Simplified Chinese edition of 12 Rules for Life: An Antidote to Chaos

Sis, do you want to WIN? Like most women, Lebo desired/yearned to WIN in love. She had a deep zeal to have a life full of achieved dreams and success.

Somewhere in between her desires, she made a mistake. A mistake that she hid and was chained by for years. For the very first time, Lebo is vulnerable and honest about her mistake, and the things that held her back from the love & life of her dreams. As chained and held back as she was, she could have given up on life & love, but she didn't let the things life threw at her dictate her destiny. She kept her faith even when it felt like her faith was failing her and kept pushing until she aligned with destiny, and finally got the WIN that she always wanted. A WIN she believes, she would not have had, had it not been for the Lord. The same God that she once forget about once. Lebo's story is one of hope for the hopeless, freedom for the captive and victory for the underdogs. It is also a reminder to us of God's unconditional love and that nothing bad anyone of us has done in the past, disqualifies us from taking hold of everything destined for us. "This book did not come about because I was always perfect or that my life or love life right now is that perfect or better than anyone. Rather, it is the result of a mistake I made that God turned into a message. A message of hope for the hopeless, freedom for the captive and victory for the underdogs. Through this book and drawing from my own story, I want to bring more women to the WINNING side

repressed feelings are the real root cause of illness. The corollary of this is that everything we need to heal is actually within us. Life Alignment works with the individual's higher consciousness - which is accessed through muscle testing and dowsing - to ascertain the root causes of the disease. Then, with the help of Dr Levin's powerful Life Alignment Vortex Cards, the healing process happens - rapidly and with incredible ease. Here are heart-warming and astonishing stories of how ordinary people lucky enough to have discovered Life Alignment have been instantly healed - from a range of physical and mental problems. Philippa's own story demonstrates the extraordinary power of the Life Alignment Vortex Cards which are just one aspect of this miraculous new system of healing: ' - I visited a blood microscopist in Devon, to carry out an experiment using my own blood. Placing 3 Vortex cards on my body changed my blood cells from unhealthy to healthy in minutes. Normally this kind of transformation takes a minimum of 3 months and a strict diet to change previously unhealthy misshapen cells, which we all have, to healthy, round cells.' Life Alignment will genuinely change your life.
