Some of my friends have been asking me to write about my own spiritual journey in Islam. How did it begin? Maybe why? What did I find useful and beneficial? What was difficult and what gave me the most joy? Though I was born in a Muslim family, belief is a matter of conscious acceptance, not of accidental birth. What we choose to believe or reject must be done thoughtfully after due reflection and investigation because our present and our everlasting future both depend on it. It can't be left to incidental following of traditions and customs we don't even know the origin or meanings of just because our parents or elders used to do them. One's spiritual journey is as important, if not more, than one's journey in this life in terms of one's career or other criteria and so deserves equal mindshare and effort.

The Sabbath is the original feast day, a day of joy and freedom from work, a holy day that allows us to reconnect with God, our fellows and nature. Now, in a compelling blend of journalism, scholarship and personal memoir, Christopher D. Ringwald examines the Sabbath from Creation to the present, weaving together the stories of three families, three religions and three thousand years of history. A Day Apart is the first book to examine the Sabbath in Judaism, Christianity and Islam. A marvelously readable book, it describes the three weekly holy days--the Muslim Juma on Friday, the Jewish Shabbat on Saturday and the Christian Lord's Day on Sunday--and introduces us to three families, including Ringwald's own, and shows how they observe the holy day and what it means to them. The heart of the book recounts the history of the Sabbath, ranging from the Creation story and Moses on Mount Sinai to the teachings of Jesus and Muhammad, the impact of the Protestant Reformation and the Industrial Revolution, and the rise of the modern weekend. Ringwald shows that the Sabbath instinct, to observe a special day of withdrawal and repose, is universal. Indeed, all religions and philosophies teach that life is more than toil, that time should be set aside for contemplation, enjoyment and culture. In today's frantic 24/7 world, the Sabbath--a day devoted to rest and contemplation--has never been more necessary. A Day Apart offers a portrait of a truly timeless way to escape the everyday world and add meaning to our lives. "I can not recall reading anything on the three faiths that so deftly engages them in robust conversation. Amazingly learned, Ringwald nonetheless has a light, friendly touch. The warmth of his soul is unmistakable." --Christian Century

Author Kevin Vost presents St. Albert's brilliant scholarly career at the height of the Church's intellectual renewal in the thirteenth century. St. Albert was a scientist, theologian, and philosopher; a teacher, preacher, and negotiator; a shrewd shepherd and an unflinching defender of the Faith. He was tireless (and courageous) in his leadership and works of reform as a Dominican provincial and diocesan bishop. Desperate popes pressed him into diplomatic missions, hoping that Magnus might succeed in making peace where lesser men had failed. These pages not only tell St. Albert's story they share his lessons. Each chapter uses Albertine teachings, and the witness of the saint's life, to instruct, edify, and inspire us to greater holiness and more ardent love.

Recent popes have challenged all Catholics to participate in the New Evangelization. But most Catholics feel ill-equipped to take up the challenge. Terry Barber, founder of St. Joseph Communications, has written a practical guide that takes much of the pain and uncertainty out of sharing one's faith. Based on Barber's decades of personal experience as an effective evangelist and masterful communicator, and drawing on the perceptions, examples, and lessons of other great evangelists and apologists, *How to Share Your Faith with Anyone* informs, entertains, and inspires would-be, as well as, seasoned evangelists and teachers. Barber uses clear examples and insightful stories to explain such topics as: What evangelization is Why Catholics often don't evangelize Preparing to be an evangelist The eight laws of effectively sharing the faith with anyone Jesus the perfect Evangelizer The heart of evangelization How to share your personal testimony Barber explains how to bring people to Christ and to his Church without compromise or conflict. This is a superb, easy-to-follow playbook for the New Evangelization. Terry Barber is the founder of Saint Joseph Communications, Inc., Lighthouse Catholic Media and is a co-host for Reasons for Faith Live with Jesse Romero on EWTN Radio Network . Terry has recorded numerous podcasts on Saint Joseph Podcasts called "Culture Warriors for Christ", addressing the main social issues affecting our culture today. He has over 30 years experience in evangelization. Praise for *How to Share Your Faith with Anyone*: "Terry Barber has long been one of the Church's finest evangelists. His excellent book shows us how the new evangelization requires new apologetics - a new way to explain why the Church's teachings are true and why Jesus is the answer to the deep desires of the human heart." - Most Reverend Jose Gomez, Archbishop of Los Angeles What happens when Muslim women gather together at the mosque to read the Qur'an, learn, and pray? How does family loyalty interact with mosque attendance for women? This book explores the growing Muslim women's piety movement through looking at one women's program in a Syrian suburban mosque. Community models shape individual behavior. The place and power of blessing help define the boundaries between orthodox and popular Islam. Modesty and shame, feasts and fasting, purity and prayer, interact to shape daily life possibilities for women involved in the mosque program. At the same time, the growing accessibility of religious teaching for women allows them to take up new places of authority in the Muslim ummah. Women read the Qur'an not just for blessing, but for what it has to say to issues of daily female and family life. And the words of communal dhikr devotion offer a window into the

Sometimes it is helpful to take one step backward, in order to take two steps forward. In this insightful volume, H. Paul Santmire draws on his long-standing and widely recognized engagement with ecological theology to propose that the traditions of the Protestant Reformation, rightly read, offer rich resources today for those who are struggling to move forward to respond theologically to the crisis of a planet in peril and thereby to celebrate nature by faith.

This book will help pastors educated in the literate culture of academia bridge the cultural gap between them and those in their congregations who verbalize their faith in proverbs and stories. Indeed, recent studies have shown that a large number of Americans, including many in the churches, are not functionally literate. Tex Sample says they live and work in an oral culture.

A guide to effective evangelism at the workplace explains how to utilize one's skills and God-given talents to draw customers, clients, and co-workers to a new life in Christ, presenting examples of Biblical characters in their places of work while covering such topics as witnessing and building trust. "They laughed when I said I could name all 27 books of the New Testament . . . but after I named them all in order, plus the 46 books of the Old Testament, they begged me to show them how I did it." Yes, I know that memorizing the Faith is no substitute

for living a holy life, but even devout people can't live by truths and precepts they don't remember. That's why, over 700 years ago, St. Thomas Aquinas perfected an easy method for his students to memorize most any information, but especially the truths taught by Christ and His Church. As the years passed, our need for this ancient art of memorization grew, yet somehow our culture largely forgot it . . . which is why today, when you and I try to remember a list of things, we have to repeat their names over and over. Or, to remember to call the dentist, we tie a string on our finger. And we clutch at any means whatsoever to recall our passwords for ATMs, credit cards, and voicemail, our login names for Yahoo, eBay, and Amazon, and the host of other names and numbers that clog our minds and clutter our days. Now, thanks to the delightful pages of *Memorize the Faith!*, you can easily keep all these in mind — and learn the Faith! — by tapping into the power of the classical memory system that helped St. Thomas become the Church's preeminent theologian, and made it easier for him to become one of its greatest saints. Here, Catholic scholar Kevin Vost makes available again Aquinas's easy-to-learn method — the method Dr. Vost himself has used for decades to recall names, dates, phone numbers, the first dozen digits of pi (3.141592653589) and even whether, when his wife called him at work today, she asked him to bring home ice cream and toffee . . . or was it truffles and coffee? Indeed, Dr. Vost will teach you to remember virtually anything, but he devotes most of his book to showing you how to improve your memory of Catholic truths so you can live the Faith better. By the time you finish this book, you will have memorized dozens of key teachings of the Church, along with hundreds of precepts, traditions, theological terms, Scripture verses, and other elements of the Faith that every good Catholic needs to know by heart. Memory is the foundation of wisdom. It makes holiness easier. To grow wiser in the Faith . . . and holier . . . turn to *Memorize the Faith!* today. Note: *Memorize the Faith!* will teach you and your children how to remember anything, but it's particularly useful to those involved in religious education: catechists and converts, CCD teachers, RCIA members, and homeschoolers of all ages. Here, Dr. Vost and St. Thomas Aquinas show you easy ways to memorize the following truths and precepts of our Faith, plus many more: The 9 Beatitudes The 12 Apostles The 7 Virtues The 7 Sacraments The 4 Last Things The 7 Capital Sins The 10 Commandments The 4 Marks of the Church The 14 Stations of the Cross The 5 Precepts of the Church The 7 Gifts of the Holy Spirit The 12 Fruits of the Holy Spirit The 7 Spiritual Works of Mercy The 20 Mysteries of the Rosary The 7 Corporal Works of Mercy The 10 Holy Days of Obligation The 6 Sins Against the Holy Spirit The 5 Proofs for the Existence of God The 27 Books of the New Testament The 46 Books of the Old Testament And anything else you want to remember, from the 14 items on your grocery list to the birthdays of your 7 nephews and nieces!

The greatest challenge for the twenty-first-century church is the lack of catechesis--training in biblical and doctrinal knowledge. As J. I. Packer states, "where wise catechesis has flourished the church has flourished, and where it has been neglected the church has floundered." It is increasingly apparent that we are raising up generations of Christians who often have little idea what they should believe and why they should believe it. *Grounded in the Faith* takes up that challenge with twenty-four low-prep, in-depth sessions that will ground believers in the basics of their faith. This new innovative guide is a transformational disciple-making tool that leaders can

What can we learn from the Scriptures about how to trust God no matter what, and believe in something that is not yet seen? As a young man with only weeks to live, Yonggi Cho was healed of terminal illness, saw the resurrected Jesus, and quickly began sharing God's hope with others. Those listeners became the world's largest church. In Faith, Pastor Cho and Dr. Wayde Goodall share how to Understand and grow in your faith.
