"On Egret's Wing" is a compilation of poems celebrating the natural world and the human spirit with wonder, compassion, and humor.

Discusses measurements found in the kitchen, examines food labels and nutrition, and explores temperature.

The matriarch of the "Duck Dynasty" clan presents a collection of family recipes and stories while revealing favorite dishes for each of the Robertson men and their wives, in a volume complemented by scriptural excerpts.

Hunter Clarke wanted one thing for Christmas: to spend it with his dad and his brother. He misses being included in any guy trips since his parents divorced and he went to live with his mom. So he's less than happy when his mother tells him that he won a contest to spend Christmas in West Monroe, Louisiana, with a family named the Robertsons. For some reason, they're supposed to be a big deal. How did he win a contest he didn't enter? Besides, he's never heard of them and sure doesn't want to spend Christmas in a swamp with a bunch of strangers. Korie Robertson is excited to open her heart and home to Hunter and show him what the Christmas season looks like for the Robertson family. And like it or not, Hunter experiences it firsthand. From duck-hunting disasters with the bearded guys, to learning to cook with Miss Kay, Hunter quickly discovers what it's like to live with this boisterous, yet loving family. Putting on his headphones and ignoring them is not an option. Before long, Hunter begins to let his guard down. But with Christmas and the end of his trip fast approaching, will it be too little, too late? Or will Hunter be open to the greatest gift of all?

Explores how mathematics is used in different sports, including baseball, basketball, and NASCAR.

Outlines the roles of the Duck Dynasty women, discussing the core values that make their relationships work, and explains how their spiritual beliefs shape family dynamics and help them work through various challenges.

Miss Kay's Duck Commander Kitchen Faith, Family, and Food--Bringing Our Home to Your Table Simon and Schuster

Miss Kay has been cooking since she was a little girl, and has perfected her skills through years of practice. Since family is so important to the Robertson clan, the stars of the hit TV series Duck Dynasty, this cook book is organised around family members and the friends they love. Packed with more than 100 great recipes - from crawfish pie and sausage gumbo to banana pudding and buttery biscuits, many of them illustrated in full colour - this is the perfect introduction to Southern-style cuisine. The recipes will also be accompanied by tales from around the kitchen table and insider stories from the Robertson family, including the favourite meals of all the gang. It builds up to the perfect package for anyone who wants to bring a bit of backwoods country food and drink to their home - a heartwarming, mouthwatering treat.

Introduces baseball, discussing the different positions players play, the strike zone, and what the umpires do.

Counting by ones is so much fun! You count things each day. How many steps it takes to walk down the hall, how many fingers you have, and how many stuffed animals you have on your bed. This title teaches counting by ones by connecting illustrations and silly, rhyming text.

This title will allow students to count in sequence and tell the number of objects.

?????????"????"????,????????,????????????????????,????????????,????????,????????????????

In Counting by Fives, readers will learn how to count in sequence with repetitive text and imagery of familiar items. This 24-page title features colorful visual aids, simple text, comprehension and extension activities, and more to effectively engage beginning readers and reinforce the basics of counting. The Concepts: Shapes and Numbers series takes the learning of basic concepts to the next level. By connecting colors, counting, and shapes to what children know will result in greater understanding. Colors looks at the colors found in different seasons, Counting introduces children to the different ways they can count their favorite things, and shapes allows them to be creative and see what they can build.

Asks readers to perform mathematical calculations to compare different forms of transportation and determine the fastest way to get from one place to another.

The female members of the Duck Dynasty cast outline their behind-the-scenes roles in the Robertson family while discussing the core values that make their relationships work, explaining how their spiritual beliefs shape family dynamics and have helped them work through various challenges. TV tie-in.

Christian popular culture has tremendous influence on many American churchgoers. When we have a choice between studying the Bible and reading novels, downloading movies, or watching television, we become less familiar with Numbers than with Narnia. This book examines popular Christian narratives with rigorous scholarly methods and assumes that they are just as complex, fascinating, and worthy of investigation as the latest secular Netflix series or dystopian novel. While most scholars focus on the religious aspects of Christian texts, this study takes a new approach by analyzing their social responsibility in portraying the complex dynamics of race, class, and gender in a profoundly unequal America. Close readings of six case studies--The Chronicles of Narnia, Francine Rivers's Redeeming Love, Jan Karon's Mitford novels, Left Behind, the films of the Sherwood Baptist Church, and Duck Dynasty--uncover both harmful stereotypes and Christians serving as leaders in social justice.

Explores mathematics found in meteorology, discussing atmosphere, temperature, climate, and storms.

From New York Times bestselling author, star of A&E's Duck Dynasty, and matriarch of the popular Robertson family, comes a savory new collection of recipes that gives you and your family plenty of reasons to sit down together and share a meal, love, and laughter. Miss Kay is a master of the back-country, home-cooked meal. She has been cooking ever since she was a little girl and has perfected her skills through years of practice on the Robertson clan. After sharing some of her family's favorite recipes in Miss Kay's Duck Commander Kitchen, Miss Kay has gone back to her cupboard and pulled out more of her down-home, mouthwatering recipes, this time grouping her recipes around

reasons to get together—New Year's Eve spreads, special Mother's Day meals, Fourth of July picnics, Christmas dinners, church potlucks, and everything in-between. In addition to more than one hundred recipes, Miss Kay opens her heart to share hard-won wisdom and special memories, along with beautiful full-color photos and family pictures. And true to the Robertson faith, you'll find scriptures sprinkled throughout Miss Kay's newest collection of recipes. Take a peek into the off-camera life of America's favorite duck-loving family, the foods they love, and the wisdom and legacy that make a family strong.

The wives of the Robertsons all came into the family the same way: they fell in love with one of the Robertson boys. In the Duck DynastyTV series, the women often come into their own when the whole family gathers around the table together to eat dinner, and fans of the show get a good glimpse into their lives, but that is hardly the whole story, which is why they decided to write this book... In *The Women of Duck Commander*, the wives show how they have worked together to help one another and to support the family in all its work and its happiness. They are committed to timeless values, and in the book they share the insights, stories and experiences that have made them who they are. The appeal of the Duck Dynasty comes, not because they are showing us anything new, but they are reminding us of the values our culture is in danger of losing.

The straight-faced, funny man of Duck Dynasty has a real story to tell. Not a repeat of the previous Duck Dynasty books, Jase opens up about his personal family life, his childhood days with a drunken father, and how he came to faith. This open book from Jase may surprise some fans who love him for his dry humor and rivalry with younger brother Willie. This hilarious, yet thoughtful book, is structured around lessons of faith in the blind on topics like respect, passion, forgiveness, generosity, humility, kindness, and honesty. Chapters discuss: the highlights of Jase's memory of the early days with his drunken, disruptive father; his high school days and his strong commitment to not be like Phil had been, opting for total abstinence from drinking and sex; the moment he forgave Phil for being such a terrible father in his younger days; his first hunt with Phil, where he saw an excitement in Phil that he'd never seen before; his first date with Missy, which was a "fake date" to make another girl jealous; and of course, a chapter on Uncle Si, with stories not told in previous books. Other chapters include stories of his brothers, frog hunting and fishing, and his most memorable road trips. And finally, Jase shares a chapter on hunting in heaven. Here, Jase shares his love for the land and our responsibility to care for it. More than a behind-the-scenes look at this beloved Duck Dynasty character, readers will be inspired and encouraged to implement Jase's lessons from the blind into their own lives.

Explores mathematics found in construction, follows a building project from start to finish, and discusses the first skyscraper.

There's no region of the country more cherished and unique when it comes to food than the South. Southerners celebrate our food traditions. They are totems of our collective identity. Our grits, our fried chicken, our sweet tea, our butterbeans, our biscuits: These are powerful symbols of not just of Southern tastes but also of Southern values, of the kind of simple, honest-to-goodness home cooking, prepared with generosity of spirit and served up with generosity of ladle. These recipes are what distinguish and bind Southern culture. *No Taste Like Home* embraces the cultural identity of towns large and small all throughout the South and provides readers with recipes, stories, and highlights of all the unique regional flavors -- from the Heartland of Dixie to Cajun Country, from The Coastal South to Bluegrass, Bourbon and BBQ Country and all points in between. Organized geographically, the cookbook focuses on each of 6 regions in the South. Every chapter will include highlights of specific towns and contain essays describing, literally, the flavor of the place. The highlighted towns will offer multiple recipes as well as musings from notable locals, and "locally famous" chefs. Just some of the recurring editorial features include: a travelogue introduction discussing regional specialties and folklore Standout recipes from local chefs and "almost famous" home cooks Musings from locals about their town "Hometown Flavor" features on Southern iconic ingredients that are commonly used in the regional cuisine "What We're Craving" features highlighting a local restaurant or town-specific dish that locals crave when they're not at home "Local Know-how" features of insider secrets from the locals, from how to pick the freshest produce, to the best way to prepare their own recipes

In *Circles and Rectangles*, readers will learn how shapes show up in their everyday lives. This 24-page title features colorful visual aids, simple text, comprehension and extension activities, and more to effectively engage beginning readers and reinforce the basics of early shapes. The *Concepts: Shapes and Numbers* series takes the learning of basic concepts to the next level. By connecting colors, counting, and shapes to what children know will result in greater understanding. *Colors* looks at the colors found in different seasons, *Counting* introduces children to the different ways they can count their favorite things, and *Shapes* allows them to be creative and see what they can build.

The matriarch star of the hit show Duck Dynasty collects more than 100 recipes in a book that also includes stories, wisdom and quotes from scripture. Original.

Squares and triangles, triangles and squares. So many things you can make with just two shapes! This interactive text allows children to guess what object is being made with these shapes. Children will learn this basic concept by making connections with the world around them. This title will allow students to make a connection between two individuals, events, ideas, or pieces of information.

In Sister Roar, Duck Dynasty matriarch Miss Kay and her daughter-in-law Lisa empower their sisters in faith to discover their true voices, build genuine sisterhood, and live their strongest, happiest, most fulfilled lives--all centered around the only One who loves perfectly--Jesus. Women's voices need to be heard--now more than ever. Through faith-filled, poignant, and sometimes hilarious stories about the sisterhood they've built with each other and with other women they've met on their journey, Kay and Lisa's scripture-infused message will help readers overcome loneliness, disappointment, and past mistakes. Readers will learn how to identify their unique roar; laugh and cry as they hear Miss Kay and Lisa's stories of healed heartbreaks and God's transformation of each of their voices; meet beloved women of the Bible, such as Lydia and the woman at the well; and discover a place of sisterhood where they can be themselves and be loved for who they are. Sister Roar is sure to encourage every woman who wants to find her voice, build community, and experience a fulfilling life. Ultimately, Miss Kay and Lisa's desire is to share the life-changing love and mercy of Jesus. This is their love letter to their sisters everywhere.

Presents a behind-the-scenes look at the Roberston family, documenting the teenage romance and marriage of Willie and Korie Robertson, their success as a multi-million dollar hunting equipment business, and their rise to stardom on reality television.
