The most thorough listing of Jack Kirby's work ever published! Building on the 1998 Silver Edition, this new, fully-updated, definitive Gold Edition compiles an additional decade's worth of corrections and additions by top historians, in a new trade paperback format with premium paper for archival durability. It lists in exacting detail every published comic featuring Kirby's work, including dates, story titles, page counts, and inkers. It even cross-references reprints, to help collectors locate less-expensive versions of key Kirby issues, and includes an extensive bibliography listing books, periodicals, portfolios, fanzines, posters, and other obscure pieces with Kirby's art, plus a detailed list of Jack's unpublished work as well. This edition includes a complete listing of the over 5,000-page archive of Kirby's personal pencil art photocopies, and scattered throughout are dozens of examples of rare and unseen Kirby art, making this a must-have item for serious Kirby collectors and eBay shoppers!

A union list of serials commencing publication after Dec. 31, 1949.

This is a seminal study of the evolution and development of the American comic from the 1930s to the present day. The book is divided into three sections covering the history, an overview of the distribution and consumption of American comic books, and an account of the popularisation and legitimisation of the comic book form.

The bible of the comic book industry is updated for 2002 with Web site information, tips about grading and caring for comics, and more than 1,500 black-and-white photos. A significant expansion of the critically acclaimed first edition, Classics Illustrated: A Cultural History, 2d ed., carries the story of the Kanter family's series of comics-style adaptations of literary masterpieces from 1941 into the 21st century. This book features additional material on the 70-year history of Classics Illustrated and the careers and contributions of such artists as Alex A. Blum, Lou Cameron, George Evans, Henry C. Kiefer, Gray Morrow, Rudolph Palais, and Louis Zansky. New chapters cover the recent Jack Lake and Papercutz revivals of the series, the evolution of Classics collecting, and the unsung role of William Kanter in advancing the fortunes of his father Albert's worldwide enterprise. Enhancing the lively account of the growth of "the World's Finest Juvenile Publication" are new interviews and correspondence with editor Helene Lecar, publicist Eleanor Lidofsky, artist Mort Künstler, and the founder's grandson John "Buzz" Kanter. Detailed appendices provide artist attributions, issue contents and, for the principal Classics Illustrated-related series, a listing of each printing identified by month, year, and highest reorder number. New U.S., Canadian and British series have been added. More than 300 illustrations—most of them new to this edition—include photographs of artists and production staff, comic-book covers and interiors, and a substantial number of original cover paintings and line drawings.

In this book you will find the never ending adventures of HPI (Hegelianism Paranormal Intelligence). My investigators are Fortean investigators. We investigate ALL things paranormal.

This book is an updated history of the American comic book by an industry insider. You'll follow the development of comics from the first appearance of the comic book format in the Platinum Age of the 1930s to the creation of the superhero genre in the Golden Age, to the current period, where comics flourish as graphic novels and blockbuster movies. Along the way you will meet the hustlers, hucksters, hacks, and visionaries who made the American comic book what it is today. It's an exciting journey, filled with mutants, changelings, atomized scientists, gamma-ray accidents, and supernaturally empowered heroes and villains who challenge the imagination and spark the secret identities lurking within us.

The guide every comic collector must have, with all of the updated facts and figures from the ultimate authority on comic book values. And, with its mini-dimensions, it's easy to carry at all times for quick reference. Includes a schedule of comic conventions. Interviews with the Disney artist who created Scrooge McDuck and many well-loved comic books Disney artist Carl Barks (1901-2000) created one of Walt Disney's most famous characters, Scrooge McDuck. Barks also produced more than 500 comic book stories. His work is ranked among the most widely circulated, best-loved, and most influential of all comic book art. Although the images he created are known virtually everywhere, Barks was an isolated storyteller, living in the desert of California and preferring to labor without public fanfare during most of his career. He created work of such exceptional quality that he was accorded the greatest autonomy of any Disney artist. He is the only comic book artist ever to receive a Disney Legends award. The influence of Barks's work on such filmmakers as George Lucas and Steven Spielberg and on such artists as Gottfried Helnwein has extended Barks's significance far beyond the boundaries of comics. After Barks's death at the age of ninety-nine, Roy Disney praised him for his "brilliant artistic vision." Carl Barks: Conversations is the only comprehensive collection of Barks's interviews. It ranges chronologically from the very first one (with Malcolm Willits, the fan who uncovered Barks's identity) to the artist's final conversations with Donald Ault in the summer of 2000. In between are interviews conducted by J. Michael Barrier, Edward Summer, Bruce Hamilton, and others. Several of these interviews are published here for the first time. Ault's friendship with Barks, ranging over a period of thirty years, provides an unusually intimate resource not only for standard q&a interviews but also for casual conversations in informal settings. Carl Barks: Conversations reveals previously unknown information about the life, times, and opinions of one of the master storytellers of the twentieth century. Donald Ault, a professor of English at the University of Florida, is the author of Narrative Unbound: Re-Visioning William Blake's The Four Zoas and Visionary Physics: Blake's Response to Newton. His work has been published in Studies in Romanticism, The Wordsworth Circle, Modern Philology, and The Comics Journal.

Created in 1941 by the psychologist William Marston, Wonder Woman would go on to have one of the longest continuous runs of published comic book adventures in the history of the industry. More than 70 years after her debut, Wonder Woman remains a popular culture icon. Throughout the intervening years many comic book creators have had a hand in guiding her story, resulting in different interpretations of the Amazon Princess. In this collection of new essays, each examines a specific period or storyline from Wonder Woman comic books and analyzes that story in regard to contemporary issues in American society.

in detail the history and culture of collecting comic books and describes the pitfalls, including common deceptions of grading and pricing, as well as theft, and mail and insurance fraud.

75,000 years ago, mankind first migrated into space and colonized the brightest stars in the night sky -- calling them the WILD STARS. Now, in modern times, their war against the planet destroying Brothan has reached Old Atlantis, the world also known as Earth. THE BOOK OF CIRCLES is the culmination of a 20 year project: a 288 page graphic novel that collects both new and remastered material from the 9 WILD STARS comics and portfolio. This time-traveling saga delves into the briny deep and the seas of space with equal aplomb, was the review from The Comic Shop News. Comic Book Electronic Magazine said the WILD STARS comics contain Real Treasure, and Comic Book Resources described them as Absolutely beautiful stuff. Created, Written and Illustrated by Michael Tierney, artwork is also provided by comics legend Frank Brunner (Dr. Strange, Howard the Duck) and veteran illustrators Dave Simons (Savage Sword of Conan), David Brewer (Legion of Super-Heroes), and Tom Smith (JLA/Avengers). Also featured are the incredible landscape paintings of Mary Tierney. Michael Tierney is a former Journeyman printer, printing division manager, and a veteran comic book retailer with two stores in Central Arkansas. A long-time advisor to the Overstreet Comic Book Price Guide, he has provided numerous articles and market reports to Comics and Games Retailer, Overstreet Monthly Magazine and Fan Magazine, Comic Book Marketplace Magazine, and ICv2.com. Since his first creative story publication in 1972 while in High School, he has been a small press publisher since 1977, and was a Technical Consultant for the University of Arkansas at Little Rock's Crazyhorse and Equinox Literary Journals. He was nominated for the Will Eisner Spirit of the Comics Retailer of the Year Award in 1999, and the Star*Reach Comics Retailer of the Year Award in 1985. He also serves on the Business License Committee for the City of Little Rock, Arkansas.
