Between the ages of 9 and 12, children have to complete Standardised Assessment Tests (Sats). To help them practise for these tests, we have produced a new series of comprehension booklets. The Standards and Testing Agency states that the child has 1 hour to complete the test, answering the questions in the answer booklet. Read one text and answer the questions about that text, before moving onto the next text. There are three texts and three sets of questions in each booklet. The tests in this booklet are based on the KS2 Reading Assessment sample papers. It is important to try and complete them in an hour, but it is your choice.
