This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Directed primarily toward undergraduate business or management majors, this text also provides practical content to current and aspiring industry professionals. There is no greater asset to a company than its employees—which is why Human Resource Management shows readers how to maximize a firm's potential through identifying and keeping an ideal workforce. The new edition reflects many recent changes in the industry, across the country, and around the globe, including the 2012 national elections, continuing economic uncertainty, technological changes including an increase in mobile recruiting and learning, and the integral role that social media tools such as wikis, blogs, LinkedIn Facebook, and Twitter now play in the field of HR. The book provides helpful insights for those who aspire to management positions. Combining Theory & Practice: A Modern Guide to Human Resources Human Resource Management addresses the study of HR in a realistic, practical, and stimulating manner. Examples of how HR management is practiced in the real world and the relationship between various HR topics are interwoven throughout the text, giving students a thorough introduction to the field based on sound theoretical concepts and practice. The 14th Edition reveals HR's strategic importance to management and the overall health of an organisation. The text also addresses the ongoing shrinkage of internal HR departments as many companies shift towards HR outsourcing, HR shared service centers, and professional employer organisations. Students should walk away with an appreciation for how the HR profession continues to shed its administrative image and while focusing on mission-oriented activities. The full text downloaded to your computer With eBooks you can: search for key concepts, words and phrases make highlights and notes as you study share your notes with friends eBooks are downloaded to your computer and accessible either offline through the Bookshelf (available as a free download), available online and also via the iPad and Android apps. Human Resource Management, Global Edition

Essay from the year 2019 in the subject Business economics - Personnel and Organisation, grade: 1, , language: English, abstract: This study aims to underline the importance of body language as the unspoken element of communication within the the context of the hospitality

Online Library Mondy Human Resource Management

industry. Therefore, the connection between body language and HR will be reflected and investigated in this research paper. In order to do so, a short introduction in the Human Resource Management and in body language is given before delving deeper into their connection. As a last point, a short conclusion is drawn, again stressing the importance of body language for the aforementioned field and providing a short guideline for recruiters in terms of observing body language at candidates.
