"This book provides a comprehensive assessment of
the latest developments in Web services research,
focusing on composing and coordinating Web
services, XML security, and service oriented
architecture, and presenting new and emerging
research in the Web services discipline"--Provided
by publisher.

Includes special issues.

The Congressional Record is the official record of the
proceedings and debates of the United States Congress.
It is published daily when Congress is in session. The
Congressional Record began publication in 1873.
Debates for sessions prior to 1873 are recorded in The
Debates and Proceedings in the Congress of the United

States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873) "More information is packed into one volume that will be useful to a wider audience than any other manual of this kind yet published in the history of botany."--David L. Magney, The California Native Plant Society "A single work . . . simultaneously accessible to dedicated beginners and indispensable to professional botanists. . . . For the first time in one volume a user-friendly flora of the exceedingly diverse higher plants of California."--Mildred E. Mathias, editor of Flowering Plants in the Landscape "Allows amateurs and professionals alike to easily and accurately identify plant species. . . . A product that will contribute in a major way to the preservation of California's unique floral resource. Our gratitude and congratulations for a job well done."--Phyllis Faber, Editor, Fremontia "Sets new standards for excellence . . . and picks up beautifully on the contemporary idea that botanical work should be fully accessible to the general public as well as to scientists."--Peter H. Raven, Missouri Botanical Garden "Precise and accurate, a masterpiece of clarity and succinctness."--G. Ledyard Stebbins, University of California, Davis
