The OPD Second Canadian Edition English/Chinese is an illustrated, theme-based dictionary for second-language learners. This four-colour dictionary defines words through pictures, and presents each new word in context. The OPD English/Chinese, along with the monolingual workbooks and many other components, can be used as a reference book or as text for high school or adult ESL students at the beginner level. For years, the first monolingual Canadian edition of the OPD has been the industry leader among picture dictionaries. The second edition expands on the topics covered, providing more depth of vocabulary in the areas that matter most to students and offers Chinese speakers the additional advantage of having words and phrases defined in their native language. The illustrations have been completely updated in a more realistic style that is visually appealing to adult learners. The second edition also contains two new features: Introductory Pages and Story Pages. The Introductory Pages have been added to the beginning of each theme to give lower-level students a basic overview of key vocabulary words, and to give a starting point for discussion and an introduction to the theme for more advanced students. The Story Pages consist of a two-page spread at the end of each theme to help students use the words in context and practise their reading skills. The OPD English/Chinese is designed for use both in and out of the classroom. Speaking exercises are presented throughout the OPD to allow students to practise new vocabulary in pairs or small groups, while the pronunciation guide in the index allows students to check their pronunciation when they are studying on their own.

This dictionary contains more than 24,000 entries, related phrases, idioms, derivatives and words with irregular forms, and more than 200 illustrations. Like our other Bilingual Dictionaries, this has been specially compiled for learners of English, teachers, translators and general readers. - The dictionary provides 2,000 key words that are the most important words to know in English, 1,100 synonyms and antonyms and 13,000 example sentences. - Words like 'google', 'microblogging', 'youth club', 'Walkman™', 'webcam', and many more have been taken from current usage of English. - The English base of the dictionary, taken from the Oxford Essential Dictionary, has been adapted for Indian readers. - To make the dictionary more user-friendly detailed definitions and one-word equivalents in Telugu have been included for words that needed to be explained further for example, 'cafeteria', 'calendar', 'microscope' and 'the World Wide Web'. - Words like 'alarm clock', 'call centre', and 'shopping centre', which do not have equivalent Telugu words, have been explained by detailed definitions. - Many words such as 'computer', 'multiplex' and 'software' have been written out in Telugu to show that such words have now been included in the language. - The Telugu translation is simple and reflects the current usage of the language. - A pronunciation guide using the International Phonetic Alphabet (IPA) is given for help in pronunciation.
