The Blount Count Journal published in Oneonta from 1909 to 1918. Compared to other Blount County papers, the Journal was only a small blip on the journalistic radar in Blount County. However, it is an often overlooked and untapped source of great genealogical and historical knowledge. While some of the articles mirror those published in its contemporary publications, often the Journal captured other obituaries and news missed by the Democrat. Most of the original copies of the Journal were found in the court house in Oneonta. These were reviewed for notices of births, marriages, obituaries and interesting news items. Missing issues from the court house were reviewed at the State Archives in Montgomery. This book will add to the body of knowledge of Blount County, Alabama and will serve as a useful tool for area genealogists and historians.
