Traditional Chinese edition of Le Deuxième Sexe (The Second Sex)

In this in this riveting and revealing book, Steve Levy, gives a gripping account of the real-life liberal bias in the media. Once his county's most popular politician, Steve shares a shocking story about how the media treats a politician who switches parties from Democrat to Republican. Few books have been written about

switching political affiliations, its repercussions and its consequences. Bias in the Media explores how the liberal media tries to shape the outcome of elections by:

1. Omitting information opposing their agenda
2. Printing outright false information
3. Determining who will be quoted in articles
4. Making morality decisions on what is "right" or correct

When Steve Levy was the Democratic county executive of New York's largest suburban county, he believed that complaints of liberal media bias were exaggerated. But after switching parties, running for governor and living in the shoes of a Republican office holder, he came to the conclusion that the bias is not only real, but is actually understated. The change in media coverage Levy experienced firsthand after switching his party from Democrat to Republican was nothing less than startling. "During his years in Long Island politics and government Steve Levy bravely confronted and exposed the shameless hypocrisy, self-righteousness and left wing bias which pervade Newsday and the New York Times. Now, as an author, he convincingly completes the job. 'Bias In The Media' is a must read!" ~ Congressman Pete King "Steve Levy gives you a real perspective of public service from the satisfaction of serving citizens to the incredible tribulations involved in switching parties...his unique perspective is all spelled out in this fascinating read."

~Brian Kilmeade , Fox News

Traditional Chinese edition of Battle Hymn of the Tiger Mother by Amy Chua, a professor at Yale Law School. The headline "Why Chinese Mothers Are Superior" in the January 8, 2011 Wall Street Journal about the book, an instant bestseller (ranked #4 on Amazon as of 1/2011), has raised the debate on the merits of parenting Chinese or Western style to an unprecedented level, in America as well as in Chinese reading communities. Other bestselling titles on the subject of parenting mentioned in a related Wall Street Journal article: "In China, Turning Away From Tough Love," also published January 8, 2011, are available on www.BooksWindow.com as well: A Good Mom is Better Than a Good Teacher by Yin Jianli (Simplified Chinese edition 9787506345040); My Kid is a Medium-Ranking Student by Fang Gang (Simplified Chinese edition 9787807335344); Catching Childrens Sensitive Periods by Sun Ruixue (Simplified Chinese edition 9787802038257); Children are from Heaven by John Gray (traditional Chinese edition 9789861772158); and How to Talk So Kids Will Listen by Adele Faber and Elaine Mazlish (simplified Chinese edition 9787802115279, Vietnamese edition 8932000115120).
