A multidisciplinary index covering the journal literature of the arts and humanities. It fully covers 1,144 of the world's leading arts and humanities journals, and it indexes individually selected, relevant items from over 6,800 major science and social science journals.

Looking for connections between his verse and prose, Colin Thompson argues for a theological understanding of the intensely beautiful and moving poems. He seeks to explain the principles that guide St. John in his exploration of the self and its encounter with the divine, and provides an analysis of the poet's most famous symbol - the dark night of the soul."--BOOK JACKET.
