No. 1 New York Times Bestselling Author Nora Roberts brings you the fascinating and irresistible Donovan cousins. They share a secret that's been handed down through generations... Captivated His interest in her was purely professional...or so he told himself. Nash Kirkland had sought out Morgana Donovan, self-proclaimed witch, to help him research his latest screenplay. The hard-headed sceptic didn't believe for a minute that Morgana was what she professed to be, yet Nash found himself falling under her spell. But how could he be sure the passion he felt was real and not just some conjurer's trick? Entranced Obviously Sebastian Donovan was a fraud, but fiercely protective Mary Ellen Sutherland was desperate to find a missing baby and had run out of leads. Reluctantly, the private investigator agreed to enlist Sebastian's help. She soon had to admit -- though grudgingly -- that this man had some pretty remarkable gifts. The most disturbing of which was his ability to penetrate her tough facade and get to her heart. Ripley Todd just wants to live a quiet, peaceful kind of life. Her job as a sheriff's deputy keeps her busy and happy, and she has no trouble finding men when she wants them - which, lately, isn't all that often. She's perfectly content, except for one thing: she has special powers that both frighten and confuse her, and though she tries hard to hide them, she can't get them under control. Distraction soon arrives in the handsome form of MacAllister Booke - a researcher who's come to investigate the rumours of witchcraft that haunt Three Sisters Island. Right from the start, he knows there's something extraordinary about Ripley Todd. It's not just her blazing green eyes and her sultry smile. There's something else. Something he can detect, but she'll never admit. Fascinated by her struggle with her amazing abilities, he becomes determined to help her accept who she is - and find the courage to open her heart. But before Ripley and Mac can dream of what lies in the future, they must confront the pain of the past. For the island shelters centuries of secrets - and a legacy of danger that plagues them still.

An archaeologist, Riley is no stranger to the coast of Clare, but now she finds herself on unsure footing, targeted by the dark goddess who wants more than the stars, more than the blood of the guardians. While searching through Irish history for clues that will lead them to the final star and the mysterious Island of Glass, Riley must fight her practical nature and admit that her sudden attraction to Doyle is more than just a fling. For it is his strength that will sustain her and give her the power to run toward love--and save them all."--
