Norwegian: An Essential Grammar is a reference guide to the most important aspects of contemporary Norwegian as used by native speakers. The Grammar presents a fresh and accessible description of the language. Explanations are clear, free from jargon and often accompanied by exercises. The book gives a simple, step-by-step presentation of the grammatical systems of Norwegian and demonstrates and explains usages which have proved difficult for those learning the language in the past. It is clearly laid-out for easy reference making it accessible for those at a beginner/intermediate level. This is the ideal reference source for all learners, whether studying independently or in a class.

Extensive materials for the study of the backgrounds and sources of the play are included. Among these transcripts sources of the play are included. Among these are transcripts of Ibsen's notes and jottings and early drafts, selections from Ibsen's letters as he worked toward the final version, and materials suggesting biographical sources. The critical essays and opinions give the student a wide variety of points of view from which to come to his own judgments of this important play.

This is the first book in a four-book series. Each book has three unbelievable adventures written in Jake's own notebooks and embellished with his gloriously funny comments and illustrations throughout. Here Jake meets a werewolf, a monster and a real-life mummy. Deliciously funny, the stories are a satisfying blend of comforting real life mixed with magical mayhem. Just right for boys and girls of 7+, and for all fans of Horrid Henry!

Mastering the writing system of one's language is crucial for success in a modern society. This book examines how children learn to produce writing. It provides a novel theoretical framework that integrates findings from a wide range of age groups - from children who are producing their first scribbles to experienced spellers who are writing complex words. The book is unique in the range of topics and languages that it covers. Also unique is the way in which it integrates linguistic insights about the nature of writing systems with discussions of literacy development in children.

A first-hand journal about the Goldings' travels through Egypt, soon after winning the Nobel Prize, living on a motor cruiser on the Nile. Nothing went quite as planned, but William Golding's vivid and honest account of what actually happened, and of what he saw and felt about ancient Egypt and the exasperations of the living present, will delight his innumerable admirers and everyone who visits Egypt. 'One of the funniest anti-travel books I have ever read.' Daily Telegraph 'No previous book brings you so close to Golding the man. It bulges with abstruse knowledge . . . and is often screamingly funny . . . Hugely enjoyable.' The Times

When a Russian billionaire robs the Norwegian Gold Reserve and melts the last remaining gold bar into the Premier Soccer League trophy, it's up to Doctor Proctor, Nilly and Lisa to get the trophy and save Norway. But with a failed break-in attempt into the billionaire's subterranean gold-melting lab and the Norwegian Gold Reserve Inspection only three days away, the only way to retrieve the trophy is to win it back. Hoping to prevent national panic and uproar, Nilly and Lisa join the Rotten Ham soccer team and use the Fartonaut Powder, along with a handful of Doctor Proctor's other wacky inventions, to try and lead the hopeless underdog team to victory before time runs out.

'Arabiyyat al-Naas (Part One) offers a groundbreaking introduction to Arabic as it is written and spoken by native speakers. It combines a progressive and rigorous grounding in Modern Standard Arabic (MSA) – the form employed for reading, writing and formal speaking – with an innovative integration of the spoken Levantine variety used in everyday situations in Syria, Lebanon, Jordan and Palestine. Introducing the two simultaneously 'Arabiyyat al Naas (Part One) uses each in its proper context: Levantine for conversations and MSA for reading and writing activities. In this way, the course efficiently prepares students for the practical realities of learning and "living" Arabic today. Features include: 21 theme-based units covering all the core topics expected in a first-year Arabic course, such as countries, clothes, colors, family and professions a broad range of stimulating activities and exercises fostering active engagement with the course and the development of comprehension and communication skills comprehensively covers the 5 Cs: communication, culture, connections, comparisons and communities a free DVD filmed on location in Jordan, presenting over 40 videos and incorporating a wide variety of entertaining and realistic scenarios a free companion website (www.routledge.com/cw/younes) offering a wealth of additional instructor and student resources, including a teacher's guide, an introduction to the letters and sounds of Arabic (with audiovisual aid and writing demonstrations), audio recordings of songs and listening passages, video clips, sample tests, an answer key and language games clear explanations of grammatical structures and concepts as they occur in the reading and listening materials to encourage progressive learning and active interaction with the text a user-friendly and vibrant full colour text design, richly illustrated throughout with over 200 illustrations and photographs songs with simple lyrics tied to the themes of the course to help advance vocabulary acquisition and understanding of basic grammatical structures. Written by a dynamic author team and tested over a number of years at Cornell University, 'Arabiyyat al-Naas (Part One) will be an essential resource for students beginning to learn Arabic. While primarily designed for classroom use, the accessibility of the course and website also renders it highly suitable for independent study. The materials are designed to bring students from the novice low level to the intermediate low level on the ACTFL scale (American Council on the Teaching of Foreign Languages), and from A1 to A2/B1 on the CEFR scale (Common European Framework Reference). This volume is the first in an exciting three-part series of Arabic textbooks which together provide a complete three-year undergraduate language program.

This edited volume, based on papers presented at the 2017 Georgetown University Round Table on Language and Linguistics (GURT), approaches the study of language variation from a variety of angles. Language variation research asks broad questions such as, "Why are languages' grammatical structures different from one another?" as well as more specific word-level questions such as, "Why are words that are pronounced differently still recognized to be the same words?" Too often, research on variation has been siloed based on the particular question—sociolinguists do not talk to historical linguists, who do not talk to phoneticians, and so on. This edited volume seeks to bring discussions from different subfields of linguistics together to explore language variation in a broader sense and acknowledge the complexity and interwoven nature of variation itself.
