Jared Bagwell, 22, is locked in a world where sound and now sight are becoming more limited and he is haunted by the future. These circumstances alone have rocked his world, To a point where he believes that God has abandoned him. He learned six months ago that his best friend who is also his father, Greg, has a terminal illness and is not expected to live much longer. This just adds to his doubts and fears about the future and adds to his belief that God doesn't love him. As a last request, Greg Bagwell, his dying father, coordinates his own living memorial service to be held at one of his favorite places which ties in to his love of movies: a near-by, local movie theatre in the far western suburbs of Chicago, Illinois. The stories that unfold from family and friends who speak at the service begin to tug at Jared's heart-strings. Greg thought of every detail For The service, making sure that each presenter focused on God through presentations of oil paintings that he created specifically for those asked to speak, each having deep spiritual meaning to each presenter. The canvases provide telling memories that ensure each person stays focused on God's Word, Love, Redemption, Grace, Mercy and Hope. Although Jared is losing his sight, his eyes begin to open To The amazing love of God, breaking down walls that had built up over time. Usher Me Home is an inspirational story that unfolds with a number of family secrets, broken relationships, and devastating health concerns within the Bagwell family, combined with undeserved and unbelievable forgiveness and restoration. it is a story of a young man that re-discovers hope in the midst of circumstances

? Believe in love after life ? After aerial silk artist Emi Paul's accident, the voices in her head told her she couldn't die. So she didn't. Life after death for Emi feels like a never-ending series of doctor's appointments and a whole lot of doing nothing in the name of "recovery." Fortunately, the reincarnation of her favorite swash-buckling actor, Hamilton Klein, and the ghost of Hollywood's Sweetheart, Mancey Heartlove, keep her entertained. Hamilton has told Emi he is the key to her happiness. Too bad Hamilton's reincarnation is only four, while his father — the spitting image of the handsome late actor— doesn't actually like her. Sticking close to the kid, Emi discovers, he may just be right, only not in any way she could have ever guessed.

There's no holiday from homicide for amateur sleuth Sebastian McCabe and his long-suffering brother-in-law, Jeff Cody. Murderers' Row, their second casebook of shorter stories, collects three adventures connected with what should have been happy occasions. When Meg Russert's destination wedding on the tropical island of Barbados becomes A Destination Murder, Mac is a fish out of water dealing with a local police inspector less than impressed by his qualifications as a detective. But, as usual, Mac special help from a friend in high places. But will it be enough? Erin's annual Independence Day parade takes a stunning turn when a controversial activist looking on from the sidelines turns up Dead on the Fourth of July. Jeff, who was watching the victim the entire time, swears that only a magician could have committed this impossible crime! When the estranged husband of an Erin Eagles supporter is shot to death outside the team stadium, Mac and Jeff find themselves involved in the offbeat world of independent minor league baseball. By the end of the case, Jeff solves a different

mystery and loses blood.

Anne Jamieson and her critique partners are once again thrown into murder and mayhem while attending a writers conference. Anne starts to believe she is a dead body magnet when she finds obnoxious agent, Carmella Radcliff, stabbed to death in the ladies room. This brings Detective Gil Collins onto the scene. Anne had hoped for a relationship when he was lead detective on an earlier case she helped investigate, but lies and secrets drove them apart. The Snoop Group, as they've named themselves, decide to assist again, but then, a second agent is killed. The conference offers a long line of suspects and motives. Was it the best-selling author? A disgruntled editor? An angry agent? An attendee whose work was rejected? Or someone else? Time is running out and the conference will only last so long. Amid the commotion, can Gil and Anne rekindle the spark from months ago before the murderer claims Anne as a third victim?

Serafina Noland has a good life, a son she adores, a supportive family, and a successful career. The one thing she doesn't have is a significant other, a partner to help her raise her son, Petey, someone to love her through thick and thin. Loneliness is often her companion, but she's resigned herself to that and learned to be thankful for the life she and Petey have carved out in their little corner of the Appalachian foothills. While on vacation, she walks onto a Carolina beach and meets sinfully sexy businessman Levi Ewart. He's thoughtful and kind and one of the most handsome men she's ever met. The problem is he's also entirely too young for her, and so far above her in every way possible, her head spins. What can a man like that possibly see in little ol' her? How can she ever trust him not to walk out on her, the way Petey's father did nearly nine years before? Sera's age is never a problem for Levi. His own

mother is centuries older than his father, and he's witnessed dozens of couples in similar situations find their happily ever afters. He opens his heart to the reserved Sera and falls hard and fast for her and her son, but his secrets aren't the only things standing in the way of true love. Sera's past is a giant blight on their relationship, eating away at the core of their happiness, and Levi's love may not be enough to overcome her doubts. Getting her to say yes to the future he wants to build with her may be the hardest task he's ever undertaken, and the riskiest venture of his life.

Sex with no strings. That's the way I like it. Brodie That may sound heartless to you, but don't judge a man until you've walked in his shoes. And believe me; you don't want to tread in mine. I have a past. I'm not proud of it, but I haven't cared ... until Gabrielle entered back into my life. Gabrielle The first time I met him, I learned the hard way what type of guy Brodie was. His crude seduction attempt earned him a slap to his face, and I wasn't exactly looking forward to another encounter with the cad. I had enough problems of my own to deal with, but unfortunately, my best friend is marrying his brother, and now Brodie and I will be forced to spend time together whether I liked it or not. When things in that small, quiet town of Turtle Lake turn dark and dangerous, Brodie and I only have each other to turn to for solace. But will we be capable of overcoming our aversion to one another while coping with our troubled pasts and dealing with the current dangers surrounding us? Or is our hostility just skating the fine line

Music was his first love. Hers was the lanky boy from summer camp with a beautiful voice and starlit green eyes. Isabelle and Roman thought they'd be together until the end of time. Then fate proved an orphan from the West Coast couldn't have a future with a wealthy New Yorker hiding the scars of an abusive home. Five years after their hearts are broken, fate strikes again when they're reunited as a waitress headlining a bar-band, and a successful rockstar kicking off his first tour. Even though the past nearly destroyed them both, the attraction is stronger than ever, and Roman refuses to let the girl he promised to love forever slip away a second time. But picking at old wounds proves to be dangerous when the reasons they were driven apart as kids won't stay buried. This inspirational story told by patient and author, John Amatuzio, about his long battle against Leukemia culminates a 20 year (and counting) journey of unimaginable proportions. As the patient, John was told that his type of Leukemia had never been successfully cured through bone-marrow transplantation using a non-related donor. The count worldwide was 0 for 20 and mounting at the time.

With no other alternatives, John went through major testing, private investigator assistance, major turmoil and a donor materializing on the last possible evening in order to receive his transplant. Incredible bouts with faith and intense religious occurrences following the transplant finally led victory over defeat against insurmountable odds. Stand side by side with John as he endures 106 degree fevers, organ failure, G.V.H.D., total body radiation treatments, Last Rites, fist fights and experimental protocols. Personal betrayals lead to loneliness and a seemingly broken life that through twists of fate and unshakeable faith bring him to thanksgiving. Readers from all walks of life will find this emotional tale thought-provoking and insightful. A must read if you or someone you love is living with cancer.

Matt Masters was on a mission. He was the son of a wealthy CEO, and although both father and son were about to collect millions from the sale of company shares, Matt still had a debt to collect. It wasn't money Matt wanted, but revenge. His wife and child had been killed in an automobile crash in which his father was the driver and Matt was convinced his father had been drunk, and therefore needed to pay for this crime. In carrying out his best laid plan, Matt traveled to Guayaquil for an untraceable rifle, devised an alias via the Mafia, selected Wyoming for the deed, and got entangled with a beautiful woman via a clothing

Mafia boss, 'Big John', knew about the stock sale, and wanted to get in on the profits. When the deal went sour, someone had to pay for his humiliation. Who better than the CEO? All of a sudden, there was more than one gun headed to Wyoming. Who would get there first, and what happens next? Enjoy this fun thriller, a novelette, by John Mahon.

Susan Biggar fell in love with a New Zealander. Maybe as an American, she saw Darryl as a ticket to an exhilarating, global life. When her first son arrived, he came with fierce blue eyes, a curly toe and cystic fibrosis. The doctors said he would be lucky to reach the age of thirty. A job offer in Paris snatched the family from New Zealand, depositing them in the city of lights, romance—and a whole new medical world. When Susan's second baby was also born with cystic fibrosis, the insignificant worries of her old life slipped away, shifting her from 'normal mum' to 'gotta-figure-out-how-to-keep-the-kids-alive-mum'. This—and all that followed—was not what she expected. Set across the globe—in California, New Zealand, France and Australia—The Upside of Down is a story of belief, of learning that sometimes joy is a decision. 'A rare combination of laugh-out-loud humour and an intensely honest exploration of difficult issues ... It's like Eat,

What would you be willing to do to change your life's direction? That's the question that Casey Doran, a man of perpetual inaction and rigid standards, is faced with. His ordinary life is upended after a whimsical intervention south of the border leads him on a new path of self-discovery and earthly enchantment. He comes to realize along the way that love has many faces, and even more important, that playing it safe can be the most dangerous of all. Kiss of the Marlin is a romantic fantasy that blends human desire with a sense of wonderment where secret wishes can come true. This is Mark Fiorito's second novel. He has also authored The Run, several screenplays, and a collection of poetry. Mark was raised in New Jersey and now divides his time between San Diego and Louisville with his wife, Joan.

\*10 Favorite Books of the Year (2015) —O, The Oprah Magazine \*Best science fiction and fantasy books of 2015 —The Washington Post \*One of the most anticipated books of 2015 —Dazed & Confused, BuzzFeed Inez wanders a post-pandemic world, strangely immune to disease, making her living by volunteering as a test subject. She is hired to provide genetic material to a grief-stricken, affluent mother, who lost all four of her daughters within four short weeks. This experimental genetic work is policed by a hazy network of governmental Ethics committees, and threatened by the Knights of Life, religious zealots who raze the rural farms where much of this experimentation is done. When the mother backs out at the last minute, Inez is left responsible for the product, which in this case is a baby girl, Ani. Inez must protect Ani, who is a scientific breakthrough, keeping her alive, dodging authorities and religious fanatics, and trying to provide Ani with the childhood tha Inez never had, which means a stable home and an education. With a stylish voice, *The Only Ones* is a time-old story, tender and iconic, about how much we love our children, however they come, as well as a sly commentary on class, politics, and the complexities of reproductive technology. "Breathtaking. [Dibbell has] delivered a debut novel on par with some of the best speculative fiction of the past 30 years; *The Only Ones* deserves to be shelved alongside Margaret Atwood's *The Handmaid's Tale*, Nalo Hopkinson's *Brown Girl in the Ring*, and P. D. James' *The Children of Men*. It's that good, and that important, and that heartbreakingly beautiful." —NPR

"Do you trust me Meghan?" His voice was soft, almost pleading. I swallowed and tried hard to discern his expression in the dark. The paltry amount of light reaching this far into the small cavern glinted off his eyes, giving him the appearance of a demon trying to tempt me into doing something evil. "Yes," I answered, my own voice a mere whisper, "I trust you." "Good." He gave my hand a quick squeeze, and then I was pulled forward into the icy abyss that loomed before us . . . A year ago, Meghan Elam learned that she was Faelorehn, a being of the Otherworld. Immortal. Now she must juggle her life in the mortal world with the one she has started to build in the Otherworld. However, keeping her identity secret from her friends and family while trying to avoid a wrathful Celtic goddess is no easy task. With the help of the intriguing Cade MacRoich, Meghan will learn that not only does she come from a place full of magic and wonder but that she, too, is far more powerful than she ever thought possible. Beach Time is a powerful collection of stories weaving a tapestry of the shore as

a place of reflection, a sanctuary for addressing life's challenges and opportunities, and as a point of departure for life's many journeys. Whether finding romance among the canals and lanes of magical Venice, facing life, death, and ghosts along the Carolina coasts, honeymooning in the south of Portugal, or solving mysteries in the Greek isles, the stories will hold your interest across the miles and years. Additional tales speak to youth's desire to find direction in life, whether in the beach towns of Florida, at a Buddhist shrine on Cheju Island, Korea, or along the North Shore of Oahu. Darker tales reveal how outcasts prey upon the young or confused in the chaos of the beach. Beach Time (by the author of Hues of Tokyo) can be read straight through, engaging the themes linking the stories, or each story can be cherished individually as you travel to multiple shores in the US, Asia, and Europe-to be entertained by whimsical tales that both amuse and provoke deep thought about life's relationship with that in-between space where the land meets the sea and the sky.

From an early age, author Vera Chvany Hussey-Forbes knew her mother didn't want her. When her parents divorced, Vera's mother began a campaign to obliterate the child with a concentrated regimen of emotional abuse. Thus began Vera's two-layered existence. In *My Life, Connected*, she narrates the story of her life, beginning with the ways that the trauma affected her. Vera shares how her mother made her feel like she was ugly, untalented, and unlovable, and how Vera's first husband later followed suit, never appreciating her for who she was. In her memoir, Vera describes how she overcame the negative treatment to become the best in everything she had to offer as a painter, singer, songwriter, actress, lover, and mother of three sons. She discusses the highs and lows as she experienced operas and orgies; dead pigeons and paralysis; ballet and bats; fleas, a fish run, and fire; and lovers and laughter. Honest and unabashed, *My Life, Connected* tells how Vera's friendly disposition and curious personality enabled her to conquer abuse, make connections, and form incredible friendships with people from all walks of life.

U.S. in the murder capital of the world, Juarez. Caught in the crossfire are Mormon ranchers who have lived in this part of Mexico for generations. The kidnapping and killing of several Mormon elders set in motion a series of events that will involve Mexican and U.S. law enforcement. When a whistle blower reports that a well-connected defense contractor is illegally shipping arms to the Mexican cartels, Roy Neely, still struggling to cope with his wife's tragic death, is brought out of retirement by his former FBI boss to look into the politically sensitive case. The investigation of the complex arms case results in more kidnappings. Neely scrambles with DEA Agent Jamie Gamez to get approval to go to Mexico for hostage negotiations with the two drug lords. Neely and Gamez join forces with a Mexican agent to negotiate a settlement. Two very different outcomes raise the political stakes on both sides of the border.

A criminologist on vacation on the pristine Bay of Fundy uncovers a deadly conspiracy in this literary mystery by the author of Foul Deeds. After working for a private investigator for years, Rosalind has finally landed a real job as a researcher for the Public Prosecution Service. And now she's taking her first paid vacation. With her cat and a stack of Beckett plays, Rosalind heads to a rented cottage on Nova Scotia's Minas Basin to explore ideas for her next theatre production. But she has no sooner settled in than she spots what looks like a woman's body tangled in the roots of a floating tree. Before the local Mounties can send a boat out, the body is retrieved by helicopter, and Roz watches it disappear over North Mountain. She decides to call in her old sleuthing partner, PI McBride. But when McBride also disappears, Roz and her longtime theatre friend Sophie roam the backroads of the Annapolis Valley in search of clues. Could secrets be hiding in a seemingly abandoned quarry? Are the tanker trucks that nearly run them off the road more than a deadly coincidence? And what happened to the young journalist who got too close to the truth?
