WIPO's World Intellectual Property Report 2013 explores the role that brands play in today's global marketplace. The Report looks at how branding behavior and trademark use have evolved in recent history, how they differ across countries, what is behind markets for brands, what lessons economic research holds for trademark policy, and how branding strategies influence companies' innovation activities.

and governments have to make frequent choices- choose to watch TV first, and then do homework; choose to save pocket money to buy books instead of snacks; Should the government choose to print money to save the economy or increase public construction to create jobs? The government will also use incentives, such as raising fines, to influence people's choices. Economics is to help us make better choices, make our lives, and make the world a better and fair world.
