real woman behind the star.

Eleanor Marx is one of the most tragically overlooked feminist intellectuals in history, usually overshadowed by her father, Karl Marx. But not only did she edit, translate, transcribe and collaborate with her father, she also spent her extraordinary life putting his ideas into practice as a labour organizer, feminist radical, and Marxist theorist. The outstanding exception to the omission of Eleanor Marx from history is Yvonne Kapp's highly acclaimed biography. First published at the height of feminist organizing in the 1970s, Kapp's work brilliantly succeeds in capturing Eleanor's spirit, from a lively child opining on the world's affairs, to the new woman, aspiring to the stage, earning her living as a free intellectual, and helping to lead England's unskilled workers at the height of the new unionism; being always more than, yet at the same time inescapably, Karl Marx's daughter. It is also, inevitably, an unrivalled biography of the Marx household in Victorian London, of the Marx circle, and of Friedrich Engels, the family's extraordinary mentor. During today's resurgence of feminist writing, organizing, and protesting, Kapp's foundational single-volume biography serves as a crucial corrective to a narrative that puts feminists and marxists on opposing sides of radical history.

Mostly Morgenthau is the intimate portrait of an extraordinary American family, which included an ambassador, a cabinet member, prominent businessmen and a Pulitzer Prize-winning historian. Reaching back to the eighteenth century, Henry Morgenthau III tells the story of this Jewish family, tracing the careers of his great-grandfather, the dynamic but unstable Lazarus Morgenthau (1815-1897), who in 1866 transported his family to New York after making and losing a fortune in Mannheim, Germany; his grandfather, the determined Henry Sr. (1856-1946), who recouped the family fortune and retired from business in midlife to devote himself to public service as ambassador to Turkey and plenipotentiary throughout the Armenian crisis of 1913-15; and his father, the diffident Henry Jr. (1891-1967), who became one of the country's most influential men and, as secretary of the Treasury under FDR, one of the first Jews to serve in the cabinet. From his privileged vantage point, the author describes the Bretton Woods Conference, the controversial Morgenthau Plan, the scandal surrounding Harry Dexter White, his parents' remarkably close friendship with Franklin and Eleanor Roosevelt, his sister Joan's spectacular White House coming-out party, the encounter his cousin — historian Barbara Tuchman — had with Roosevelt, and the career of his younger brother, Robert Morgenthau, US district attorney in New York. He also provides an inside picture of the remarkable German-Jewish families — the Strausses, Lehmans, Ochses, Guggenheims, Wertheims — who played important roles in American life. "Henry Morgenthau

3d has written a remarkable book — an admiring but still often critical account of an important American family by one of its members... The story of the Morgenthau is classic immigrant history.” — Arthur Hertzberg, *The New York Times* “[A] fondly detailed, often humorous, intimate family memoir, covering the Horatio Alger-like rise of an immigrant family to affluence and influence in the New World... [with] a darker, more troubling subtext. As New York’s German Jews emerged from the cocoon of poverty, they struggled to camouflage any traces of ethnicity that might distinguish them from the predominantly Christian community...” — Stephen Birmingham, *Washington Post* “A fourth-generation Morgenthau pens a lively and engaging biography of his family of high achievers, overlaid with a fresh view of changing Jewish acculturation during the past two American centuries... From letters and family stories, the author assembles a gripping and tragic account of the 1915 Armenian massacre... Thirty years later, during WW II, the author’s father, Henry, Jr. — FDR’s secretary of the treasury — presented a scathing report to the President on the ‘Acquiescence of the Government to the Murder of the Jews’ with equal lack of effect. Personal history that opens to a larger cultural and political account of the 20th century: fluent and passionately humane.” — *Kirkus Reviews* “Storybook histories of old-line German-Jewish families in America resemble one another to a remarkable degree... Mostly Morgenthau, the latest and one of the most interesting examples of this genre, dissents from the storybook version of events in numerous ways... this volume reminds us that American Jewish history is remarkably unpredictable, and surprises abound.” — Jonathan D. Sarna, *Commentary Magazine* “Sprinkled with backroom revelations of the New Deal, this dramatic family saga focuses on three patriarchs, each driven by a sense of destiny... This history of a resilient family includes closeups of FDR, Al Smith, Ike, Eleanor

Roosevelt and the author's brother, Manhattan district attorney Robert Morgenthau." — Publishers Weekly "Insider family chronicles rarely offer the richness and luster with which the reader is rewarded in Mostly Morgenthau... This personalized account is both moving and fascinating. As the only recent examination of the Morgenthau's impact on American history, as an intimate portrait of prominent immigrant society during America's Gilded Age, and as a model for those tracing their cultural roots, this makes good history..." — Library Journal "With the Roosevelts and the Kennedys, the Morgenthau are a family greatly and famously in the service of the Republic. This book, partly family history, partly personal memoir, adds in a charming way to the story." — John Kenneth Galbraith "The Morgenthau were one of those great German-Jewish families who broke through the snobbish anti-Semitism of the WASP mainstream in the nineteenth and early twentieth centuries to become a force in American public life. This is a charming, intimate portrayal of three fascinating generations in American history." — Peter Grose "I have found Mostly Morgenthau a marvelously engrossing and richly informative account of how a distinguished American family moved from Judaism to assimilation and back to Judaism once more. In his four-generation story, Henry Morgenthau III discusses his forebears with an admirable mix of affection and clear-sightedness. Not the least of the book's attractions are the lively, first-hand vignettes it offers of New York's German-Jewish patriciate and of FDR and Eleanor Roosevelt at work and play. Infinitely rewarding, meticulously wrought, Mostly Morgenthau is a model of family history, a tour de force in a tricky and taxing genre." — H. Stuart Hughes "A fascinating volume, I am gratified that Henry Morgenthau has made the time and the effort to chronicle one of the most interesting émigré families with a background in this country of nearly two centuries." — Abram

Marx Girl

Containing footnotes and an extensive bibliography, this edition of Franz Mehring's classic biography is designed to assist the English-speaking reader towards a better understanding of Marx, his work and a history of Marxism. The book is divided into parts as follows: Early Years; A Pupil of Hegel; Exile in Paris; Friedrich Engels; Exile in Brussels; Revolution and Counter-Revolution; Exile in London; Marx and Engels; The Crimean War and the Crisis; Dynastic Changes; The Early Years of the International; 'Das Kapital'; The Zenith and Decline of the International; The Last Decade.

Eleanor Marx has disappeared. In this engrossing novel, we follow Sherlock Holmes as he tackles his most difficult case. He must find Karl Marx's favorite daughter and return her to the house of her father. At the behest of Frederick Engels, Holmes undertakes the search for Eleanor that leads him into a world he has never encountered before, the fascinating Bohemian intellectual world of London in 1881. With his trusted friend Dr. Watson in tow, Holmes traces Eleanor's trail from the dark archives of the British Museum library to Klemscott House, where the socialists of the day meet. Along the way he encounters such luminaries of the period as George Bernard Shaw, Beatrice Potter, and William Morris as they debate art and politics. Are the sins of the father

## Read Free Marx Girl

visited upon the children? As Watson notes of Eleanor, "To look at her is to be reminded of Marx in his youth--eyes alert and poetic, her spirit ardent and self-sacrificing, her intelligence extraordinary." But in what other ways does she resemble her father, and has her life been shaped by his? As Holmes gathers the evidence and follows the path of our heroine, it soon becomes clear to him that Eleanor Marx's fate, and the outcome of this mystery, may have been determined long ago by her father's philosophical stance and his very human failings. Eleanor is animated by her strong commitment to social justice, her idealism and love of humanity. Yet Watson senses "a premonition of...a child raised on fairy tales who would find herself inexorably impelled to disaster." Will this prove to be the case? Because of the personal and political ramifications of this case, Watson would not allow his account of this early but significant episode in the career of Sherlock Holmes to be published before this time. But it is here that Sherlock Holmes first confronts the evil genius of Dr. Robert Owen Mortuary. For Holmes, it is the beginning of a lifelong battle of wills. This compelling novel describes their first encounter, and the penetrating insight and informed intuition Holmes brings to this case serves him, and the reader, well.

Don't you ever wonder: why is it necessary to declare me dead again and again? The premise of this witty and insightful "play on history" is that Karl Marx has agitated with the authorities of the afterlife for a chance to clear his name. Through a bureaucratic error, though, Marx is sent to Soho in New York, rather than his old stomping ground in

London, to make his case. Zinn introduces us to Marx's wife, Jenny, his children, the anarchist Mikhail Bakunin, and a host of other characters. Marx in Soho is a brilliant introduction to Marx's life, his analysis of society, and his passion for radical change. Zinn also shows how relevant Marx's ideas are for today's world. Historian and activist Howard Zinn is the author of the bestselling *A People's History of the United States* and numerous other writings. He recently received the Eugene V. Debs and Lannan Foundation awards for his writing and political activism. He is also the author of *Emma*, a play about Emma Goldman, in the anthology *Playbook* (South End Press). Praise for *Marx in Soho*: "An imaginative critique of our society's hypocrisies and injustices, and an entertaining, vivid portrait of Karl Marx as a voice of humanitarian justice - which is perhaps the best way to remember him."-Kirkus Reviews "A cleverly imagined call to reconsider socialist theory... Zinn's point is well made; his passion for history melds with his political vigor to make this a memorable effort and a lucid primer for readers desiring a succinct, dramatized review of Marxism."-Publishers Weekly "Even in heaven it seems, Karl Marx is a troublemaker. But in the deft and loving hands of activist/author/historian Howard Zinn, the historical figure... is also a father, a husband and a futurist possessing a grand sense of humor."-ForeWord "A witty delight that will engage both new and old acquaintances of the Marxian corpus.... Even conservatives will find Zinn's [book]... an intelligent and diverting read. Recommended for academic and public libraries alike."-Library Journal

## Read Free Marx Girl

Strife has raged about Karl Marx for decades, and never had it been so embittered as at the time of this book's first publication, 1936. Marx had impressed his image on the time as not other had done. To some he was – and still is – a fiend, the arch-enemy of human civilisation, and the prince of chaos, while to others he is a far-seeing and beloved leader, guiding the human race towards a brighter future. The arena in which Marx was fought about in 1936 was in the factories, in the parliaments and at the barricades. In both camps, the bourgeois and the socialist, Marx was first of all, if not exclusively, the revolutionary. This book sets out to describe the life of Marx the fighter. Presents the first major study of Marx and Engels in two decades and the only study since the collapse of the Soviet Union and the recognized crisis of global capitalism. A critical and provocative exploration of the political, conceptual and cultural points of resonance between Deleuze's minor politics and Marx's critique of capitalist dynamics, engaging with Deleuze's missing work, *The Grandeur of Marx*. This book explores the core categories of communism and capital in conjunction with a wealth of contemporary and historical political concepts and movements - from the lumpenproletariat and anarchism, to Italian autonomia and Antonio Negri, immaterial labour and the refusal of work. This book will serve as an introduction to Deleuze's politics and the contemporary vitality of Marx for students and will challenge scholars in the fields of social and political theory, sociology and cultural studies.

As Karl Marx the icon has fallen along with so many communist regimes, we are left

## Read Free Marx Girl

with the mystery of Karl Marx the man, the complexities of a life that has profoundly affected millions. *A Requiem for Karl Marx* is Frank Manuel's searching meditation on that life, a learned and elegantly written engagement with the man and his work. Manuel gives us a psychological portrait rendered with sympathy and critical detachment, a probing look at the connections between the private drama of Marx's life and his revolutionary ideas. Manuel pursues these connections from Marx's adolescence and education in Trier through his university studies, marriage to a German baroness, and early affiliation with French and German radical groups. Here we see Marx in moments of youthful rapture, in periods of despair, in maneuvers of blatant hypocrisy, in outbursts of self-mockery. We follow his involuted response to his status as a converted Jew, observe the psychic toll of debilitating bouts of illness, and witness the shattering effects of his aggressive, often brutal conduct toward friend and foe alike. Manuel analyzes in intricate detail the central role of Marx's enduring relationship with Friedrich Engels, which appears to transcend the bounds of friendship, and his changing behavior toward his wife, Jenny, the neurotic and tragic figure who shared his dismal London exile. What becomes clear in this narrative is the link between Marx's personal life and his ideas about class struggle, revolutionary strategy, and utopia--as well as the impact of his personal vision and political tactics on the movements that followed him, down to our day.

In a dozen newly commissioned essays, British scholars of literature and women's

studies explore the achievements of Karl Marx's youngest daughter as a feminist and radical socialist, aspiring actress, working journalist, and literary translator. They discuss such topics as revisiting Edward Aveling

A multidisciplinary reference on the collective experiences of women. Prepared by 425 scholars from all disciplines, features 701 alphabetically listed entries, coverage of 1,250 historical figures, analysis of women and society and culture throughout history, cross-references, and bibliography.

The extraordinary life of labor activist, immigrant, and feminist, Bessie Abramowitz Hillman

Unrestrained by convention, lion-hearted and free, Eleanor Marx (1855-98) was an exceptional woman. Hers was the first English translation of Flaubert's *Mme Bovary*. She pioneered the theatre of Henrik Ibsen. She was the first woman to lead the British dock workers' and gas workers' trades unions. For years she worked tirelessly for her father, Karl Marx, as personal secretary and researcher. Later she edited many of his key political works, and laid the foundations for his biography. But foremost among her achievements was her pioneering feminism. For her, sexual equality was a necessary precondition for a just society. Drawing strength from her family and their wide circle, including Friedrich Engels and Wilhelm Liebknecht, Eleanor Marx set out into the world to make a difference - her favourite motto: 'Go ahead!' With her closest friends - among them, Olive Schreiner, Havelock Ellis, George Bernard Shaw, Will Thorne and William Morris - she was at the epicentre of British socialism. She was also the only Marx to claim her Jewishness. But her life contained a deep sadness:

## Read Free Marx Girl

she loved a faithless and dishonest man, the academic, actor and would-be playwright Edward Aveling. Yet despite the unhappiness he brought her, Eleanor Marx never wavered in her political life, ceaselessly campaigning and organising until her untimely end, which - with its letters, legacies, secrets and hidden paternity - reads in part like a novel by Wilkie Collins, and in part like the modern tragedy it was. Rachel Holmes has gone back to original sources to tell the story of the woman who did more than any other to transform British politics in the nineteenth century, who was unafraid to live her contradictions.

An innovative reassessment of the last writings and final years of Karl Marx. In the last years of his life, Karl Marx expanded his research in new directions—studying recent anthropological discoveries, analyzing communal forms of ownership in precapitalist societies, supporting the populist movement in Russia, and expressing critiques of colonial oppression in India, Ireland, Algeria, and Egypt. Between 1881 and 1883, he also traveled beyond Europe for the first and only time. Focusing on these last years of Marx's life, this book dispels two key misrepresentations of his work: that Marx ceased to write late in life, and that he was a Eurocentric and economic thinker fixated on class conflict alone. With *The Last Years of Karl Marx*, Marcello Musto claims a renewed relevance for the late work of Marx, highlighting unpublished or previously neglected writings, many of which remain unavailable in English. Readers are invited to reconsider Marx's critique of European colonialism, his ideas on non-Western societies, and his theories on the possibility of revolution in noncapitalist countries. From Marx's late manuscripts, notebooks, and letters emerge an author markedly different from the one represented by many of his contemporary critics and followers alike. As Marx currently experiences a significant rediscovery, this volume fills a gap in the popularly accepted

## Read Free Marx Girl

biography and suggests an innovative reassessment of some of his key concepts. Employing the insights of recent cultural critics, *Reading Marx Writing* uses the eight notebooks (the Grundrisse) Marx worked on in 1857-58 to examine his literary, political, and scientific imagination and the fictional writers he admired. By exploring the Grundrisse, the project or plan that Marx did not carry through, the author speculates on the limits and possibilities of Marx's interpretive approach for addressing current issues in philosophy and hermeneutics, critical sociology and political economy, and aesthetics and literary criticism. The study employs certain literary works - notably a scene from Goethe's *Faust* and several stories from Balzac's *Comedie humaine* - as looking-glasses or sounding boards for Marx's political and scientific concerns and to connect themes emerging from the cultural economy of the nineteenth century. These literary works are treated less as dramatic illustrations of Marx's life or depictions of his scientific insights than as interpretive frameworks or social fictions which give shape to both Marx's text and the writings of others working in his wake. Through an innovative blend of German critical theory (Lukacs, Marcuse, and Habermas), French post-structuralism (Althusser, Lyotard, and Baudrillard), and Anglo-American cultural criticism (Jameson, Mitchell, and O'Neill), the author develops a unique method for articulating the play of image, text, and even music within Marx's human scientific discourse.

A critical study of Karl Marx's landmark work, *Das Kapital*, details the author's two-decade struggle to complete his work and its seminal influence on philosophers, writers, revolutionaries, and others, as well as its impact on the course of twentieth-century history. Reprint.

to screen art." The Bookshelf

Egyptian novelist, doctor, and militant writer of Arab women's struggles, Saadawi recounts her life since she was born and describes her work as a physician, the publishing of her first books, and her incarceration and exile.

This text asks what it is to be human. Spectres, cyborgs, clones, aliens - representations of the inhuman hybrid seem more various and multiform than ever before. It examines the impact of science and technology on culture and representation.

BenWe met five years ago when I was her family's bodyguard.Our time together was a secret.Her touch was different.... addictive.I fell hard and fast and then I left.I've thought about her every day since.As I sit here at a wedding watching her with her new boyfriend.....I have regrets.Regrets for the past things I've done.But I won't regret what I'm about to do.She's telling me no but her body's telling me yes.I need her beneath me.I'm having her tonight.Bridget.It's the little things I remember about Ben.His smile and the icing sugar he had on his pancakes.What started out as private jokes between us soon turned into private visits.The quiet man at the back of the crowd.His dry wit made me laugh.His dominant body ruined me forever.He never told me he loved me, until he was leaving.That was five years ago.Things are looking up for me.I met someone, someone special.But Ben is back.I find myself thinking about him .....more than I should.No matter how hard my heart is freefalling from my chest.I will never go back there.You only get to break my heart once. This is a stand alone, Contemporary romance.

Examines the crucial role that coming-of-age narratives have played in American feminism. Yvonne Kapp's monumental biography of the daughter of Karl Marx who became a radical

## Read Free Marx Girl

activist Eleanor Marx is one of the most tragically overlooked radical figures in history, usually overshadowed by her father, Karl. But not only did she edit, translate, transcribe and collaborate with her father, she also led an extraordinary life as a labour organiser, trade unionist, translator, actor, writer and feminist. Much of this we only know because of this highly acclaimed, outstanding exception to the omission of Eleanor Marx from history. Yvonne Kapp's biography was first published at the height of feminist organising in the 1970s. Kapp brilliantly succeeds in capturing Eleanor's spirit, from a lively child opining on the world's affairs, to the new woman, aspiring to the stage, earning her living as a free intellectual, and helping to lead England's unskilled workers at the height of the new unionism. She was always more than, yet at the same time inescapably, Karl Marx's daughter. It is also, inevitably, an unrivalled biography of the Marx household in Victorian London, of the Marx circle, and of Friedrich Engels, the family's extraordinary mentor. This single-volume edition of Kapp's foundational biography includes an introduction by Sally Alexander.

A slightly naive teenage boy who enrolled into a competitive high school encounters a work of art in the city that originally mesmerised him at the art exhibition hall. Whilst admiring the girl who is the artist, his heart is tossed around. With companionship of social drop outs, this story illustrates the nostalgia and experience of adolescence in a high school filled with "freedom", "anguish", and "libido". The series "Marx Girl" was published in a weekly manga magazine "Young Champion" by publisher "Akita Shoten" around 1999 in Japan. Marx Girl is out of print, which is now available as English translated version. This volume includes episode 1 to 3 out of 20 episodes.
