

## New England Lighthouses 2014 Calendar

Immerse yourself in the Victorian world of an Egyptian harem as Ellen Chennells reveals the true story of the inner life of the royal house as no one had before and no one has since. Engaged as governess to Egyptian Princess Zeyneb in 1872, Chennells' vibrant curiosity and keen powers of observation made her the perfect correspondent. With wit and eloquence she tells the fascinating story of her five years working for the ruler of Egypt during one of its most interesting modern periods. Chennells spares no details in relating the opulence of the royal palaces, fantastic festivals and weddings, trips to the pyramids, up the Nile, and summers in Constantinople. This first-of-a-kind ebook has over 70 new footnotes and ten additional photos to help put the story in historical and visual context. The introduction and footnotes are written by Brian V. Hunt, writer, frequent visitor to Egypt, and a longtime student of that country's ancient and modern history. Ellen Chennells will make you laugh, keep your interest throughout, and leave you with a lump in your throat. For less than you'd spend on gas going to the library, this long out-of-print volume is available as an affordable, well-formatted book for e-readers and smartphones. Be sure to LOOK INSIDE by clicking the cover above or download a sample.

A multidisciplinary index covering the journal literature of the arts and humanities. It fully covers 1,144 of the world's leading arts and humanities journals, and it indexes individually selected, relevant items from over 6,800 major science and social science journals.

Publisher's Note: Products purchased from Third Party sellers are not guaranteed by the publisher for quality, authenticity, or access to any online entitlements included with the product. 12,500 entries. 196 countries. 365 days. Find out what's going on any day of the year, anywhere across the globe! If you're looking to tie a promotional event to a special month, travel to a music festival halfway around the world, blog about a historical milestone or do a celebrity birthday round-up on your radio show or Twitter feed, Chase's Calendar of Events is the one resource that has it all. The world's most comprehensive, well documented, and well illustrated book on this subject, with 445 photographs and illustrations. Plus an extensive index.

Just off the coast of the Gulf Islands National Seashore lies Cat Island, an isolated, T-shaped sliver of sand with a remarkable past. A coveted hiding place for Jean Lafitte's pirate treasure in the late eighteenth century and illegal booze during Prohibition, Cat Island also witnessed the first shots of the Battle of New Orleans, an encampment for Seminoles during the Trail of Tears and the first lighthouses on the Mississippi coast. As a child, author John Cuevas learned that his family had owned and lived on the island for three generations beginning with his ancestor, Juan de Cuevas, referred to as "The King of Cat Island," who received it by way of a Spanish land grant. In this engaging work, Cuevas chronicles the historic events that occurred on the island's shores and offers a tribute to the legacy of one of the Gulf Coast's pioneer families.

THE GRAPHIC DESIGNER'S DIGITAL TOOLKIT, 7th Edition not only introduces students to the essential features of industry-standard software applications, but also gives them an understanding of how to integrate these programs into a seamless whole. Using a highly visual and project-based approach, this fully revised new edition examines Macintosh OS X Maverick, Windows 7 and Windows 8 operating systems, as well the most up to date Creative Cloud features of the "Big 3" digital design programs used in the graphics industry today: Adobe Illustrator, Adobe Photoshop, and Adobe InDesign . After thoroughly examining the features of each application from the designer's perspective, the author then reveals in practical detail the traditional skills and technology necessary for effective design for print and Web media. Using online project files, students are encouraged to practice what they have learned by tackling design projects throughout the text from concept to completion. Effectively merging theory with practice, THE GRAPHIC DESIGNER'S DIGITAL TOOLKIT, 7th Edition stresses the critical importance of integration in design while meeting design parameters and client expectations. "A full-color illustrated travel guide to notable craft breweries of the northeast and mid-Atlantic states"--

The world's most comprehensive, well documented, and well illustrated book on this subject. With extensive index. 372 photographs and illustrations. Free of charge in digital format on Google Books.

Re-visioning the classics, often in a subversive mode, has evolved into its own theatrical genre in recent years, and many of these productions have been informed by feminist theory and practice. This book examines recent adaptations of classic texts (produced since 1980) influenced by a range of feminisms, and illustrates the significance of historical
