Keeping up-to-date with everyday tasks, through the use of the Notes, Calendar, Contacts and Reminders apps • Health and wellbeing, using the new Health app that is designed to collate a range of health and fitness information. An in-depth chapter on iCloud, Apple's online storage, sharing and backup service, explains how iCloud works and shows how it can automatically store your data and share your photos so you don't have to worry about losing information should anything happen to your iPhone. iPhone for Seniors in easy steps takes the mystery out of using your iPhone and shows how it can become your most useful digital companion, ready to help keep you in touch, up-to-date and entertained.

The whole series is designed to save learning time and guaranteed to give the best value. Whether you want to get to grips with Windows, Photoshop or even the latest digital gadget, these easy-to-follow guides are the perfect companion for fast and productive learning. Written in a jargon-free, easy-to-follow style with helpful graphics, the In Easy Steps books explain everything the user needs to know to get working with a new device, programming language, software, electronics, or to sharpen up other professional skills. Each chapter takes you step-by-step through the functions and uses of a program. Every page is packed with visual guides so that what you see on your screen is exactly the same in the book - you simply can't go wrong!

compact, versatile tablet computer that packs a real punch in terms of its functionality. It is now widely used and in many ways it is ideal for children: it is user-friendly, compact, powerful and stylish into the bargain. But for a parent, the idea of your child using an iPad can be a daunting one: how do you know what they are using it for, what are they looking at on the web and how are they communicating with their friends? A Parent's Guide to the iPad in easy steps is the guide that aims to put parents' minds at ease and lets them understand the iPad, while helping their child explore this exciting machine. The book looks at the functionality of the iPad so that you can understand how your child is using it, and also make the most of yourself. It then covers a range of topics for which the iPad can be used: education, games, photos, music, creativity and social networking. This third edition covers the latest operating system, iOS 7. A Parent's Guide to the iPad in easy steps will inspire parents to use their iPad to encourage more learning!
