Brighter Child English & Grammar for Grade 3 helps students master language arts skills. Practice is included for nouns, verbs, adjectives, adverbs, punctuation, and more. School success starts here! Workbooks in the popular Brighter Child series are packed with plenty of fun activities that teach a variety of essential school skills. Students will find help for math, English and grammar, handwriting, and other important subject areas. Each book contains full-color practice pages, easy-to-follow instructions, and an answer key.

The first developmentally appropriate middle school grammar program available, "Richbaub's Introduction to Middle School Grammar, Books 1 and 2," is designed specifically for today's young student. Students respond to the

straightforward and thoughtful concepts, puzzles, trivia, clever comics, and friendly voice because they were created specifically for their developmental level. Teachers love it because it is easy to incorporate into an established English curriculum. "Richbaub's" is also a true program that goes beyond brief concept summaries and exercises. Middle school educators face many obstacles when teaching grammar, including the complex task of fitting a meaningful grammar program within today's curricular demands. Sensitive to these hurdles and relying on his twenty-plus years of experience in middle school classrooms, author R. M. Gieson offers a sensible program to teach and review parts of speech, sentence parts, and tricky usage and mechanics rules while conveying that the study of grammar is about understanding the English language in order to learn to communicate clearly and effectively. A helpful appendix explains common stumbling points in teaching grammar, and a basic answer key, digital versions of the workbooks (for teaching via digital devices), full teacher's editions, and comprehensive test booklets are all available online at www.middleschoolgrammar.com.

****New!****This illustrated grammar workbook teaches children the grammar concepts they need to know. The lessons are extremely well explained and easy to understand, giving students the opportunity to develop a solid foundation in grammar. Included are the study of the four types of sentences, clauses, the eight parts of speech, verb tenses, and much, much more. (Also includes sentence composition, allowing students the opportunity to apply the grammar they've learned.) An excellent grammar book because it makes grammar easy to understand and easy to learn.

????: A middle school practical English grammar. -- ?: ???????

Students of the world, unite! Do you find yourself dozing off in class while your teacher reads directly from your boring textbook? Do you question why your English class is more like a book club than a way to master prose? Ever wonder why the stuff you learn in class doesn't seem to help when taking placement, standardized, and achievement tests? Many teachers pass the buck on the teaching of basic English skills, instead choosing to read books and discuss them. It's akin to racing motorcycles while naked kind of fun, but a bad idea nonetheless. At the same time, while most standardized tests check for reading comprehension, they also check for all of those nitpicky grammar rules, which just happen to form the bedrock upon which reading comprehension is developed. One cannot do well on a standardized test, regardless of reading skill, without a basic understanding of syntax and grammar. This book is the solution. Irreverent, topical, and relevant (and perhaps a bit subversive), it outlines everything a student should know about English grammar. Ever wonder if certain rules don't always apply? Likewise, do you ponder whether one mistake matters more than another? This book will tell you, ensuring that you test well and that when you do err, it's a little error rather than a monumental gaffe. So rise up, young scholars, and buy this book to show that you won't take it any more! (And to improve your skills for test taking and overall communication using language.)

Jane Bell Kiester, author of the popular Caught'ya! Grammar with a Giggle series, has adapted her effective and fun approach to meet the specific learning needs of middle-school students. This resource improves writing and editing skills, raises test scores, engages students, and creates classrooms filled with giggles! Giggles in the Middle offers middle-school teachers all the benefits of the previous Caught'ya! books, plus some helpful "extras" created especially for the middle-school student. You'll find: One continuous story, "The Bizarre Mystery of Horribly Hard Middle School," divided into three parts, each with enough sentences for an entire school year; Classroom-tested writing assignment suggestions, mini-lessons, and teaching tips; "Almost-midterm" and final exam tests for each grade, with teacher keys; Easy-to-follow, step-by-step instructions; Complete vocabulary lists for words used in each story; and A CD with the Grammar, Usage, and Mechanics Guide for easy reference and duplication; the complete, uninterrupted story in narrative form; and the Caught'ya! sentences. Giggles in the Middle gives middle-school teachers the perfect alternative to boring grammar books and dry lectures. With this flexible, proven approach to developing grammar, usage, and mechanics (GUM) skills, as well as vocabulary, everyone has fun while they learn!

????: A handbook of English grammar for middle school students

Wren and Martin's High School English Grammar & Composition is one of the most popular and widely used reference books on English Grammar. It not only helps the students to use the language, but also gives detailed information about the language.

Primary School English Grammar & Composition (PSEGC) and Middle School English Grammar & Composition (MSEGC) is a set of two books designed to be used as a prequel to the highly popular English grammar reference book, High School English Grammar & Composition. Both PSEGC and MSEGC provide ample guidance and practice in sentence building, correct usage, comprehension, composition and other related areas so as to equip the learners with the ability to communicate effectively in English.

Hindi Version of famous Grammar Book by Wren & Martin (High School English Grammar and Composition)

Middle School English Grammar and Composition S. Chand Publishing

The hidden seeds of the Christian renewal in China today include the outstanding Chinese Christians in Salt and Light 2, a dozen new life stories with lively anecdotes and photographs. These reformers made lasting contributions that shaped modern China. Working out of the limelight in their professions, they had quiet but powerful influence on early twentieth-century civil society. Motivated by their faith, they modeled essential virtues. This series helps recover a lost Christian heritage linked closely to a legacy of East-West cooperation in an earlier global era.
