

Minecraft Minecraft Gaming Expert Potions Enchantments Unofficial Minecraft Guides Book 4

Potions are a mid or high-tier combat and utility item. They look like glass flasks filled with some liquid of strange properties. There are both buff and debuff potions. To be able to brew potions you need to enter The Nether, conquer a Nether Fortress, find and harvest netherwart and kill some blazes in order to get their drops, blaze rods. This can be done fairly quickly for an expert survivalist. UHC players are usually able to leave The Nether with all the ingredients needed for the recipe in less than a half an hour after starting a new game. We are aware, though, that experts are a minority and that the hellish dimension is one many Minecraft players still fear. Fire, lava and small fireballs from blazes are a real problem; so are the withering effects of Wither Skeleton swords and the long-range querulous ghosts that inhabit the reddish lands.

GENRE: Children's Adventure (An Unofficial Minecraft Book for Kids Ages 9 - 12 (Preteen) Book One: The Potion Expert All witches must train to learn their own special skill, and Verita decided to learn everything that she could about potion-making. Verita has just completed her potion-making training. She studied from the best potion-makers that there are, and now she is ready to go and make a name for herself and find a village where she can make and sell her own potions. Verita packs up her things and find the perfect village for her. There isn't another witch living there, so she can make and sell all of the potions that she wants! Business is booming, and most people love Verita's potions. At least, that's how it goes at first. It turns out that not everyone in the village loves the idea of magic or even potions. These Villagers want to make life tough for Verita, and it's not hard for them to accomplish that. When the Villagers get their way, and potions become illegal in the village, what is Verita supposed to do to make a living? Will she stay in the village and just get a new job? Will Verita sell potions in secret instead? Book 2: Jail Break Verita is back in her second diary. Verita has been caught for selling potions (the Mayor in the town where she lives ordered that potions should not be made and sold in that part of Minecraftia), and now she needs to pay for her crime. She's sent to a Nether jail, one of the grossest jails around. The thing is, jail isn't the best place for a witch to spend her time. Verita hatches a plan to break out of jail so that she can be free again, and it involves doing what she knows best: making potions. It's hard to find potion ingredients in a prison, especially if you're the new girl in jail. Verita needs to find friends in the right places if she wants to be able to make it out of prison quickly. As Verita tries to escape from jail, she makes friends with a fellow mob who also wants to break out. The question is, will Verita and her friend be able to escape? What would happen if they broke out and had to face whatever lives in the Nether? Verita's in for a crazy turn of events in her second diary, The Potion Expert's Escape. Book 3: The Witch Village After Verita moved away from her Witch Village for the first time, she went out on her own and decided to open a potion's shop of her own. She loved making potions and selling them too, but not everyone in her new village liked potions as much as she did. One thing led to another, and potions became illegal. Verita isn't one to follow the rules, so she sold them anyway, which didn't exactly go well. Verita was sent to jail, and wrote all about it in her second diary. With the help of her Blaze friend, Ashley, she managed to make an invisibility potion from inside of the prison and sneak out, but only to land in the Nether. Once there Verita made another friend, Charles, who helped her to escape the Nether. Now, Verita and Charles are making their way back to Verita's Witch Village. There's just one problem--Charles isn't a witch, and humans aren't allowed in the village. Verita and Charles need to find a way to sneak Charles into the village, and if they can manage that then they still need to figure out a way to keep Charles hidden...which could be harder than expected. Luckily, Verita keeps a record of this adventure and more in her last diary, Diary of a Potion's Expert: Witch Village. Author's Note: This short story is for your reading pleasure.
