From the celebrated author of *Swimming at Night*, a powerful and moving saga of one woman's struggle to overcome her husband's death and uncover his dark, mysterious past. A young widow discovers her husband was not who he claimed to be—and finds herself falling in love with the wrong man. Eva has only been married for eight months when her husband, Jackson, is swept to his death while fishing. Weighed down by confusion and sorrow, Eva decides to take leave of her midwifery practice and visit Jackson's estranged family with the hope of grieving together. Instead, she discovers that the man she loved so deeply is not the man she thought she knew. Jackson's father and brother reveal a dark past, exposing the lies her marriage was built upon. As Eva struggles to come to terms with the depth of Jackson's deception, she must also confront her growing attraction to Jackson's brother, Saul, who offers her intimacy, passion, and answers to her most troubling questions. Will Eva be able to move forward, or will she be caught up in a romance with Saul, haunted by her husband's past? Threading together beautiful, wild settings and suspenseful twists, *A Single Breath* is a gripping tale of secrets, betrayals, and new beginnings.

Mystery crime fiction written in the Golden Age of Murder "The combination of bracing Cornish cliffs and seascapes with cozy interiors and a cerebral mystery makes this one of the most deservedly resurrected titles in the British Library Crime Classics series." —Booklist STARRED review 'Never, even in his most optimistic moments, had he visualised a scene of this nature—himself in one armchair, a police officer in another, and between them a mystery.' The Reverend Dodd, vicar of the quiet Cornish village of Boscawen, spends his evenings reading detective stories by the fireside—but heaven forbid that the shadow of any real crime should ever fall across his seaside parish. The vicar's peace is shattered one stormy night when Julius Tregarthan, a secretive and ill-tempered magistrate, is found at his house in Boscawen with a bullet through his head. The local police inspector is baffled by the complete absence of clues. Luckily for Inspector Bigswell, the Reverend Dodd is on hand, and ready to put his keen understanding of the criminal mind to the test. This classic mystery novel of the golden age of British crime fiction is set against the vividly described backdrop of a fishing village on Cornwall's Atlantic coast. It is now republished for the first time since the 1930s with an introduction by award-winning crime writer

Martin Edwards.

Klinefelter's syndrome occurs relatively frequently, being diagnosed for one in 600 male infants, yet it is probably very rare that it is recognized early enough to make effective treatment possible. Often the person afflicted does not go to a doctor until physical and emotional disturbances have developed on the basis of the syndrome. The appropriate therapy at the correct time can prevent many of these disturbances. In our andrology outpatient clinic we encountered Klinefelter's syndrome almost three decades ago in patients suffering from impotentia generandi. It was not until later that we dealt with it in our capacities as dermatologists. It was observed at a rate too high to be coincidental among younger men suffering from ulcera crurum. On the other hand, we failed to see the condition during our work as consultants in other specialities, especially internal medicine, although we repeatedly attempted to identify it. We should have encountered it at least occasionally in our 10 years working in the Munich hospitals with their more than 4000 beds. It was this imbalance between the allegedly relative frequency of this condition and its rare detection which led us to plan a Klinefelter symposium. We soon determined, during a first search of the literature, that there was information in many more subject areas that we had expected or even guessed.

Soon to be a major Amazon Prime TV series The eighth novel in the Wheel of Time series - one of the most influential and popular fantasy epics ever published. Rand al'Thor, the Dragon Reborn, has conquered the city of Illian, struck down Sammael the Forsaken and shattered the armies of the invading Seanchan. Nynaeve, Aviendha and Elayne have broken the Dark One's hold on the world's weather and are poised to retake the throne of Andor. And Egwene al'Vere, leader of the exiled Aes Sedai, marches her army towards the White Tower. But Rand and the Asha'man that follow him are slowly being corrupted by the madness that comes to the male wielders of the One Power. If they cannot remove the Dark One's taint from the True Source then none will survive to fight the Last Battle against the Shadow. And as Rand struggles to maintain his sanity the Seanchan launch their counter-strike. In *Mordin On Time*, Nick Mordin sets out his method for answering the most fundamental question facing punters in any race, namely: which is the fastest horse? He was timing the sections of races with a stop watch, estimating wind strength and direction, adjusting for movements of running rails, using projected times and calculating average times years before the best-selling American books on speed rating were published. This new edition incorporates much new material, including standard times for all Irish racecourses (plus the major French ones). *Mordin On Time* enables the reader to construct their own speed ratings wherever they live.

While a mother can be defined as a creator, a nurturer, a protector—at the center of each mother is an individual who is attempting to manage her own fears, desires, and responsibilities in different and sometimes unexpected ways. In *Know the Mother*, author Desiree Cooper explores the complex archetype of the mother in all of her incarnations. In a collage of meditative stories, women—both black and white—find themselves wedged between their own yearnings and their roles as daughters, sisters, grandmothers, and wives. In this heart-wrenching collection, Cooper reveals that gender and race are often unanticipated interlopers in family life. An anxious mother reflects on her prenatal fantasies of suicide while waiting for her daughter to come home late one night. A lawyer miscarries during a conference call and must proceed as though nothing has happened. On a rare night out with her husband, a new mother tries convincing herself that everything is still the same. A politician's wife's thoughts turn to slavery as she contemplates her own escape: "Even Harriet Tubman had realized that freedom wasn't worth the price of abandoning her family, so she'd come back home. She'd risked it all for love." With her lyrical and carefully crafted prose, Cooper's stories provide truths without sermon and invite empathy without sentimentality. *Know the Mother* explores the intersection of race and gender in vignettes that pull you in and then are gone in an instant. Readers of short fiction will appreciate this deeply felt collection.

A single woman's cat has a curious way of playing matchmaker when he steals from a handsome neighbor in this romance novel inspired by a true story. Jamie Snyder may be thirty-four and single, but she's far from ready to mingle. After one too many bad relationships, she's ready to focus on herself—and her adorable tabby cat MacGyver, of course. Despite MacGyver's habit of sneaking out at night to steal things from the neighbors, he's still the only male Jamie trusts. He's also the only companion she needs . . . or so she tells herself. MacGyver knows his human is lonely. He can smell it. It's the same smell he's noticed on their neighbor David, a handsome young baker who's tired of his friends trying to fix him up. But now MacGuyver the cat burglar is on the case. First, he steals something from David's house and stashes it at Jamie's. Then, he steals something from Jamie's house and leaves it with David. Before long, the two are swapping stolen goods, trading dating horror stories, and trying not to fall in love. But they're not fooling MacGyver. When humans generate this much heat, the cat is out of the bag . . .

A witty philosophical murder mystery with a charming twist: the crack detectives are sheep determined to discover who killed their beloved shepherd. On a hillside near the cozy Irish village of Glennkill, a flock of sheep gathers around their shepherd, George, whose body lies pinned to the ground with a spade. George has cared devotedly for the flock, even reading them books every night. Led by Miss Maple, the smartest sheep in Glennkill (and possibly the world), they set out to find George's killer. The A-team of investigators includes Othello, the "bad-boy" black ram; Mopple the Whale, a Merino who eats a lot and remembers everything; and Zora, a pensive black-faced ewe with a weakness for abysses. Joined by other members of the richly talented flock, they engage in nightlong discussions about the crime, wild metaphysical speculations, and embark on reconnaissance missions into the village, where they encounter some likely suspects. Along the way, the sheep confront their own all-too-human struggles with guilt, misdeeds, and unrequited love. Funny, fresh, and endearing, it introduces a wonderful new breed of detectives to Canadian readers.

Soon to be a major Amazon Prime TV series The eleventh novel in the Wheel of Time series - one of the most influential and popular fantasy epics ever published. As the very fabric of reality wears thin, all portents indicate that Tarmon Gai'don, the Last Battle, is imminent - and Rand al'Thor must ready

himself to confront the Dark One. But Rand must first negotiate a truce with the Seanchan armies, as their forces increasingly sap his strength. All is in flux as established powers falter . . . In Caemlyn, Elayne fights to gain the Lion Throne while trying to avert civil war and Egwene finds that even the White Tower is no longer a place of safety. The winds of time have whirled into a storm, and Rand and his companions ride in the vortex. Pragmatic Randomized Clinical Trials Using Primary Data Collection and Electronic Health Records addresses the practical aspects and challenges of the design, implementation, and dissemination of pragmatic randomized trials, also sometimes referred to as practical or hybrid randomized trials. While less restrictive and more generalizable than traditional randomized controlled trials, such trials have specific challenges which are addressed in this book. The book contains chapters encompassing common designs along with advantages and limitations of such designs, analytic aspects in planning trials and estimating sample size, and how to use patient partners to help design and operationalize pragmatic randomized trials. Pragmatic trials conducted using primary data collection and trials embedded in electronic health records - including electronic medical records and administrative insurance claims - are addressed. This comprehensive resource is valuable not only for pharmacoepidemiologists, biostatisticians and clinical researchers, but also across the biomedical field for those who are interested in applying pragmatic randomized clinical trials in their research.

- Addresses typical designs and challenges of pragmatic randomized clinical trials (pRCTs)
- Encompasses analytic aspects of such trials
- Discusses real cases on operational challenges in launching and conducting pRCTs in electronic health records

Aubrey Grant lives in the tropical paradise of Old Town, Key West, has a cute cottage, a sweet moped, and a great job managing the historical property of a former sea captain. With his soon-to-be-boyfriend, hotshot FBI agent Jun Tanaka, visiting for a little R&R, not even Aubrey's narcolepsy can put a damper on their vacation plans. But a skeleton in a closet of the Smith Family Historical Home sure does throw a wrench into the works. Its identity drags Aubrey and Jun into a mystery with origins over a century in the past. They uncover a tale of long-lost

treasure, the pirate king it belonged to, and a modern-day murderer who will stop at nothing to find the hidden riches. And if a killer on the loose isn't enough to keep Aubrey out of the mess, it seems even the restless spirit of Captain Smith is warning him away. The unlikely partnership of a historian and special agent may be exactly what it takes to crack this mystery wide-open and finally put an old Key West tragedy to rest. But while Aubrey tracks down the X that marks the spot, one wrong move could be his last.

"When you think that life cannot get better, Blake Pierce comes up with another masterpiece of thriller and mystery! This book is full of twists, and the end brings a surprising revelation. Strongly recommended for the permanent library of any reader who enjoys a very well-written thriller." --Books and Movie Reviews (re Almost Gone) A MURDER IN PARIS is the debut novel in a charming new cozy mystery series by USA Today bestselling author Blake Pierce, whose #1 bestseller Once Gone has received 1,500 five-star reviews. Diana Hope, 55, is still adjusting to her recent separation when she discovers her ex-husband has just proposed to a woman 30 years younger. Secretly hoping they would reunite, Diana is devastated. She realizes the time has come to reimagine life without him—in fact, to reimagine her life, period. Devoting the last 30 years of her life to being a dutiful wife and mother and to climbing the corporate ladder, Diana has been relentlessly driven, and has not taken a moment to do anything for herself. Now, the time has come. Diana never forgot her first boyfriend, who

begged her to join him for a year in Europe after college. She had wanted to go so badly, but it had seemed like a wild, romantic idea, and a gap year, she'd thought, would hinder her resume and career. But now, with her daughters grown, her husband gone, and her career no longer fulfilling, Diana realizes it's time for herself—and to take that romantic year in Europe she'd always dreamed of. Diana prepares to embark on the year of her life, finally turning to her bucket list, hoping to tour the most beautiful sights and sample the most scrumptious cuisines—and maybe, even, to fall in love again. But a year in Europe may have different plans in store for her. Can A-type Diana learn to go with the flow, to be spontaneous, to let down her guard and to learn to truly enjoy life again? In *A MURDER IN PARIS* (Book #1), Diana hopes to kick off her journey, and find new love, with an unforgettable night at the Versailles ball. But when the dramatic night takes a harrowing turn she could never expect, Diana realizes she will have to solve the crime—or else have her trip end in disaster. *A YEAR IN EUROPE* is a charming and laugh-out-loud cozy mystery series, packed with food and travel, with mysteries that will leave you on the edge of your seat, and with experiences that will leave you with a sense of wonder. As Diana embarks on her quixotic quest for love and meaning, you will find yourself falling in love and rooting for her. You will be in shock at the twists and turns her journey takes as she somehow finds herself at the center of a mystery, and must play amateur sleuth to solve it. Fans of books like *Eat, Pray, Love* and *Under the Tuscan Sun* have finally found the cozy mystery series they've been hoping for! Book #2 (*DEATH IN FLORENCE*) and book #3 (*VENGEANCE IN VIENNA*) in the series are now also available!

WINNER OF THE WOMEN'S PRIZE FOR FICTION 'This ambitious account of a sudden coming of age reminded me strongly of *To Kill a Mockingbird* - and is every bit as moving and satisfying' Daily Telegraph In the long hot summer of 1972, three events shattered the serenity of ten-year-old Marsha's life: her father ran away with her mother's sister; a young boy called Boyd Ellison was molested and murdered; and Watergate made the headlines. Living in a world no longer safe or familiar, Marsha turns increasingly to 'the book of evidence' in which she records the doings of the neighbors, especially of shy Mr Green next door. But as Marsha's confusion and her murder hunt accelerate, her 'facts' spread the damage cruelly and catastrophically throughout the neighborhood. 'It is impossible not to be completely swept along. Berne's vision is gently humorous, ironic, quirky, and she writes with such piercing sensitivity . . . a compelling debut novel' The Times 'Intensely evocative. If the stones of the house could talk... When Kat Stanford abandons a successful television career to help her mother Iris move into a rustic carriage house in Devon, she quickly discovers that behind the well-trimmed hedgerows, Honeychurch Hall is populated by more eccentrics than Kat had ever met in all her time in London. The Dowager Countess, Lord and Lady Honeychurch, their precocious seven-year-old heir, his missing nanny, a brooding stable manager, a housekeeper with an extensive designer shoe collection... Everyone seems to harbour a secret -- and Kat's mother may be hiding the darkest of them all...

The Inside Track describes the methods Alan used to generate over \$50,000 profit from his betting during 1997. The author has studied many American texts

and explains how he has mixed their ideas with his own 30 years experience of British racing and betting. There are no systems, no rules and no guarantees in this book, yet anybody who likes to bet on horse racing is sure to find material here that will challenge accepted beliefs and persuade them to think in new ways about their betting. In his first book, Alan explained that to make a living it was necessary to bet Against The Crowd. This book expands on that and takes the reader inside the mind of one of the most successful professional punters operating in the country. There are separate sections covering Flat racing and Jumping, and also detailed discussions of All-weather racing and the growing world of spread betting.

A thrilling fantasy debut—a high-stakes heist novel set in a gritty world of magic and malice, and perfect for fans of *Six of Crows*! In just over a year's time, Ryia Cautella has already earned herself a reputation as the quickest, deadliest blade in the dockside city of Carrowwick—not to mention the sharpest tongue. But Ryia Cautella is not her real name. For the past six years, a deadly secret has kept her in hiding, running from town to town, doing whatever it takes to stay one step ahead of the formidable Guildmaster—the sovereign ruler of the five kingdoms of Thamorr. No matter how far or fast she travels, his servants never fail to track her down...but even the most powerful men can be defeated. Ryia's path now leads directly into the heart of the Guildmaster's stronghold, and against every instinct she has, it's not a path she can walk alone. Forced to team up with a crew of assorted miscreants, smugglers, and thieves, Ryia must plan her next moves very carefully. If she succeeds, her freedom is won once and for all...but unfortunately for Ryia, her new allies are nearly as selfish as she is, and they all have plans of their own.

In a land where monsters are a thing of bedtime stories meant to scare young children into behaving, humans live each day struggling to get by. The kingdom Solara is dwindling as the last of their wealth is stretched thin to protect the many small villages blemishing the map outside of the capital city's walls. Those too poor to live near the capital, on the edge of the wild Forest Mordin, must fend for themselves as yet another harvest is coming to an end. Little are they aware that the lack of food stored for the winter is the least of their concerns. Trouble is brewing in the Forest Mordin as creatures long forgotten by Solara find themselves on the brink of a civil war. The vampires and humans who live by the law of House Faegon and the Crown are being terrorized by a vicious band of rogues who follow the ruthless King Logan. Logan and his followers will do anything to see the Crown fall in order to live according to more primal instincts and desires. The rogues have no desire to ignore the human kingdom, nor do they care to obey the Crown's dated formalities. Change is swiftly descending on the land and no one, human or vampire, will be spared from the consequences.

A manifesto for optimism in a dark age' Luke Harding, Observer How did a collective of self-taught internet sleuths end up solving some of the biggest crimes of our time? Bellingcat, the home-grown investigative unit, is redefining the way we think about news, politics and the digital future. Here, their founder – a high-school dropout on a kitchen laptop – tells the story of how they created a whole new category of information-gathering, galvanising citizen journalists across the globe to expose war crimes and pick apart disinformation, using just their computers. From the downing of Malaysia Flight 17 over the Ukraine to the sourcing of weapons in the Syrian Civil War and the identification of the Salisbury poisoners, We Are Bellingcat digs deep into some of Bellingcat's most successful investigations. It explores the most cutting-edge tools for analysing data, from virtual-reality software that can build photorealistic 3D models of a crime scene, to apps that can identify exactly what time of day a photograph was taken. In our age of uncertain truths, Bellingcat is what the world needs right now – an intelligence agency by the people, for the people.

Frank Derrick is eighty-one. And he's just been run over by a milk float. It was tough enough to fill the hours of the day when he was active. But now he's broken his arm and fractured his foot, it looks set to be a very long few weeks ahead. Frank lives with his cat Bill (which made more sense before Ben died) in the typically British town of Fullwind-on-Sea. He watches DVDs, spends his money frivolously at the local charity shop and desperately tries to avoid cold callers continually knocking on his door. Then a breath of fresh air comes into his life in the form of Kelly Christmas, home help. With her little blue car and appalling parking, her cheerful resilience and ability to laugh at his jokes, Kelly changes Frank's extra ordinary life. She reminds him that there is a world beyond the four walls of his flat and that adventures, however small, come to people of all ages. Frank and Kelly's story is sad and funny, moving, familiar, uplifting. It is a small and perfect look at a life neither remarkable nor disastrous, but completely extraordinary nonetheless.
