What if your youth group were being hunted by something far more insidious than the other side in Capture the Flag? No, your students aren't being stalked. But millions of Christians around the world suffer political repression, discrimination, imprisonment, harassment, family division, rape, and torture because of their faith. Children of believers are sold into slavery for the cost of a CD. Every 3 ½ minutes a Christian dies for the faith. In fact, during your hour-long youth group meeting, 17 Christians will be martyred somewhere in the world. Student Underground gently but inexorably forces open students' eyes to the anguishing, world-wide persecution of Christians—and how teenagers can start praying for, communicating with, and reaching out toward victims. Use these 4 sessions (along with the companion 60-minute, award-winning film *Behind the Sun*) as a high-impact retreat, a lock-in event, or a month of weekly meetings. Student Underground shows why to care. And how to help. Here's a clear, thorough, and convenient curriculum for leaders, including a plethora of quotable facts about how, why, and where Christians are suffering. Not to mention concrete and realistic plans for student action. Plus where to find a complete underground church service on www.YouthSpecialties.com—a simulation of what going to church is like for Christians in restricted countries. Keeping Kat I still want my ex. Bad. But the two of us together? There's no better way to hit the destruct button on both our lives than that. So when I get the chance to distract myself helping the sexy new SSPD detective on a new case - I'm all in. Except my ex keeps popping up—at crime scenes, around town with his girlfriend, in my fantasies at night. But I can't take him back, we both know I won't be around long enough for that. There's a timeline on my life, even if he won't admit it. ROMANCING REMI I don't gamble unless I know I can win. Simple as that. So, when my besties wagered I couldn't stay in a relationship for a month, I took the bet. Because, really, how hard can it be? Four weeks is like four dates. I can do anything four times. Right? But there was a flaw in my strategy. I didn't count on the relationship to be with HIM. The irresistible alpha-male from my past, Chance Bauer. The only man to ever make my insides quiver. Or for my feelings from so long ago to be the same. LOVING LEXIE What was I supposed to do? Trevor, my ex, had broken my heart. Again. You would have done the same. Because Cole Mason was just standing there. The rancher from Texas who had me silently begging for him to call me ma'am. Beckoning me with those dark-brown eyes I caught staring at me and a body I wanted to climb like a tree. I knew in time he'd either lasso my broken heart and fix it,

or I'd pull a Trevor and break his. Looking back, I know for certain, I don't regret a damn thing. SEDUCING SADIE I'm a runaway bride. I just left my fiancé at the altar. Romance is the furthest thing from my mind. Still, I'm tempted to turn last night's fling into a thing. I mean, Ethan Stone is crazy hot. And he just uttered six simple words that turned my world upside down: "Why don't you just stay here?" So, imagine my surprise when I find myself moving in with him the morning after. Because, let's face it, this is a disaster in the making. TRUSTING TENLEY ? My fiancée's death almost killed me. It's been three years and I still can't move on. Not with life. And definitely not with love. But our friends keep pushing me to date. They say it is time. So, I give in to get them off my back. One date with a girl I already don't like: Tenley Hughes. My plan? To be the perfect gentleman yet still be the worst date of her life. Then everyone will be happy and I can go back to misery not loving company. Except the date isn't bad. And it doesn't end at one.
