Outdoor drama takes many forms: ancient Greek theatre, open-air performances of Shakespeare at summer festivals, and re-enactments of landmark historical events. The essays gathered in "Outdoor Performance," Volume 17 of the annual journal Theatre Symposium, address outdoor theatre's many manifestations, including the historical and non-traditional. Among other subjects, these essays explore the rise of "airdomes" as performance spaces in the American Midwest in the first half of the 20th century; the civic-religious pageants staged by certain Mormon congregations; Wheels-A-Rolling, and other railroad themed pageants; first-hand accounts of the innovative Hunter Hills theatre program in Tennessee; the role of traditional outdoor historical drama, particularly the long-running performances of Paul Green's *The Lost Colony*; and the rise of the part dance, part sport, part performance phenomenon "parkour"-- the improvised traversal of obstacles found in both urban and rural landscapes.

his life neutered--something no self-respecting werewolf can accept... But how does a wolf convince a human to trust him with her life when his enemies are out to end his? In the world of the Were-Hunters, it really is dog-eat-dog. And only one alpha male can win, in the special hardcover edition of #1 New York Times bestselling author Sherrilyn Kenyon's Night Play.

In the realm of the Dark-Hunters there is a code of honor that even immortal bad boys must follow: Harm no human. Drink no blood. Never fall in love. But every now and again a Dark-Hunter thinks himself above the Code. That's when I'm summoned. Who am I? I'm the one thing the fearless fear. Step over the line and it's my wrath you will face. Nothing can touch me. Nothing can sway me. I am relentless and unfeeling. Or so I thought until I met a female Dark-Hunter who goes by the name of Danger-it's not just her name, it's how she lives her life. She doesn't trust me at all. And who could blame her? She alone knows that I'm here to be judge, jury and most likely executioner of her friends. Yet she is my key to saving some of them. Without her, they all will die. Dangereuse St. Richard is a deadly distraction. Something about her is reawakening a heart I thought was long dead. But in a race against evil, the only hope mankind has is that I do my duty. And how can I do my duty when it means that I will have to sacrifice the only woman I've ever loved?

This is the first book in more than thirty years on the playwright who is arguably Shakespeare's most important tragic predecessor. In Lukas Erne's book, *The Spanish Tragedy* - the most popular of all plays on the English Renaissance stage - receives the extensive scholarly and critical treatment it deserves, including a full reception and modern stage history. Yet as Erne shows, Thomas Kyd is much more than the author of a single masterpiece. *Don Horatio* (partly extant in *The First Part of Hieronimo*), the lost early *Hamlet*, *Soliman and Perseda*, and *Cornelia* all belong to what emerges in this study for the first time as a coherent dramatic oeuvre.

stands between mankind and those who would see mankind destroyed. Yeah, right. The only part of that Code of Honor I got was eternity and solitude. Insanity: A condition many say I suffer from after being alone for so long. But I don't suffer from my insanity-I enjoy every minute of it. Trust: I can't trust anyone...not even myself. The only thing I trust in is my ability to do the wrong thing in any situation and to hurt anyone who gets in my way. Truth: I endured a lifetime as a Roman slave, and 900 years as an exiled Dark-Hunter. Now I'm tired of enduring. I want the truth about what happened the night I was exiled-I have nothing to lose and everything to gain. Astrid (Greek, meaning star): An exceptional woman who can see straight to the truth. Brave and strong, she is a point of light in the darkness. She touches me and I tremble. She smiles and my cold heart shatters. Zarek: They say even the most damned man can be forgiven. I never believed that until the night Astrid opened her door to me and made this feral beast want to be human again. Made me want to love and be loved. But how can an ex-slave whose soul is owned by a Greek goddess ever dream of touching, let alone holding, a fiery star?
