**SYMBOLS ARE THE LANGUAGE OF THE ILLUMINATI:**

Released in English for the first time by secret society insider and author Leo Lyon Zagami, this groundbreaking book presents internal documents, confidential rituals, secret fraternal rites, and a unique perspective on global events that expose a web of deceit and total world control. His newly released 2nd edition book contends that the presence of numerous Illuminati brotherhoods and secret societies—just like the prestigious Yale University’s Skull and Bones—have always been guides to the occult. From the Ordo Templi Orientis (O.T.O.) infiltration of Freemasonry to the real Priory of Sion, this book exposes the hidden structure of the New World Order and the occult practices of the various groups involved within it, including their connections to Aleister Crowley, malevolent ETs, the intelligence community and the infamous Ur-Lodges. If the truth is stranger than fiction, then the true secret structure of the Illuminati and their invisible network made from various power groups presents a far different perspective than what the public is offered in the media, or by their elected officials. The first step in defeating the Illuminati and their satanic New World Order is to understand their modus operandi. Because once you know their method of operation, including how to interpret their symbols and understand what is not being told to you, it is then possible to

After his master thesis of the secret societies network as outlined in Volume I, the Confessions of an Illuminati narrative of Leo Lyon Zagami is projected to the reality of today, including the occult maneuvers behind the New World Order. We need to wake up beyond our current belief systems, because the "controllers" of the New World Order are moving fast using the "Prophecies" to their advantage to implement their evil plan by 2020, when World War III will finally break loose. The author demonstrates that the hierarchy of power emanating from Rome and Jerusalem, with the Jesuits and the Zionist's united by a secret pact since the Second Vatican Council, are in cahoots working towards the creation of a world government. There is also China playing a new role in the NWO with the far reaching tentacles of Chinese Freemasonry manipulating economic Hit Men and disinformation artists, while Russia is building their Christian orthodox alliance to apparently oppose the Western antichrist. In this unprecedented scenario, we also have the involvement of the big media moguls like Ted Turner and Silvio Berlusconi and their role in manipulating perceptions. The author discusses further aspects of the Satanic infiltration of Freemasonry, pointing out on the generational aspect the many ways of defending yourself psychically against black
