

My Hero Academia Vol 7

A villain incident when Aizawa was a student at U.A. changed him forever. Who could have known that fateful encounter would someday have an impact on the present? But as time goes by, life also changes for Koichi, Pop, Makoto and everyone else. The glory days of Narufest are over, and it's time to move on. With All Might in retirement, Endeavor takes up the mantle of the number one hero, a position he's coveted for years. But now that he has it, he's not entirely comfortable with the responsibilities and risks that come with it—both heroes and villains are always gunning for number one. What does the future hold for Midoriya, and what do his dreams about One For All mean? -- VIZ Media

Not everyone needs a license to fight for justice! In a superpowered society, there is nothing ordinary about evil anymore. Heroes, trained and licensed to protect and defend the public against supervillains, stand above all the rest. Not everyone can be a hero, however, and there are those who would use their powers to serve the people without legal sanction. But do they fight for justice in the shadows, or for reasons known only to themselves? Whatever they fight for, they are called...vigilantes. With Pop possessed and wreaking havoc as Bee Pop, Koichi must push his Quirk to the limits to try to save her. The pressure is on, because if Pop won't fulfill the duplicitous Number 6's plans, this evil villain is more than willing to sacrifice her. The chaos downtown has also drawn the attention of Endeavor, the fiery number two hero, and his scorched-earth methods of dealing with trouble make no distinction between villain and vigilante!

Knuckleduster has saved his daughter Tamao, but for now, he's not letting anyone else know that he's back. That's just as well, since Koichi and Pop Step have their hands full getting ready for an all-out entertainment extravaganza—Captain Celebrity's final appearance in Japan at the Sky Egg stadium! Unfortunately, the high-speed villain from Osaka is also preparing to initiate a major catastrophe at the event. When the chips are down, Captain Celebrity and Koichi may not be the heroes we want, but are they the heroes we need? -- VIZ Media

What would the world be like if 80 percent of the population manifested superpowers called "Quirks" at age four? Heroes and villains would be battling it out everywhere! High School for budding heroes, his life is looking

more and more like a dead end. Then an encounter with All Might, the greatest hero of them all, gives him a chance to change his destiny...
