A chance encounter between a secretive billionaire and a plus-size PR expert could be the perfect solution to both their problems - or a delicious scandal in the making - in New York Times best-selling author J. S. Scott's new British Billionaires series....I am the type of woman who always plays it safe. In my professional life as a public relations "fixer", and in my personal life, especially when it comes to the opposite sex. Really, who needs the wild highs and the I-want-to-die-because-he-left-me lows of a relationship? At least, that's what I thought...until I met him. Damian No-Last-Name-Given is sexy as sin, and I'd developed some kind of weird, instant attraction to him the moment he settled his chiseled body next to mine on a flight from London to Los Angeles. His sexy British accent did crazy things to my previously dormant female hormones, which had eventually led me to do the most impulsive thing I'd ever done in my entire life. I kissed him while everyone else in business class was sleeping. Or had he kissed me? All I knew was that we were both very willing participants, and that panty-melting embrace had rocked my entire world while it was happening. Unfortunately, that moment of spontaneity would haunt me once I found out Mr. British Hottie's true identity. He'd held his last name back for a reason. Oh no, I couldn't make some once-in-a-lifetime misstep with an ordinary businessman. When I screwed up, it had to be one for the record books, and it had to happen with one of the most powerful men

in the world. And, oh yeah, he also absolutely had to be the biggest man-whore on the planet. Once I knew the truth, I could have easily convinced myself that the kiss wasn't all that earthshattering - if Damian Lancaster hadn't boldly swaggered into my office the very next day to apologize, and to make me a business offer I couldn't possibly refuse.... Goodbye sanity; hello madness. Three full-length novels full of steamy forbidden romances sure to warm you up. Don't miss out on these sexy billionaires and the ladies who've been forbidden to love them. Book One: The Doctor's Claim Billionaire trauma surgeon... You'd think it would get me some time off to enjoy myself. Unfortunately, this holiday, I'm heading up to White Pines, Wisconsin to see my family. I end up on the goddamn bus, protecting a cute little thing from an asshole who's getting grabby. I don't take too kindly to people pawing at what's mine, and from the minute I lay eyes on pretty Chloe Becker, I have a feeling she's meant to be mine. Then I find out she's got a baby in her, and, other man's baby or no, something about a sweetly breeding girl just drives me wild. She's an innocent girl, whose idea of fun is burgers and star gazing... Maybe before the holiday season is over I can show her what kind of fun I like to get up to. Book Two: Destined Desires What can I say about Cade Lowell? I can say that he's arrogant, domineering, and is used to having things his own way. I would also have to say that he's hot as hell and that absolutely nothing has changed since we broke up in high school—he leaves me just as breathless and frustrated as he did back then, when he was the only one who had ever touched me. He was just a boy the last time I saw him, but when I return to White Pines to deal with my late grandmother's house, I realize that he's all man now! I feel electric when I'm around him, and I can tell right away he wants me too, but there's more to love than heat. Will he ever get past his arrogant ways to see that I want a say in things too? Book Three: Loved One minute you're having a great time living the playboy lifestyle, and the next an ex has a tragic accident and leaves you with a 10-month-old kid! My new daughter Emma is cute as a button, but I'm man enough to admit that I'm overwhelmed. Help appears in the form of the angel next door, Shannon Becker, and though she's confident in her maternal instincts, she seems to have no idea just how drop-dead gorgeous she really is. I never knew that my type would be cute, pear-shaped, and a whiz with kids, but here it is. And before we go much farther, I'm going to make Shannon mine. Hope she knows that ... If you love short romances with insta love, hot love scenes, and a sweet story, then this is for you.

It's no secret I've always had a crush on Damon Strickland. My best friend's older brother and the center of every single one of my fantasies. He's a walking, talking temptation. That cocky grin and those broad, athletic shoulders. You know what they say about a man with big hands right? Growing up, we always tormented one another. I was the nagging, annoying little girl he hated. And he was the man-whoring, douchebag I couldn't seem to get over. Now as adults he actually came through and helped me land a job at my dream company. How the hell am I supposed to focus when all I can think about is tearing that tight suit from his tempting body! What's even worse? He forgot to mention he's my boss.

Will the handsome, alpha billionaire really be a solution to her problems, or will he end up being a major complication and a danger to her emotional sanity? Reclusive billionaire Simon Hudson would rather be behind a computer creating computer games than rubbing elbows with the elite and he knows exactly what he wants...until he meets Kara Foster. For over a year, Simon watches over Kara, but stubbornly refuses to admit his desire to possess her, not even to himself. Snowbound. Sounds so romantic, with visions of cuddling before a roaring fire, hot chocolate spiked with brandy, and a secret elopement. Wait. What? My mother has decided she's done with All Things Wedding and asks her teacup Chihuahua for mother-of-the-bride advice. They've all gone certifiably mad. Then the stress from the wedding puts my mother in the hospital, I scream at my future father-in-law in front of a camera crew and the video goes viral, and the romantic wedding that started with Andrew's grand Pride and Prejudice proposal looks less like Jane Austen and more like Dostoyevsky. So what do you do when you're a fixer and you can't fix something? You give up on it. Not on Andrew, silly. The wedding.
