"[A] lighthearted mystery . . . Kids who like mystery and fantasy and fans of television's Sabrina, about a teenage witch, will like this" (Booklist). Nola's not much of a witch—she can work only a few useless spells, like the one that lets her spy on people. But there's no spell for keeping her crazy mother—who hears voices and is a magnet for witch-hunters—out of trouble. The two flee from town to town until the day Nola witnesses a murder. Which is bad enough, but worse is that the murderer may frame Nola and her mother for the crime. And then no amount of magic will save her. And you think your teenage years are tough . . . "Dialogue is fast and funny, the characters evincing a certain human desperation that makes them (the good guys, anyway) unfailingly sympathetic. Introduce Rowling fans to Vande Velde, and watch them make magic." —The Bulletin of the Center for Children's Books "Vande Velde has produced a winner in this fantasy mystery . . . [Fans] will not be disappointed in this funny and charming story, which will attract mystery and romance lovers as well." —VOYA "Vande Velde's offering throws murder, witchcraft, and romance into the brew . . . The well-developed characters provide entertaining reading." —School Library Journal "Fun and suspense for readers . . . Entertaining." —Publishers Weekly "The story moves from a witch's tale of many spells, to a murder mystery, and finally, a love story . . . Amusing, light reading." —Kliatt "An entertaining fantasy for any reader." —SF Site

Modern witchcraft blends with ancient Celtic mythology in an epic clash of witches and gods, perfect for fans of V.E. Schwab's *Shades of Magic* trilogy and the *Chilling Adventures of Sabrina*. Seventeen-year-old Dayna Walsh is struggling to cope with her somatic OCD; the aftermath of being outed as bisexual in her conservative Irish town; and the return of her long-absent mother, who barely seems like a parent. But all that really matters to her is ascending and finally, finally becoming a full witch—plans that are complicated when another coven, rumored to have a sordid history with black magic, arrives in town with premonitions of death. Dayna immediately finds herself at odds with the bewitchingly frustrating *Meiner King*, the granddaughter of their coven leader. And then a witch turns up murdered at a local sacred site, along with the blood symbol of the Butcher of Manchester—an infamous serial killer whose trail has long gone cold. The killer's motives are enmeshed in a complex web of witches and gods, and Dayna and *Meiner* soon find themselves at the center of it all. If they don't stop the Butcher, one of them will be next.

Sister witches Margaret and Clara Balefire are starting to wonder if they should have opened a detective agency instead of an antique shop. For the second time since moving to the sleepy coastal village of Harmony, Clara and Mag Balefire find themselves involved in a murder investigation—only this time, catching the killer means clearing the Balefire name. As if trying to catch a murderer isn't enough, the mischievous elderly leader of the local coven seems intent on exposing magic to the entire town. However, things aren't always as they seem when it comes to ancient magic and those powerful enough to wield it. If you like magic, murder, and spunky old witches, then join the Balefire sisters as they stalk the local country club and build a love nest for perilous pixies in order to clear their good name. *Murder on the Backswing* is the second book in the *Elder Witch* paranormal cozy mystery series. This is a full-length, humorous paranormal cozy mystery novel.

A New York Times Bestseller Deluxe edition with special embellishments on first printing only! "Spectacular, singular, and spellbinding." —Casey McQuiston, New York Times bestselling author of *Red, White & Royal Blue* The Last Magician meets *The Lady's Guide to Petticoats and Piracy* in this thrilling and atmospheric historical fantasy following a young woman who discovers she has magical powers and is thrust into a battle between witches and wizards. In 1911 New York City, seventeen-year-old Frances Hollowell spends her days as a seamstress, mourning the mysterious death of her brother months prior. Everything changes when she's attacked and a man ends up dead at her feet—her scissors in his neck, and she can't explain how they got there. Before she can be condemned as a murderess, two cape-wearing nurses arrive to inform her she is deathly ill and ordered to report to Haxahaven Sanitarium. But Frances finds Haxahaven isn't a sanitarium at all: it's a school for witches. Within Haxahaven's glittering walls, Frances finds the sisterhood she craves, but the headmistress warns Frances that magic is dangerous. Frances has no interest in the small, safe magic of her school, and is instead enchanted by Finn, a boy with magic himself who appears in her dreams and tells her he can teach her all she's been craving to learn, lessons that may bring her closer to discovering what truly happened to her brother. Frances's newfound power attracts the attention of the leader of an ancient order who yearns for magical control of Manhattan. And who will stop at nothing to have Frances by his side. Frances must ultimately choose what matters more, justice for her murdered brother and her growing feelings for Finn, or the safety of her city and fellow witches. What price would she pay for power, and what if the truth is more terrible than she ever imagined? Social anthropology is, in the classic definition, dedicated to the study of distant civilizations in their traditional and contemporary forms. But there is a larger aspiration: the comparative study of all human societies in the light of those challengingly unfamiliar beliefs and customs that expose our own ethnocentric limitations and put us in our place within the wider gamut of the world's civilizations. Thematically guided by social setting and cultural expression of identity, *Social and Cultural Anthropology in Perspective* is a dynamic and highly acclaimed introduction to the field of social anthropology, which also examines its links with cultural anthropology. A challenging new introduction critically surveys the latest trends, pointing to weaknesses as well as strengths. Presented in a clear, lively, and entertaining fashion, this volume offers a comprehensive and up-to-date guide to social anthropology for use by teachers and students. Skillfully weaving together theory and ethnographic data, author Ioan M. Lewis advocates an eclectic approach to anthropology. He combines the strengths of British structural-functionalism with the leading ideas of Marx, Freud, and Levi-Strauss while utilizing the methods of historians, political scientists, and psychologists. One of Lewis' particular concerns is to reveal how insights from "traditional" cultures illuminate what we take for granted in contemporary industrial and post-industrial society. He also shows how, in the pluralist world in which we live, those who study "other" cultures ultimately learn about themselves. Social anthropology is thus shown to be as relevant today as it has been in the past.

Wicked witches. Murder. Mystery. Being a teacher at an academy for teenage witches is no easy job-especially when students are trying to kill you. Vega Bloodmire, wicked witch extraordinaire and teacher of defensive magic at Lady of the Lake School for Girls, has secrets she would prefer remain buried. Preferably six feet under. When a student dies in the middle of a lesson, the administration rules it as an accident. Vega has reason to question this. The death resembles an incident from her days as a student at the same magical boarding school-a death she got mixed up in-which is how she knows it is no accident. When the principal starts digging into the past and fingers start pointing at Vega as the culprit, she knows she's going to have to solve a murder from eight years before so she can figure out who committed the one in the present. Can Vega discover who committed both crimes before she is framed for murder? Enjoy this stand-alone book in this spin-off series of Womby's School for Wayward Witches. This book starts with Vega Bloodmire's life before working at Womby's School for Wayward Witches when she was a new and inexperienced teacher at Lady of the Lake School for Girls. Clean, cozy, no sex or swearing, PG 13-perfectly fine for teens or grandmas who like mysteries with magic.

Self-exiled to New York for the past two years, Nic Gaudet never planned to return to New Orleans. But with the mysterious death of an old man named Abel Delessard, a member of a family of Cajun witches who were his own family's greatest enemies, it seems he has fallen under suspicion of murder. He's been accused by none other than the man's grandson-and Nic's former lover-Thibeau Delessard. Nic is furious and travels to confront Thibeau and his family in an official capacity-Nic is a member of the Legislatours, the governing body of all the magic practitioners in the Big Easy, both the living and the undead. What he doesn't expect is for all his old feelings for Beau to come rushing back in the moment he sees him again. Thibeau Delessard had an excellent and heartbreaking reason to break up with Nic two years earlier, but it hasn't been anything he could tell him until now. Secrets and lies separate them now as they did in the past, but soon, they find themselves back in love and back in danger. Someone is trying his best to use magical spells and hexes to kill Thibeau. Evil pervades not only the French Quarter, but also the old Creole style house where the Delessard family lives. A web of plots is closing around Thibeau and his family, and if Nic can't find a way through it-and defeat the warlock magic with his own--they're all going to die. A cursed diamond, an evil book of spells and danger surrounds them on all sides in this city where the veil is thin between this world and the next, and most especially, after dark.

The witches are forever cooking up new business opportunities like The Westwick Corners Inn, The Witching Post Bar and Grill, and of course, Pearl's Charm School, where witches go to unravel riddles, spin magic spells, and create their own witch mysteries. Too bad they are forever getting distracted because there are always strange things happening in Westwick Corners, from petty crime to murder. The West family has always been in Westwick Corners and always will be. They descend from a long line of witches who have inhabited Westwick Corners from the beginning. This bundle contains books 1 - 3 of the Diva Delaney Mysteries. *Is Murder By Candlestick Still A Thing?*: Diva Delaney is the only normal living among a family of witches in Hollowood Grove. Although 'normal' can hardly be applied to a psychic medium. As if her life as the only non-magical person in the Delaney Coven isn't hard enough, she's the prime suspect in Edward Creighton's murder. Disliked by most, the only people who will miss the grumpy old warlock are the members of the Creighton Coven. Their hot local sheriff, Drew McTavish, is Diva's ex, sort of. They dated three times a couple of years ago before the mysterious curse someone put on her kicked in and punished him for kissing her. He doesn't believe in the mystical and he's just waiting to find proof of her involvement in the murder so he can lock her away. The Creighton Coven want justice for the death of one of their own. Haydn, Edward's great-nephew, has returned from England to take over running the Creighton Bookstore. Wickedly handsome and powerfully dangerous, he has his sights set on Diva and not in a good way. If she doesn't find the real killer, she could end up paying the price for a murder she didn't commit. Not even her four ghostly friends will be able to save her if the warlock decides she's guilty. *Voodoo Hoodoo Is Complete Doodoo*: Diva Delaney finds herself embroiled in a new mystery when she is asked to search for a missing witch. She is a psychic medium, not a private investigator, but she agrees as a favor to her

Aunt Isabel. She soon discovers that more than one witch has been kidnapped from the nearby town of Verity Falls. With the aid of some local ghosts, Diva needs to get to the bottom of this latest puzzle. She will need to call on magical assistance from her cousins and even one of her enemies. Haydn Creighton has been her secret obsession since she was a kid. Even though he's engaged to a snooty and slightly unstable British witch, Diva can't get him out of her mind. She already owes him a favor for accepting his help. After this latest mess, she could be digging herself in too deep to extricate herself. Just to complicate things, Diva's cousin, Courtney, has decided she wants to marry Drew McTavish. The sheriff has no idea the lengths magical folk will go to in order to get what they want. He still firmly believes the supernatural isn't real and he isn't at all prepared for what will soon be coming. Upsetting A Poltergeist Never Ends Well: Framed for another murder that she didn't commit, Diva Delaney once again finds herself neck deep in trouble. This time, she knows who is behind the crime, but proving it isn't going to be easy when the evidence against her is so overwhelming. She will have to rely on the father of her high school nemesis to get her out of jail. Luckily, Roger Mayhew owes her one, thanks to Haydn Creighton's blackmailing skills. As if Diva doesn't already have enough problems, Nina Rivers warns her that she's in danger. The witch might only have moderate power, but one thing she excels at is hunches. Her intuition is never wrong and she senses Diva is in extreme peril. Someone out there means her harm, but she doesn't know who it is, or when they'll strike. Personally, Diva suspects the danger will most likely come from Gillian Farque. Haydn's fiancé already has it in for her. Thanks to the damage Diva did to her sports car, she's going to make her pay big time. Diva's cousins, Eve and Courtney are having problems of their own. Eve's is a direct result of accompanying Diva on one of her jobs. Courtney's is self-inflicted. Her decision to attempt to force the handsome sheriff to fall for her has repercussions she didn't plan on. There's a reason why conjurers are forbidden from casting magic on normals. Doing so often backfires on the caster horribly. cozy paranormal mystery, cozy mystery, witches wizards warlocks, supernatural occult paranormal, female sleuth, spells magic, ghosts spirits phantoms poltergeist

In 1856 William Dove, a young tenant farmer, was tried and executed for the poisoning of his wife Harriet. The trial might have been a straightforward case of homicide, but because Dove became involved with Henry Harrison, a Leeds wizard, and demonstrated through his actions and words a strong belief in magic and the powers of the devil, considerable effort was made to establish whether these beliefs were symptomatic of insanity. It seems that Dove murdered his wife to hasten a prediction made by Harrison that he would remarry a more attractive and wealthy woman. Dove employed Harrison to perform various acts of magic, and also made his own written pact with the devil to improve his personal circumstances. The book will study Dove's beliefs and Harrison's activities within the rural and urban communities in which they lived, and examine how modern cultures attempted to explain this largely hidden mental world, which was so sensationally exposed. The Victorian period is often portrayed as an age of great social and educational progress. This book shows how beliefs dismissed by some Victorians as 'medieval superstitions' continued to influence the thoughts and actions of many people, viz most famously Conan `table tapper' Doyle. First published in the year 1597, the present book 'Daemonologie' is originally a philosophical dissertation on contemporary necromancy and the historical relationships between the various methods of divination used from ancient Black magic written by King of England James I.
