Each video segment is from 2 to 5 minutes long and incorporates key vocabulary from the student books. The DVD guide contains unit-by-unit video scripts, as well as vocabulary for comprehension and background notes to enhance the accessibility and enjoyment of the video material. Each of the ten video segments has an optional corresponding video activity that is designed for students to use in class before, during, and after viewing the video. The activities can be downloaded from the NorthStar companion website. Clear and easy-to-follow, the NorthStar listening/speaking and reading/writing books follow the same unique unit outline. Each unit is flexible enough to customize for your individual classroom needs.
