The Command Block is without question the most powerful tool in Minecraft, and it's also one of the least understood by most players. This is because the Command Block cannot be crafted without using console commands—the systems that Command Blocks use are entirely script and coding based. That being said, the quickest, most powerful, and most thorough way to activate many special features in Minecraft is to use Command Blocks. With *The Ultimate Guide to Mastering Command Blocks*, you'll learn to send messages to an entire server, change the time of day or weather, teleport a person, and automate processes. Now, the keys to these strategies are available to all 'Crafters through this book.
