A level 1 Oxford Bookworms Library graded reader. This version includes an audio book: listen to the story as you read. Retold for Learners of English by Jennifer Bassett. France, 1815.

Jean Valjean leaves prison after nineteen years. These are dangerous and troubled times, and life is hard. Valjean must begin a new life, but how can he escape his past, and his enemy, Inspector Javert? This story for Bookworms is loosely based on the famous novel *Les Misérables* by Victor Hugo, one of France's greatest writers. The novel was written in 1862, and the story has been retold many times - in a musical, in plays for radio and theatre, and in more than fifty films for television and cinema.

In EDI (the European Department of Intelligence in Brussels) there are some very secret files - the Omega Files. There are strange, surprising, and sometimes horrible stories in these files, but not many people know about them. You never read about them in the newspapers. Hawker and Jude know all about the Omega Files, because they work for EDI. They think fast, they move fast, and they learn some very strange things. They go all over the world, asking difficult questions in dangerous places, but they don't always find the answers . . .
