This directory of educational communications and
technology masters programs contains descriptions of
programs in both the United States and foreign
countries. The U.S. listings are categorized by state.
Data for each institution include an address and contact
person; a listing of courses; information on prerequisites
for entering the program; acceptance of transfer
students; program duration; thesis requirements;
combined masters degree programs; program content;
major and minor fields; course waivers; availability of
special advisement and retention activities; areas of
emphasis within the curriculum; instructional techniques;
and accreditation. The first of four appendixes contains
the same program information for international programs
in 15 countries. Faculty data (including name, rank, full-
or part-time status, degree and granting university, and
research interests) are included in the second appendix.
The third appendix contains samples of questionnaires
used to gather data for the directory, and a list of U.S.
schools with doctoral programs comprises the final
appendix. (GL)
