Nikki A. Toyama-Szeto, Tracey Gee and Jeannette Yep bring together stories of Asian American women and how God has been at work in their lives. Family expectations and cultural stereotypes assume that these women can only act in certain roles. But with the help of Scripture and mentors, these women have experienced God's blessing and transforming power.

Glenn Martin's first novel tells the story of a man's journey towards leadership, a story that takes us into the heart of the I Ching and its universal values. A man comes to a leadership position after a series of life-shaping experiences. He brings with him as a companion the I Ching, the ancient Chinese book of changes. He faces an immediate crisis, when the president is arrested for embezzling all the funds, but he brings the organisation back from collapse, building it up even as he learns how to be a good leader and manager. However, enemies arrive with a destructive agenda and it suddenly seems as if he and everything he has built up will be destroyed. In the midst of it all, the I Ching offers its wisdom and calls him to be his best self. So he strives to lead effectively and ethically, and find the joy that lies at the heart of all things. And along the way there is love.

Managing Stress, Seventh Edition, provides a comprehensive approach to stress management honoring the integration, balance, and harmony of mind, body, spirit, and emotions. The holistic approach taken by internationally acclaimed lecturer and author Brian Luke Seaward gently guides the reader to greater levels of mental, emotional, physical, and spiritual well-being by emphasizing the importance of mind-body-spirit unity. Referred to as the "authority on stress management" by students and professionals, this book gives students the tools needed to identify and manage stress while teaching them how to strive for health and balance.

The purveyors of most personal development methods and books focus on logic, facts, willpower, and discipline. But we already know that to lose weight we have to eat less. And to

get fit we need to go to the gym daily. And to build stronger relationships we must communicate more. As Benjamin Halpern shows in this remarkable book, we must deal first with the limits we put on ourselves to follow through on what we know and learn and want to do. And how is this done? By developing and attaching strong, productive emotions -- supercharged emotions -- to our understanding and choices. Only when we live in an empowered emotional state can we attain our dreams in every area of our life. With lots of examples and exercises, Halpern clearly lays out the seven keys that will give you the emotional leverage you need for success: 1 Clarify Your Outcome 2 Recognize What's in Your Control 3 Magnetize Your Thoughts and Actions 4 Manage Your Emotions 5 Set and Attain Your Goals 6 Access the Power of Belief 7 Maintain Your Power

This workbook contains over 130 exercises in the form of surveys, questionnaires, inventories, and journal entries, to help students make some or all of these stress-reducing skills part of their daily routine, and achieve balance. Available in print and electronically as an Express PDF.
