If you are appearing for any Government Recruitment Exam, it is important that you are familiar with the happenings around the world. Current Affairs is an important part of your syllabus apart from English, Quantitative Aptitude or Logical Reasoning! Thus, we bring you the Important General Awareness in Google Play. This book covers a wide range of topics like current issues – national as well as international affairs in the diverse areas of Polity, Economy, Environment and Wildlife, Defence, Science & Technology, etc. which are of immense significance from examination point of view. The book is designed to address the needs of Civil Services, State Services, SSC, Engineering Services and any other competitive examinations.

Set against the background of the Great Depression, this book presents the life of Ralph Guldahl, who for a brief period in the 1930s was widely recognized as the best golfer in the world. From 1936 to 1940, he won two successive U.S. Opens, one Masters title and three successive Western Opens, held the best scoring average award and was a Ryder Cup player with a 100 percent record. After this memorable run, he "lost his game" and almost disappeared from view. This biography is the first to trace the rise and decline of his career and answer the question: "What happened to Ralph Guldahl?"
