

research and includes information and advice not available from any other source. In-depth profiles on more than 300 accredited programs in the United States and Canada provide details on specializations or tracks, admission requirements, acceptance rates, financial aid, research areas, clinical opportunities, and more.

Multiple Mini Interview (MMI) for the Mind is a must read for every applicant seeking admission to a health program that uses the MMIs. Drawing from extensive personal experience about the MMIs and insider knowledge as a former medical school admissions interviewer, Dr. Kevyn To has developed a unique 5 pocket approach to mastering the Multiple Mini Interview. Readers will highly benefit from the sample model answers given for fundamental MMI scenarios and highlighted pitfalls. The result is revolutionary and successfully prepares applicants for MMI style interviews through a critical framework that allows for adaptability rather than situational regurgitation.
