A mission gone wrong. Innocent lives have been lost. Escaping wrongful imprisonment wasn't something Connor had in mind, but being put into stasis aboard Earth's first interstellar colony ship was something he couldn't have prepared for. For three hundred thousand colonists, the new colony brings the promise of a fresh start...a second chance. Connor might be the wrong man for the colony, but he's the right man to see that it survives what's coming. A new world with new challenges, but the mission has changed. If you loved Old Man's War and Ender's Game, you'll love First Colony - Genesis, a new military science fiction series.

????????? Ikal is a student at the poorest village school, which is under constant threat of closure. Ikal and his friends—a group

nicknamed the Rainbow Troops—face threats from every angle: skeptical government officials, greedy corporations hardly

distinguishable from the colonialism they’ve replaced, deepening poverty and crumbling infrastructure, and their own low self-

confidence. But the students also have hope. ???
