comprehensive, if specialized, sourcebook on the output of the British film industry in the sound era. A vast range of theatrical styles and talents are covered in the fast-access indexes, including: -- 12,900 film entries with information on title, year, director(s), actor(s), type of film, length, alternative title, production/releasing company, and coproducing countries -- 3,900 directors -- 24,600 actors -- 1,100 cinematographers -- 1,200 composers -- 2,400 authors whose literary works were adapted to the screen

Emily e sua madre Linda abbandonano la frenetica vita londinese per Blossom Creek, placido paesino del Kent in cui le aspetta il vecchio cottage ereditato dal bizzarro zio Orville. Il cottage, però, è anche la sede di un'agenzia di investigazioni, e un po' per caso, un po' per gioco Emily e Linda la rimettono in attività. In un tranquillo mattino estivo, Fred Molloy, ex archivistica comunale nonché fidato aiutante dell'improbabile coppia di detective, arriva in paese trafelato. Ha perso la voce per lo spavento, e racconta a gesti quello che ha visto al campo da golf di Fairfield Cove: un uomo giace riverso sul green della buca 18! Emily e il suo amico Jamie si precipitano al campo per indagare, ma quando arrivano del corpo non c'è traccia. Trovano però un oggetto misterioso: una piccola chiave d'acciaio con incisi il numero 144 e le iniziali B.S.B. A chi appartiene quella chiave? E che ne è stato dell'uomo visto da Fred?

This revised edition lists over 10,000 works for the oboe, English horn, oboe da caccia, and all of their variants for the period up to ca. 1800. Each entry includes the title, opus or register number, date, exact instrumentation, location of the original work, existing modern editions(s), and historical notes of interest.

IN the republic of letters, there is no member of such inferior rank, or who is so much disdained by his brethren of the quill, as the humble Novelist; nor is his fate less hard in the world at large, since, among the whole class of writers, perhaps not one can be named of which the votaries are more numerous but less respectable. Yet, while in the annals of those few of our predecessors, to whom this species of writing is indebted for being saved from contempt, and rescued from depravity, we can trace such names as Rousseau, Johnson,(1)Marivaux, Fielding, Richardson, and Smollett, no man need blush at starting from the same post, though many, nay, most men, may sigh at finding themselves distanced.

The following letters are presented to the Public-for such, by novel writers, novel readers will be called,-with a very singular mixture of timidity and confidence, resulting from the peculiar situation of the editor; who, though trembling for their success from a consciousness of their imperfections, yet fears not being involved in their disgrace, while happily wrapped up in a mantle of impenetrable obscurity. To draw characters from nature, though not from life, and to mark the manners of

the times, is the attempted plan of the following letters. For this purpose, a young female, educated in the most secluded retirement, makes, at the age of seventeen, her first appearance upon the great and busy stage of life; with a virtuous mind, a cultivated understanding, and a feeling heart, her ignorance of the forms, and inexperience in the manners of the world, occasion all the little incidents which these volumes record, and which form the natural progression of the life of a young woman of obscure birth, but conspicuous beauty, for the first six months after her Entrance into the world.

information and is fully updated to include the latest stars. The more than 10,000 alphabetically arranged entries provide complete details on each film, including award-winners and nominees, personal data on actors and directors, notes from critics, and more.

Reviews movies that are available on DVD or tape. Each entry includes title, alternate title, one-to four-bone rating, year released, MPAA rating, brief review, length, format, country of origin, cast, technical personnel, awards and made-for-television/cable/video designations.

Durante una noiosa estate londinese, Emily riceve una lettera inaspettata, con cui scopre che il bizzarro prozio Orville l'ha designata come erede del suo cottage a Blossom Creek, un paesino sperduto nel Kent. Una volta lì, Emily e sua madre Linda scoprono che il cottage nasconde una sorpresa: era la sede di un'agenzia di investigazioni, ormai del tutto abbandonata almeno finché, quasi per gioco, Emily gira il segnale "Chiuso" affisso alla porta. Ed ecco che, quella notte, il primo mistero bussa alla porta di mamma e figlia: a Sherrington Lodge, austera dimora alle porte del paese, avvengono sinistri episodi E il proprietario, il maggiore Trevor Sherrington, ha il terrore che la casa sia infestata dagli spiriti. Emily e Linda dapprima rifiutano l'incarico, ma il destino sembra avere in serbo per loro un disegno diverso

Jo Beckett is a forensic psychiatrist who profiles victims' lives to help solve their deaths. On a San Francisco street, she is confronted by a scene of pure carnage: four dead and five injured after a high speed pursuit. In the mangled remains of a BMW lies prosecutor Callie Harding, dead with the word "dirty" written in lipstick on her thigh. Why did Harding run from the police? Why did she crash through a bridge railing? Was it an accident? Suicide? Or murder? Jo is a last resort in difficult cases. But now she's on the front line, because Callie Harding isn't the first high flyer to go down and take others with her.

From "TimeOut" magazine comes this ninth edition of its film guide that features stills and information on the films covered in the pages of the magazine.

Addressing political theory both past and present, this extended essay studies the personalities that have affected Canada's social and political history. It examines numerous factors in the success or failure of various governments in order to learn from the past. A major focus of this political study is the concept of metissage, which is the mixing of culture and race.

Describes and rates more than twenty thousand videos, and provides indexes by theme, awards, actors, actresses, and directors.

The alternative life raft in a sea of similarity, VideoHound competes on content, categories, and indexing, but the dramatic difference is the attitude. Irreverent, slightly tongue-in-cheek, the Hound never takes himself too seriously. The 1997 edition, fully expanded and updated with 1,000 new entries, provides information and opinions on 22,000-plus videos--more than any other guide on the market--including documentaties, made-for-TV movies, and animated features. Includes Web site entertainment directory.
