students from common law and civil law countries, this casebook will help practitioners and students assimilate knowledge on the CISG. The cases, texts and questions aid readers in their comparative law and international sales law studies, drawing attention to the particular issues surrounding specific CISG provisions and provoking careful consideration of possible solutions. In addition to this book's function as a didactical aid, it is a reference work for leading cases and an introduction to the individual problem areas. In particular, it acts as a preparatory and complementary work for the Willem C. Vis International Commercial Arbitration Moot.

Do's and Don'ts of Willem C. Vis International Commercial Arbitration Moot
International Trade and Business Law Review: Volume XII
Routledge

Over the last half-century, as UNCITRAL official, professor, arbitrator and father of the Willem C. Vis Arbitration Moot, Eric Bergsten has been at the forefront of progress in international commercial arbitration. Now, on the occasion of his eightieth birthday, the international arbitration and sales law community has gathered to honour him with this substantial collection of new essays on the many facets of the field to which he continues to bring his intellect, integrity, inquisitive nature, eye for detail, precision, and commitment to public service.

Celebrating the long-standing and sustained contribution Eric Bergsten has made in international commercial law, international arbitration, and legal education, more than fifty colleagues - among them quite a few of the best-known arbitrators and arbitration academics in the world - present 45

pieces that, individually both engaging and incisive, collectively present a thorough and far-reaching account of the state of the field today, with contributions covering international sales law, commercial law, commercial arbitration, and investment arbitration. In addition, nine essays on issues in legal education mirror the great importance of the renowned Willem C. Vis International Commercial Arbitration Moot, Eric's Vienna project which has offered a life-changing experience for so many young lawyers from all over the world. The International Trade and Business Law Review publishes leading articles, comments and case notes, as well as book reviews dealing with international trade and business law, arbitration law, foreign law and comparative law. It provides the legal and business communities with information, knowledge and understanding of recent developments in international trade, business and international commercial arbitration. The Review contributes in a scholarly way to the discussion of these developments while being informative and having practical relevance to business people and lawyers. It also devotes a section to the Willem C. Vis International Commercial Arbitration Moot and publishes the memoranda prepared by teams coached by Professor Gabriël A. Moens. The Review is edited at the Murdoch University School of Law in Perth, Australia. The Editors-in-Chief are Mr

A useful supplement to a law degree, mooting is useful for developing legal skills of analysis and interpretation. In a moot, two pairs of 'advocates' argue a fictitious legal appeal in front of a judge. This text is a guide to mooting. Seven years after the onset of the global financial crisis, the world still has a way to go to secure a sustainable recovery marked by strong growth that supports rapid job creation and benefits all, International Monetary Fund (IMF) Managing Director Christine Lagarde says in her foreword to the institution's Annual Report 2014—From Stabilization to Sustainable Growth, published today. The recovery is ongoing, but it is still too slow and fragile, subject to the vagaries of financial sentiment. Millions of people are still looking for work. The level of uncertainty might be diminishing, but it is certainly not disappearing." Ms. Lagarde said that "throughout the

crisis and in the recovery period, the IMF has been, and continues to be, an indispensable agent of economic cooperation” for its membership. The report covers the work of the IMF’s Executive Board and contains financial statements for the year May 1, 2013, to April 30, 2014. It describes the IMF’s support for its 188 member countries, with an emphasis on the core areas of IMF responsibility: assessing their economic and financial policies, providing financing where needed, and building capacity in key areas of economic policy.
