

long after ceasing to be a Hollywood superstar. a very thorough as well as attractive record of her career in films, television, stage, and records. . . . The book will be a `must' for every Andrews fan, and it is an excellent reference source for its subject. Videomania For fans of Julie Andrews as well as students of the performing arts, Spindle's reference chronicles the professional career of one of the world's most loved performers. No other book provides such a wealth of detail on the career achievements of Julie Andrews or delineates all her professional activities so thoroughly. A complete, all-in-one resource, the volume presents a comprehensive and accurate profile of the people, projects, artistic highs and lows, and general influences that propelled the actress into the public eye beginning in the late 1950s. Starting with Andrews' first film, Mary Poppins, Spindle examines each of her 16 films including such classics as Sound of Music, Hawaii, Victor/Victoria, and ending with her latest film, Duet for One. He provides a detailed commentary on factors influencing her short reign as a box office superstar in the mid-1960s, for Andrews is an anomaly in that she has retained her fame and admired celebrity status long after ceasing to be a Hollywood superstar. Besides film work, all other aspects of Andrews' career (theatre, television, personal appearances, concerts, recordings, and even her fiction for children) are considered. An episode-by-episode summary in the Television Appearances chapter is the only published survey of the entire 1972-1973 ABC-TV variety series, The Julie Andrews Hour. In his preface, Spindle offers a lively discussion of the eclectic and highly individual career of a perennial trooper and star whose career he likens to a roller coaster. This is followed by a biography and chronology which summarizes events and landmarks in Andrews' life. The next four chapters scrutinize major professional achievements in-depth, including Filmography, Stage and Television Appearances, and Discography. All entries in the four sections correspond to a particular career achievement, and consecutive numbering facilitates both subject index use and cross referencing within chapters. Over 150 reference sources, including books, and magazine and news articles are listed in the comprehensive bibliography. The three appendices review awards and nominations, identify roles considered but not played, and describe the two children's books written by the actress. A readable and informative reference work for students and scholars of the performing arts and popular culture, as well as for fans of movie musicals, this volume should also find a place on the shelves of most libraries.

The Committee investigated the provision of healthcare for the armed forces, and examined six key areas. The first was the treatment of personnel seriously wounded on operations, and the procedures for caring for them, from the point of wounding to evacuation to and treatment in the United Kingdom. The second area was the rehabilitation work for those with serious musculo-skeletal or neurological injuries. The third was the relationship between the Ministry of Defence and the National Health Service in terms of delivering healthcare. The fourth area examined was the care for veterans and service families. The fifth issue was mental healthcare, both for service personnel and for veterans. Finally, the report examines the role of reserve personnel in the Defence Medical Services. Clinical care provided by the Defence Medical Services (DMS), in conjunction with the NHS, for personnel injured on operations is world-class. Rehabilitation work is also found to be exceptional. Services to the armed forces are delivered by the DMS, NHS, charities and welfare organisations, and this helps link the community with service personnel. The Committee would like a wider debate on which services are most appropriately provided by each sector. The Ministry of Defence's decision to base its secondary care around units embedded in NHS Trust is supported, but there is scope for more sharing of best practice between the DMS and the NHS. With veterans, the Committee is not sure adequate procedures are in place to identify veterans and to ensure priority access to services. Mental health is a vital responsibility for DMS, but a robust tracking system for veterans is needed. The reserve forces' contribution to the delivery of military healthcare is praised, but there is a danger of being overstretched.

CBS, and ABC were the only networks and not quite so quick to cancel unsuccessful programs, hundreds of shows lasted less than one year. This work tells the stories of those ill-fated series that were cancelled within one year after their premieres. The entries are arranged chronologically from the 1948-1949 through the 1977-1978 seasons, and provide brief descriptions of the shows along with such facts as the type of program each series was; its times, dates, and network; its competition on other networks; and the names of the cast, producer, director and writer. The book also includes information from more than 100 interviews with actors, writers, directors, and producers who worked on the short-lived television series.

This carefully edited collection of "The Greatest Novels of Carolyn Wells – 50+ Titles in One Volume (Illustrated Edition)" has been designed and formatted to the highest digital standards and adjusted for readability on all devices. Carolyn Wells (1862-1942) was an American writer and poet. At the beginning of the career she concentrated on poetry, humor and children's books, but later devoted herself to the mystery genre. Among the most famous of her mystery novels were the Fleming Stone Detective Stories, and Pennington Wise series. She is also known for her Patty Fairfield series of novels for young girls. Table of Contents: Fleming Stone Mysteries The Clue The Gold Bag A Chain of Evidence The Maxwell Mystery Anybody But Anne The White Alley The Curved Blades The Mark of Cain Vicky Van The Diamond Pin Raspberry Jam The Mystery of the Sycamore The Mystery Girl Spooky Hollow Prillilgirl The Bronze Hand Where's Emily Pennington Wise Mysteries The Room with the Tassels The Man Who Fell Through the Earth In the Onyx Lobby The Come-Back The Luminous Face The Vanishing of Betty Varian Other Mysteries The Deep-Lake Mystery Face Cards The Adventure of the Mona Lisa The Adventure of the Clothes-Line Patty Fairfield Series Patty Fairfield Patty at Home Patty's Summer Days Patty in Paris Patty's Friends Patty's Success Patty's Motor Car Patty's Butterfly Days Patty's Social Season Patty's Suitors Patty's Fortune Patty Blossom Patty-Bride Patty and Azalea Marjorie Maynard Series Marjorie's Vacation Marjorie's Busy Days Marjorie's New Friend Marjorie's Maytime Marjorie at Seacote Two Little Women Trilogy Two Little Women Two Little Women and Treasure House Two Little Women on a Holiday Other Novels The Dorrance Domain Betty's Happy Year Dick and Dolly The Staying Guest Ptomaine Street: A Tale of Warble Petticoat The Emily Emmins Papers The Lover's Baedeker and Guide to Arcady

Traditional Chinese edition of Lone Wolf. Jodi Picoult again proves herself a tour de force. Translator Su Yingwen has translated many bestsellers including Picoult's "Sing you home," "Mercy," and "Perfect Match" and Tatiana de Rosnay's "Sarah's Key." In Traditional Chinese.
