Trials deciphers all key areas and fills the gap, making you understand more than ever while enhancing your reading experience.

The Maze Runner Collection Box Set - all four Maze Runner titles, including the prequel, The Kill Order.

All four books of the Maze Runner series, The Maze Runner, The Scorch Trials, and The Death Cure and the prequel, The Kill Order. Action-packed, edge-of-your-seat, dystopian adventures for readers young and old. A must for fans of The Hunger Games.

After surviving horrific conditions in the Maze, Thomas is trapped with 19 other boys in an experiment designed to observe their responses and gather data essential to the survival of the human race.

After having escaped the Maze, the Gladers now face a new set of challenges on the open roads of a desolate landscape filled with unimaginable obstacles.

Escaping the Maze was only the beginning. The world thought it had seen the worst after the Sun Flares struck the Earth's surface, and millions of people were killed. But then an unstoppable illness ravaged the bodies and minds of the remaining survivors. Simply known as the Flare, the disease seemed unstoppable until a cure was discovered, but that relief came at a human cost. Now it's up to Thomas, Teresa and the others, who will discover that while they may have escaped the Maze, they've entered into an experiment more terrifying than anything they could imagine. Explore how the terrifying W.C.K.D. came to be, and how the very first Maze was designed. Discover what it takes to survive in a post-Flare world, against the violent Cranks that have begun to take over humanity, only to learn that the Glade may not be the only Maze W.C.K.D. was running. With over 6.5 million books in print, and an international hit film series, it's plain to see fans lost themselves in James Dashner's bestselling series. Featuring an introduction from Dashner himself, this collection of all new short stories reveals the hidden histories of your favorite Gladers, including Aris, Ava Paige, and Mary Cooper before The Scorch Trials hits theaters on September 18.

Can't get enough of James Dashner's The Scorch Trials? Dive a little deeper into his world, discover hidden treasures, and hang out with Thomas and Teresa just a little longer with this Sidekick. Warning: This is an independent companion to The Scorch Trials, meant to enhance your experience of the novel. If you have not yet bought James Dashner's novel, make sure to purchase it before buying this unofficial Sidekick. Escaping the Maze was only the beginning . . . and this is Phase Two. Now, Thomas and his friends are given two weeks to make their way across the Scorch, a desolate and dangerous wasteland. Their options: Brave a new world of terrors to find safety and, perhaps, answers. Or fail to cross-and die. Praised by Kirkus Reviews as "Taut and bleak, continually intriguing and surprising," The Scorch Trials is the second installment in James Dashner's bestselling Maze Runner trilogy. With this Sidekick, you'll: * Learn what you might have missed on your first read of Dashner's novel * Discover some of the book's secret gems and underlying themes * Explore possible alternate endings and imagine ideas for a prequel * Spend some more time with the characters you've come to know and love, delving deep into their psyches and hidden motives Sidekicks are entertaining and insightful reading companions, filled with delightful commentary and thought-provoking questions. What are readers saying about Miriam Sokolow's Sidekicks? "Amazing companion to the book, adding analysis and depth," "provide some great insight for some wonderful character and theme discussions," "excellently written and flows nicely." Designed to be read side by side with the novels they complement, they'll give you even more reasons to love some of today's best books.

From James Dashner, #1 New York Times bestselling author of the Maze Runner series, comes the complete collection of all three books in the bestselling Mortality Doctrine series— The Eye of Minds, The Rule of Thoughts, and The Game of Lives. This edge-of-your-seat cyber-adventure trilogy is the perfect gift for fans of Marie Lu and Brandon Sanderson. The VirtNet offers total mind and body immersion, and the more hacking skills you have, the more fun it is. Why bother following the rules when it's so easy to break them? But some rules were made for a reason. Some technology is too dangerous to fool with. And one gamer has been doing exactly that, with murderous results. The government knows that to catch a hacker, you need a hacker. And they've been watching Michael. If he accepts their challenge, Michael will need to go off the VirtNet grid, to the back alleys and corners of the system human eyes have never seen—and it's possible that the line between game and reality will be blurred forever. the maze was built! Michael used to live to game, but the games he was playing have become all too real. Only weeks ago, sinking into the Sleep was fun. The VirtNet combined the most cutting-edge technology and the most sophisticated gaming for a full mind-body experience. And it was Michael's passion. But now every time Michael sinks, he risks his life. The games are over. The VirtNet has become a world of deadly consequences, and Kaine grows stronger by the day. The Mortality Doctrine—Kaine's master plan—has nearly been realized, and little by little the line separating the virtual from the real is blurring. If Kaine succeeds, it will mean worldwide cyber domination. And it looks like Michael and his friends are the only ones who can put the monster back in the box—if Michael can figure out who his friends really are.
